

2000 Chevy Cavalier Repair Manual

This book is designed to present, in one convenient source, comments published in periodicals about 325 automobile models manufactured since 1987 on a model-by-model basis. These periodicals range from general interest to specialized sources as well as repair manuals and other publications related to the individual models.

Documents specifications, repairs, and servicing procedures for individual models, and provides information on component repair and overhaul

Covers 1979 through 1986 models, with specific makes and models grouped according to manufacturer and body style and including specifications, removal, installation, and service procedures unique to each car

Contains hundreds of detailed photographs and illustrations of repair procedures that are based on actual teardowns. Trouble codes, wiring diagrams, vacuum diagrams and factory maintenance schedules are also unique.
