

Alphas Seal An Mm Mpreg Romance The Blood Legacy Chronicles Book 7

An omega betrayed by his pack...and the lone wolf who must risk everything to save him. Henry Wright was supposed to be dead. Since the night his alpha dumped him in the dangerous ruins of Old Detroit, life has been an unending nightmare for the packless omega. Left to scavenge for food and evade the savage creatures infesting the city, Henry's become good at surviving—until his luck fails and leaves him trapped on a rooftop with monsters closing in. Then out of nowhere, help arrives in the form of a tall, swaggering stranger with rugged good looks and a sexy glint in his eyes. Their night of passion, intensified by their brush with death, leaves Henry breathless. But that isn't the only thing he's left with. Thanks to the genetic mutation shared by omegas, Henry is pregnant. And with all that's going down in the city, Tom might not be there to save him again. Especially when Henry's former alpha learns Henry is still alive. Tom Reinhart doesn't mess around. Wealthy clients pay the lone wolf to sneak into the ruins of Old Detroit, retrieve what they want—diamonds, cash, heirlooms—and get out alive. But his latest run goes belly up when he saves the life of an omega wolf with haunting amber eyes that grab him by the balls and won't let go. As former airborne military, Tom's used to danger. He knows better than to let a pair of pretty eyes distract him. But the little omega dredges up Tom's protective instincts and the need to care for a mate. Sadly, the only things the lone wolf can't give are the things the omega wants most—the security of a pack and a family of his own. Tom will never again submit to an autocratic alpha. But the pack who wants Henry silenced is too strong to handle alone. To save his precious golden-eyed mate and their unborn son, Tom must swallow his pride and seek the help of another alpha—Jake Kross of the St. Clair Pack. The epitome of everything Tom hated about his previous life... Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love

Salt Flats. Home to the most giving and generous shifter pack in Texas. Amidst the oil refineries, pump jacks and cattle yards of this small northwest Texas town, two shifters are looking for the love they lost a decade ago. A fiery alpha running from his present toward his past...Passionate, and quick-tempered, Dominic Tarrant wants to be the sweet, quietly strong man he knows he is deep inside. He says he's returned to his hometown after a ten-year absence on a whim, but the truth is he left L.A. in a panic after some shady financial deals. Beneath his cocky demeanor and domineering attitude, what Nic craves is a family and a second chance at true love. A widowed omega, torn between what was and what could be...After losing his husband, Christian Keller is drowning in kids and losing his mind. It's almost two years since Ernest died, leaving him with four cubs. Proud and stubborn, Christian won't reach out to his pack for help—even when he's on the verge of having to sell his childhood home. Sensitive and intelligent, he can't let go of the husband he lost, or the hurt he caused his first love all those years ago. A chance for redemption...On his first day back, Nic can't help flirting with the hottest guy he's seen. Suddenly, he realizes the object of his attention is Christian—his one true love and the reason for his exile ten years ago. Christian hopes for forgiveness and maybe a second chance. Can these two virile shifters finally reconnect and reignite their passion? Will they be able to trust each other before Nic's dark secret ruins it all? Run with a pack of endearing, quirky and sexy characters as they find themselves and the

connections they crave. Fated Desire is an exciting M/M, shifter, MPREG romance set in rural Texas where two fated mates get a second chance to turn from friends to lovers.

"I'd die for you..." As the "Princess" of the Steele Riders, Morgan Steele is untouchable. A mere tattoo artist isn't worthy of her, but Mick's going to do whatever he can to win her love. Morgan wants her man and is going to do whatever she can to get Ewan "Mick" McMann to claim her body and soul. With the glitz of the Las Vegas lights and men fighting for dominance, Mick can't hold back any longer. They believe the only thing standing in their way is the President of the Riders, but life has a way of shredding happiness. When a part of Morgan's recent past comes to collect on unfinished business...Mick gets to prove his actions speak louder than words.

Fifty Shades meets Pretty Woman in Tess Oliver's newest novel, Look Don't Touch. Laser focus. Ignore the pain. Win at all costs. My father's warped mantra and harsh rules conditioned me to have the discipline that got me to where I am today. But I've lost that control. I need to get my head back in the game or risk losing everything. Raised by a father who was as brilliant as he was insane, I learned from an early age that strength came from will power and self-denial. My life was about control and without control I had nothing. Then I saw her. I'd made the deal with Shay to prove that nothing could break me . . . but I was wrong. A sinfully sexy standalone novel.

One is accused. One is betrayed. One is a killer. Midwife-apprentice, Kyle's sheltered world is shattered when a patient's mate flies into a murderous rage and attacks him. Kyle is rescued by a handsome alpha visitor, but as attraction blazes between the two men, and they fall into each other's dreams, what starts as lust becomes something impossible. Kyle is a beta. He can't be an alpha's true mate. And yet, what else explains their connection? Pine Creek Lake alpha, Shadow isn't looking for his true mate when he stumbles across a beta being attacked in the middle of the night. But when a simple rescue reveals a chain of possible murders, Shadow must learn the truth about the man in his dreams before it's too late. Something is driving alphas in the Blackcreek pack to rage and die young. Is Kyle as ignorant as he pretends, or is he hiding a dangerous secret? As Kyle and Shadow work together to discover the truth, both men are forced to question their deepest assumptions about themselves and each other. Are they fated mates? Is Kyle living a lie? And when the truth is revealed, will Kyle have the courage to face it before Shadow suffers the same death as the others? Find out in Omega Shadow, Book 3 of the Pine Creek Lake Den series, an action-packed Mpreg romance with a happily ever after to melt your heart. Fast paced. Sexy. No Cliffhanger. The Joining is a rare gift, binding an alpha and omega for life. But when Kyle and Aidan are bound together, they wonder if destiny has gotten it right this time around. Kyle has always been a survivor. After losing his own pack at a young age, the orphan has managed to build a decent life for himself inside the Sept of the Green Isle. As apprentice to a quirky shaman, the reclusive omega has come to accept that he will probably always be a lone wolf. When Aidan, a decorated war hero, returns seeking new members

for his pack, the sept erupts with werewolves trying to get the handsome alpha's attention. Everyone, that is, except Kyle. But fate steps in with an unexpected surprise, and the stubborn omega and arrogant alpha will have to try and make peace with one another before it's too late! Bonded By Fate is the first book in the Hearts Desire series. With graphic details, passionate encounters, and sexy men, this gay shifter romance will have your own inner wolf howling at the moon! 18+ readers only please. Can be read as a standalone. Only one omega can give the king an heir needed to save his kingdom...and save himself... Wolf king Edric Rylan is forced to marry, not for love, but to avoid the destruction of his family's dynasty. A prophecy he doesn't entirely believe has forced his hand. Either he marries a werewolf from the Silvius bloodline and produces an heir, or his kingdom is finished. Edric rules the most powerful wolf kingdom in the U.S., and he's not about to watch everything he's built fall to pieces. But he faces big problems. First, the Silvius royal family was completely wiped out in his grandfather's era. Second, he's gay. That complicates things when it comes to the nitty-gritty of making an heir. Fortunately, an eccentric old wolf seer has found a solution: a male omega wolf named Julian Wilson—the offspring of a werewolf and a human—who can have a child. The omega is illegitimate, born on the wrong side of the sheets, and grew up around humans, but he has Silvius blood in his veins. Edric knows his duty. He must mate this omega and produce his heir to stop the prophecy...and then he'll decide whether to keep the omega or exile him back to the human world. But Julian is like no wolf he's ever met—not only hauntingly beautiful but unassuming, genuine...and kind. The omega is dangerous, but he's only a threat to Edric's rigid way of seeing the world...and to his heart. Julian Wilson feels like a nobody. He works the drive-thru window at a fast-food joint, struggling to pay for night classes at the community college. So when a limo rolls up and he's offered money to meet with a king, he's sure it's a scam or a joke. Then he loses his job. Desperate, he agrees to meet King Edric...and immediately regrets it. The alpha wolf is so handsome and sexy that Julian has to stop himself from drooling over a man who could star in his fantasies. When the king asks for Julian's hand in marriage to avoid a ruinous prophecy, he nearly falls over. Julian doesn't believe in prophecy, and this might turn out to be a loveless arranged marriage, but he's at the end of his rope. At least sex with Edric will be hot, Julian will live in a palace, and he can do more good in the world as mate to a king than he ever could alone. Julian knows his duty. He must give this king his heir, doing his best to protect the child he carries inside. Soon Julian is pregnant and discovers far more depth and passion to his mate than he first realized, even if the alpha doesn't like humans. Edric would be an easy man to fall in love with... But there are wolves within the royal court seeking to end the union of a king and a tainted-blood omega and will stop at nothing to rip their love apart. Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love

One is forsworn. One is forsaken. One will pay. Noah and Luther are in love. The problem, Luther is a beta, Noah is an omega, and their mating is forbidden. Worse, if Noah can't find an acceptable alpha in the next three days, he will have no choice but to mate with Raymond, an alpha he despises. Then Arthur arrives, and everything falls apart. Arthur is an alpha with a secret. He and his mother were betrayed, and both wear the mark of it. Now, Arthur will stop at nothing to make the alpha who cursed them pay.

Now, with revenge in his teeth, Arthur's own body betrays him. Twice. Will Arthur sacrifice love and happiness for vengeance? Or will he choose another path? Find out in Omega Challenge an action-packed Omegaverse romance. This is a short book set prior to the events of the other three books of the Pine Creek Lake series. If you love shifters, mmm menage, alpha, omega, and beta dynamics, adventure, magic, and a touch of mpreg, grab Omega Challenge now!

He's got it made - except that he's still reeling from a betrayal that cost him everything. Dom Van Heel is proud of what it means to be a SEAL, but when his platoon is assigned to babysit a Hollywood hot shot for PR, he's furious. Yet sparks and sheets fly when Kurt and Dom hit it off at a party, and neither realizes just how drastically their lives will change. When a baby is thrown into the mix, can the two men navigate these new and frightening waters? This 77,000-word gay mpreg romance is overflowing with hot and steamy scenes of romantic passion. Adults only!

Julien I'm a hit man, an assassin. A deviant by all accounts. I never pretended to be the good guy. She was the opposite. But the minute she pulled the curtains back and saw my face, watched me screwing the blonde who happened to be my next mark, she sealed her own fate. There could be no witnesses, ever. Imagine my surprise when I turned up to take care of her only to find two goons breaking down her door, weapons in hand. Turned out she had a price on her head. Her stepbrother wanted her and he wanted her alive. I'd never been one to pass up an opportunity to collect the kind of money he was offering, especially if I could have some fun while I was at it. It just never occurred to me she'd be anything more than my next mark. Mia "Curiosity killed the kitten." I'll never forget the look in his eyes when he said those words. When I watched them from the window, I didn't suspect for a moment that he'd seen me, that he was watching me back. Not while he was doing what he was doing to the woman on her knees before him. But then she turned up dead, and he turned up in my hotel room, waiting for me in the dark. I didn't think for one second him being there that night would save my life. I'd been on the run for two years, but my stepbrother had finally caught up with me. Or his two thugs had. Finding out I had a quarter-of-a-million dollar bounty on my head convinced Julien I was more valuable alive than dead. But to collect it would mean returning me to my stepbrother, who had sworn to make me pay for what I'd done. Julien was cruel. He was merciless. He scared the crap out of me. But there was something else, something he never wanted me to see. Inside, he was broken, like me. My stepbrother was wrong if he thought I'd ever let him get his hands on me again. I had no intention of allowing that to happen, even if it meant I'd have to sleep with the devil to survive. And I had no doubt Julien was the devil.

It's one thing to live the life you've always dreamed, but secrets have a way of ruining everything. Growing up rough has made Eli into the man (and wolf) he's always wanted to be. After a life on the streets in the hardest parts of the city, Eli's road to a place of respect in the community has been a rocky one, but one that he's proud of. Opening Wild Hearts Community Center with his best friend Hunter gave Eli a sense of purpose, and creating a space for youth growing up the same way he did has helped him carve out a slice of territory in the city and shelters the pack he calls family. But what makes it all worthwhile, is having Hunter by his

side. But what Hunter doesn't know, is that beneath years of friendship and camaraderie, Eli is hiding from something that could tear everything they've worked so hard to achieve to pieces. Unaware of his friend's deeply held secrets, Hunter is trying to live his own life, not knowing that every move he makes is breaking Eli's heart. Can Eli risk losing Hunter, and everything they've built together, or will he be strong enough to face his fears and reveal his heart. Either way, he'll have to defend everything he's built and hope that his heart won't be trampled along with his dreams. An Alpha's Heart is a steamy and growly m/m gay romance featuring hot shifter men working to better their community and live their own truth. This book contains adult language, sensual scenes of gay sex and is best enjoyed by readers over the age of 18.

I sit amongst the Presidents, Royalty, the Captains of Industry, and the wealthiest fucks in the world. After thousands of years, they're back...Awkward outcast omega Emery Jones isn't expecting to find anything more than adventure when he leaves his favorite hiking path and follows a strange series of markers through the woods... and he's certainly not expecting to come face to face with the most gorgeous man he's ever seen. He's instantly smitten, but there's one problem--his dream guy insists that he's a dragon prince from another time, and Emery is his fated mate! After thousands of years in stasis, Coryphaeus of Novis, the draconian Crown Prince, has been awakened by a kiss from his fated mate. But when the shy little omega denies his draconian heritage and tells Cory that dragons are nothing more than fairytales, Cory knows that the world isn't as he remembers it. The dragons that once ruled the world are gone. It's too bad the threat they previously faced hasn't gone extinct, too...Alpha Awakened is the first book in the Waking the Dragons series and features literally rock-hard hunks, a mom who knows way too much, a perilous threat that transcends time, and a HEA just as legendary as the dragons in it. This 52k book contains mpreg and is 18+ only... did you really expect anything less from Susi Hawke and Piper Scott? Let our dragons sweep you off your feet... and into the starry night skies of Eureka Springs!

An alpha claim. A possible heir. A Selkie prince whose mistake might just be what the fates intended. Zale, the third alpha-born son of King Solomon, is concerned. His youngest brother, Caol, has been spending time with an unbonded omega. Being a responsible alpha, Zale feels it's his duty to warn the omega Finn before he and Caol get into trouble. Especially since Finn had only been brought to the colony by their father in case his oldest brother's fated mate couldn't conceive. However, when Zale goes to Finn's quarters to have a word with him, he isn't expecting to discover what he does: the omega in the throes of oestrus and begging for an alpha's assistance. Finn has nowhere else to go. Not only unwanted by his own family, his previous alpha perished in a tragic accident. So for the past two years, the omega has relied on the King of the North's generosity, even if it means he may end up as a surrogate for one of the alpha-born princes. Or even worse, the king's sixth mate. But when the Prince Zale comes upon him during his heat, Finn demands relief from the alpha. Although afterward, has to live with the guilt. Now, he might not only be carrying the prince's son, he may have very well ruined Zale's chance to find his true fated mate... Note: A 58k-plus word m/m shifter mpreg story, this is the third book in the Royal Alpha series. Due to the "knotty" times in this book, it is recommended for mature readers only. While it can be read as a standalone, it's recommended to read the series in order. And, like all of my books, it has an HEA.

Pregnant and without an alpha, human omega Grayson must rely on his tenacity to provide for his unborn daughter. But when a fire claims his home and everything he's struggled to work for, rescue comes in an unexpected form: the alpha dragon Altair and his flight of firefighters

who reluctantly take Grayson into their custody. Altair's resentment of humanity is matched by a conflicting sense of duty to protect the town they share and all who call it home, human or dragon. He and his flight brothers have never had to deal with an omega before—let alone a human—and now they have one living under their roof! Everything Altair thought he knew about humans, omegas, and mates is called into question—and with Grayson's baby on the way, he's about to find out what it's like to be a daddy. *Daddy From Flames* is the first book in the *Dragon Firefighters* mpreg series. This book features dragon shifters, a human omega, firefighters, an industrial fantasy setting, pregnancy/birth, new dads, a cat, love healing wounds, action, fun, light drama, and, as always, a happily ever after.

Keller Thorne is a graduate of the school of hard knocks. Raised through the foster system, Kell expected his life to be anything but easy—but he never expected to be swept off his feet by a handsome alpha shifter. Sure, stranger things have happened...but why to him? Enter the illusive Johnny Oaks. A Brit living on Boston, Johnny has chosen the reclusive life of a werewolf practicing hedge magic. As a Child of the Moon, Johnny has split ways from the opposing magic faction—the witches. However, Johnny's childhood friend, Ash, is now on the witches' side, a betrayal he can never forget. Now an outcast, Johnny has fled to America where he inevitably catches scent of Kell. Meanwhile, an organization known as the Vigil is on the hunt to eliminate anyone who isn't human, putting both of their lives on the line. And Kell's their next target. Nothing could've prepared Kell for this strange new world of magic and shifters. Most importantly, he can't pry himself away from Johnny—an alpha who's taken a liking to his stubborn demeanor. But even with the world against them, Kell can't pull himself away from Johnny and his mysterious ways. Learning that he himself is a Child of the Moon, Kell now must embrace his role as the Windward. With his fate split between two factions—wolves and witches—Kell must decide if his fiery nature is enough to seek the right path. As for Johnny, resisting his alpha instincts might be too much to handle while Kell blooms into an omega. Escaping the Vigil is one thing—but keeping his hands off Kell is might be too much to ask. Enter a world of sensuality, intrigue and powerful shifters. *The Wizard Wolf*, is a standalone M/M romance in the breathtaking *WindWard Triad* series. Prepare for steamy love affairs that will leave your heart racing. 18+ only please.

A fierce alpha who gets everything he wants, and an omega who only wants to belong... Years ago, shifters and humans were driven from Detroit by a savage hybrid of hyena and reptile created in a government lab. The once-proud city is now in ruins, but Jacob Kross intends to change that. Jake is wealthy, powerful, and an alpha wolf shifter leading one of the largest packs in New Detroit. He is building an alliance to fulfill his late father's dream of reclaiming their territory. Only Jake has a problem. The other pack alphas demand that he produce an heir or lose his place as head of the shifter council. Jake grudgingly agrees, but he rejects any political betrothal to a female from the other packs. If he has to breed, he might as well do it with a male, the gender he prefers between the sheets. Besides, an omega—the result of a genetic shifter mutation that allows a male to carry a child—will guarantee him the heir he needs. Only he never counted on one vulnerable, wide-eyed omega stealing his way into Jake's guarded heart... Gavin is an omega wolf without a pack. He grew up on the streets of New Detroit as a homeless refugee. For him, life has always been a struggle made worse by his inherently submissive nature. So when a wealthy alpha suddenly promises him a huge amount of money to give birth to his heir, Gavin sets aside his reservations and signs the contract. Jacob Kross is just as dominant, fierce, and intense as he imagined. The alpha intends to breed Gavin the old-fashioned way, and that has him both terrified and excited. But as he comes to know Jake, it grows harder to avoid falling in love with the alpha whose ferocity and ambition hides a kind, generous heart. He knows that after he gives Jake an heir, the contract is over, and his time with the alpha is done. Gavin only wants a pack of his own and someone to love him, but politics and Jake's ambitions make that impossible...and time is running out. Reader note:

Percy No way was I going to marry someone just because my father said I had to. I was an adult. I could do what I wanted. But not according to my Alpha Father. Apparently, he'd meticulously arranged this marriage for me. I couldn't fathom why he would do such a thing. Curious about the alpha, I snuck up behind him. But he caught me. I ran as fast as my little legs could carry me, but in the end he had the endurance and I didn't. I feared this was the end. Jeff A wolf and a rabbit? Ha! That's a good one. I scoffed as my father informed me about my betrothed. This was a joke, right? I mean, I eat rabbits for breakfast and now you're telling me that I'd be mated to one? That was the best laugh I'd had in a long while. Then I saw my Alpha Father's dead-set eyes and I stopped laughing. Wait? This isn't some kind of twisted April Fool's joke? I was sure this was going to turn out terrible, but I went to the ball our parents set up. We were both from upper-crust society, so it was expected. I expected to have a nice dinner, maybe some dancing and then a nice, heart-to-heart talk with his Alpha Father where we could clear up this little...misunderstanding. What I didn't expect was for him and our babies to be kidnapped. This 15k word story contains an HEA, Mpreg, and babies at the end. Cute babies. Insufferable little tykes that get into all sorts of trouble.

An unexpected reunion offers an Alpha and Omega a second chance... Ten years ago, omega Alex Cary's fiancé broke his heart and left him with nothing. He's got a good career as a home chef, but he's lost his ability to trust. Alpha Sol Delaney loved Alex more than oxygen, but he was dependent on his father's money. When his father demanded he break things off with the foster kid from the Bronx, Sol had no choice. Ten years later, a freshly divorced Sol has returned to New York with his young son in tow. He wants Alex back, but it's not that easy: Sol's ex-husband and his mother in law are trying to drag Sol back, and there's no length to which they won't go. This intense 85,000-word omegaverse romance is overflowing with passion, drama, and of course, clothes-ripping sex. Hot and descriptive bedroom action makes this gay paranormal mpreg romance suitable for adults only!

"I will always love you, both in this life and the next. I vow to love you, honor you, and stay by your side through haunted houses, dead relatives, and random appearances of red croquet balls."Milo is a mild-mannered omega who just wants to save his Sweet Ballz, the candy shop he owns on Main St. in Hollydale. Someday maybe he will find an alpha as awesome as the book boyfriends he reads about in the popular books by his favorite author. But for now, Milo is content to be at home curled up with his favorite romance books.Rafe is a lonely alpha trying to juggle his writing career while settling into the gorgeous old manor he's just purchased in quaint Hollydale. He just wants to have a home of his own away from the craziness of his rich, socialite family. All Rafe wants is peace and quiet to secretly write his popular romance novels, and to maybe someday find a sweet omega to love like the ones he writes about every night.Rafe can't explain the odd happenings in his new home, or the strangely sweet little old lady who comes and goes, even when the doors are locked. Is he being gas-lighted or is there more going on? Rafe and Milo could be perfect for each other, if they can first overcome the red croquet balls that life keeps throwing at them.This is the first book of The Hollydale Omegas series. This book is 35k and most likely contains an HEA. 18+ readers only please! And yes, this book contains M/PREG, adults adulting in sexy grown-up ways, and way more than an occasional use of potty mouth language.

A Selkie prince forced to produce an heir. An omega destined to become a royal's fated mate...Prince Kai's life as he knows it is now over. As the firstborn alpha to the Selkie King of the North, he's required to produce an heir. Whether he wants to or not. When the Selkie Seekers finally present his fated mate, he dreads being tied to this stranger for the rest of his life. He can only hope his omega will be easy on the eyes and somewhat intelligent.Raised in a family of good breeding, Luca always knew it was possible he'd end up the mate for an alpha of nobility. Only to whom, he never knew. Every time the Seekers summoned him for the humiliating presentation ceremony to royalty of all

levels, he feared being stuck with some unbearable, abusive or very unattractive alpha. As an omega he doesn't have the choice to say no. Not only is it his obligation, it's the law. If he refuses, he and his family would become outcasts and banished from the Selkie community. However, as soon as Kai enters the Great Hall of the North, it's clear that the handsome prince is his alpha. Luca's pleased with the choice the fates made until the king demands that not only he become pregnant within six months but produce an alpha pup with his son, otherwise he'll be cast aside. And getting pregnant might be a problem... Note: A 56k word m/m shifter mpreg story, this is the first book in the Royal Alpha series. Due to the "knotty" times in this book, it is recommended for mature readers only. It can be read as a standalone and, of course, has an HEA.

A lonely omega. An ageing alpha. Valen's an alpha, too, and he wants them both. Sam Brentwood had everything... and he's lost it all. At eighteen, he left the love of his life. At nineteen, he miscarried Valen's baby. These days, Sam's hidden his heart away, working multiple jobs to afford a house. Valen Tolstoy has a secret-two, actually. One: he's never stopped missing his omega. Two: he's dating the station's second-in-command. Harris is two decades older than Valen, richer and better than Valen can possibly be. Sooner or later, Harris will realize Valen's not worth hanging around, and he'll leave. Ten years ago, Harrison Fields lost his family. Afraid of risking his heart with another omega, he's tumbled into bed with someone just as risky-his subordinate, the fire chief's son. But Valen is young, rough, and they don't always get along. So Harris hires a private instructor, hoping to tighten their relationship. To Valen's shock, the chef Harris hires... is the omega who left him, the only omega he's ever loved. Worse, Sam's in heat, and it flings Valen into a rut. When the embers from their steamy night cool, Sam discovers that he's pregnant with Valen's child. Afraid of a relationship, he tries backing away-only to find that the two alphas he met... won't let him go.

A SEAL with a secret. A backdrop of war and redemption. Omega Ben Michaud gave up his life of privilege when his fianc died. As a surgeon with the non-governmental organization Borderless, he travels between war zones patching up bodies torn apart by human cruelty. When he's taken hostage, he figures it's just one of the risks he accepted when he took the job. Alpha Navy SEAL Dave Hopper isn't impressed by guys who get taken hostage without a fight, nor by doctors who've had everything in life handed to them on a platter - no matter how beautiful. He definitely has no time for so-called "Hollywood royalty". A chance encounter has them admitting they might have more in common than they thought as cultures clash in SEAL of Trust. This tense and simmering 80,000-word omegaverse tale contains explicit scenes of alpha/omega gay paranormal romance. Adults only!

One is ruthless. One is deceived. One will win. An alpha of the Pine Creek Lake pack killed Devon's father. Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series--all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included:Alpha's Dream -- Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers unfold, you'll fall in love with this "super duo"... and their trio of superbabies. Omega Found -- A halfling omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny -- The twins of the super duo from book one, Peter and Parker have been having a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom -- Efficient Jun is an omega dom who isn't quite sure what to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, little red panda. Alpha's Charm -- This is an mmm. Cody, Ansh and Kontar have to try and stop the evil, unseeleie prince who has slipped into our realm and has plans of his own to take over the world--with the help of a vampiric monk. Omega's Mark -- May/December. Sweet, shy Dimi finds himself fated to mate the sexy Aussie alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal -- Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and

finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulting in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist gargoyles, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

Can an ex-soldier reclaim his love before their chance at happiness is gone? Even though he's an omega wolf, Luca Santiago has managed to turn himself into a wildly successful business tycoon, buying struggling hotels and making them profitable again. But things get complicated when a hotel he's trying to buy belongs to the family of alpha wolf Griffin Kent. Griffin won his heart years ago...before leaving him to join the military. He's the one man Luca has never been able to forget. Once again, Luca is helpless to resist Griffin's alpha charms. The wolf shifter effortlessly brings out all the omega traits Luca has hidden away to achieve success. Their passion blazes up from where they'd left off, but loving Griffin brings out all Luca's vulnerabilities again, and after a scorching-hot night together, everything in his life is about to change forever. After Griffin was wounded and honorably discharged from the military, he returned to his hometown to care for his ailing parents. Griffin is a different man now, struggling with his own demons and under pressure to conform to the burdens of an alpha. His father refuses to sell the family hotels because he wants his son to take over his legacy. Griffin doesn't want anything to do with the business. What he wants is Luca, and this time, he's going to keep him. But when Luca ends up pregnant with Griffin's child, he fears he's not ready to be a father because of his wounds and past mistakes. He's already lost Luca once, and it's looking as if his fears of being a bad father might be driving Luca away again. And this time, he's not sure his heart can take losing the omega he's come to love... Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male male love

A secret marriage, a secret baby, and a secret mate--will Owen and Caleb ever find out they are meant to be? Caleb My stepbrother, Owen, is a beautiful, young omega, and I'm going to make him mine. I never thought I would find my omega so close to home. When my mother married his father, Owen became my stepbrother. Now his father's scheming is keeping us apart. I won't allow that. Owen is mine. No one will have him but me. Owen So much has happened since my father married Caleb's mother. We're stepbrothers, but we're so much more. My life is so complicated now. A secret marriage and a secret baby don't make it any easier for me to figure out what I feel for this gorgeous, domineering alpha. Is this real? Could we be fated for each other, or will my father's threat of an arranged marriage keep me apart from my alpha, the man I love?

Both will betray the pack. Can they save each other? In the Louisiana bayou, the bond between alpha and omega burns hot and dangerous. Kevin was a beautiful contradiction of vulnerability and fury wrapped in pure sex appeal. It was all I could do to hold my wolf in check. If I pushed too hard, I'd lose. I couldn't afford to lose Kevin. Already, this omega had become precious. I hadn't come here to find a mate. That didn't matter. The omega was mine and I was his, whether we liked it or not. His name was Blaze, and Kevin was playing with fire. Our eyes met. It was just dinner. Blaze kept to the boundaries of our agreement, but I wanted more. I'd never felt this way about an alpha. Blaze was everything I wanted and everything I couldn't have. Alpha Blaze is an action-packed mpreg romance novel of 64,000 words with hot werewolf bikers, bad language, smutty-times, knotting, and men who get pregnant. Warning: this book contains a tough-as-nails omega struggling to overcome a painful past (incl. rape trauma and miscarriage) and a strong, sensitive alpha who will do anything to win his omega's heart. If you love your mpreg romance with a dollop of angst and a healthy helping of action, start reading Alpha Blaze today!

A Navy SEAL. A vigilante warrior. A bizarre alliance with lasting consequences. Mal has been fighting terrorism and fascism in Europe since

he was a child. It's a rough life, but he believes in his cause. He saves people every day, from terror attacks and worse. When he first encounters SEAL Team Twelve, they're an inconvenience - albeit a very attractive one. The next time he encounters them, they're in the same place, looking for the same crew. When Mal and his sister intervene to save the SEALs' lives, he's thrown into a mission from which there is no turning back. Trent's an Alpha Navy man, from a long line of Navy men. Being a SEAL, though, is a new honor in the Kelly family. Trent feels the honor keenly, and he's proud to serve on the only all-alpha platoon. He's attracted to Omega Mal when they meet, but he tries to keep his passions to himself - until they just can't keep their hands off one another anymore. Mal and Trent's superiors forge an uneasy alliance, throwing them back together for better or for worse. Just when Mal turns out to be pregnant, the SEALs are yanked home by internal politics. Will Mal and Trent's attempt to start a family together be doomed before it begins, or will they find a way back to each other? And what about the terrorist conspiracy they were supposed to be fighting? Hot and heavy passion meets sizzling action in this 100,000-word gay M/M mpreg romance novel, SEALing His Fate. Extra steamy scenes make this story suitable for adults only.

A hotshot lawyer desperate to start a family. A star baseball player who's been screwed out of his future. Ty Cunningham comes from old money, but he's never been content to live on privilege. He's the youngest partner in his firm, and the only omega partner. He's worked hard to get where he is, and he's proud of what he's accomplished. One thing is missing - a child to share it with. Carter Bowman has it all. Drop-dead looks, a fantastic career, and a baseball All Star. The one thing he doesn't have is money sense. When he falls prey to a scam artist posing as a financial advisor, he's close to broke. A buddy suggests he marry for money - Carter hadn't planned to get married until his career was over, but he's desperate. A contract with Ty seems like the ideal solution, but what happens when feelings and family get in the way? Sizzling, unmitigated passion. A spark of love. Tough decisions and moral dilemmas... this gay mpreg omegaverse tale has it all.

CODY Getting knocked up mid mission isn't the absolute worst way to torpedo your special forces career, I guess. But getting knocked up by my best friend - a freaking mafia prince - makes for a special kind of FUBAR military jargon just isn't equipped to handle. Life is about prioritizing what matters most and standing by those choices. I've never regretted mine. Parents said pick between being gay or being part of this family, I said see you later. My superiors said you can have a husband and kids or you can be the most badass omega special ops leader this army's ever seen, I said sign me up. The universe threw the beautiful and alluring ballet dancer Nikolai into my path and I picked friendship instead of the chance he might be the love of my life. I thought I was okay with that. That it wasn't settling. But now he's missing and I'm pregnant after a night of too much drinking and too few inhibitions and all I know is I can't do this without him. Not because I'm incapable. But because I've given up on too much without a fight. I won't make the same mistake again. NIKOLAI Some say the family you choose matters more than the family you're born with. Growing up in Russia, I drew comfort from that. I didn't have to be defined by people I had nothing in common with: the criminal enterprises, the abhorrent views on gay men and omegas in particular...so many things I was happy to leave behind when I left for a career dancing in New York. But now they want me back, as a puppet in schemes that have nothing to do with me or what I want. My only hope lies with my best friend Cody. It's not his capabilities I doubt. He's so much more than he realizes. No, it's that I don't know he'll even want to help me, once he realizes how much I've lied to him. How many secrets I've kept. But it's all out in the open now. It's time to face my past once and for all. Only then can I face my future. This 50,000 word standalone novel

about mafia men and mpreg will keep you on edge from start to its Happily Ever After. Sparks fly beneath the sheets while bullets fly in the streets, so be eighteen and older when reading!

An omega raised as a wealthy human in the lap of luxury... A Harley riding alpha who rules a pack of pot-growing wolves in a commune... what was fate thinking? Sky Blackwood is an omega wolf who's only ever lived a fabulous, all-too-human existence in the wilds of... Beverly Hills. A place where your best friend will smile in your face while stabbing you in the back if there's money or fame involved. His Gramps told him all about fated mates and the old-school shifters who still live in packs, but those were just stories. Until they aren't. Sold by his family, Sky's saved from the auctioneer's block by Devon-a sexy alpha wolf who looks like surfer Thor, drives an even sexier Harley, and smells like everything Sky never knew he wanted. If fated mates are real, what if all those other stories about packlife are as well? Sky feels like he's on the best adventure ever as he learns to live like a shifter. With Devon's help, he's ready to settle into the peaceful commune life. Only problem? Even paradise can be a camouflage for something darker. Having grown up among people who hid their evil behind friendly smiles and designer clothes, Sky soon realizes Devon needs help if they're to survive the unseen threat. He's not worried, he was taught to "handle people" from the cradle, a few hippies with criminal intentions shouldn't be too difficult, right? The pack's problems are easy to fix, but his real issue... not so much. What exactly is expected of an omega and how is he supposed to actually do it? Fortunately, his mate's brothers know a few omegas who are all too happy to help. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 78k full-length novel is Devon's story. Prepare yourself for a dual pregnancy, an omega discovering his power, and more giggles than are appropriate during violent scenes. But then again, this is a Susi Hawke book, so what else can you expect?

"As much as I felt bad for this Elisha person-God, my heart was breaking for the young man and all he'd been through-I was also angry. I'd left that pack in my rearview ten years ago for a good reason." Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in. Then Matt gets a call from an old childhood buddy. He's being called back-begged to return-to reclaim his birthright and save a life in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die. Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha Whitetail to tilt his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs? They're wolves. Strong, proud, and willing to do what it takes when their community needs them... whatever it takes. This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same heart you'd expect. Plus a dose of my irreverent humor and all the naughty, knotty heat that

comes with true mates. It wouldn't be a Susi Hawke book without it. Be sure to read the author's note at the beginning for possible trigger warnings.

Having decided to make omega rights activism his new career, Chad jumps in head first... though not everyone appreciates his efforts.***"Who is your alpha?" Peter asks, walking closer. Chad takes an involuntary step back, Peter's word infused with the full authority of his dominance. It feels like he can't breathe. "You are," Chad says, forcing the words out. Peter grins, proud and possessive. "And are you going to be good for your alpha?" Peter grabs Chad's chin, tilting his head up, squeezing Chad's cheeks as they stand chest to chest. Chad tries to nod, too overcome to speak, but Peter's hold on his chin prevents it. "Yes, alpha," he says, the words coming out like a moan. "Good boy." Chad closes his eyes, surrendering to Peter's control. It feels amazing, like he can finally let go and relax. Peter will catch him no matter how hard he falls...

A lustful young alpha meets his match in an older omega with a past. Professor Vale Aman has crafted a good life for himself. An unbonded omega in his mid-thirties, he's long since given up hope that he'll meet a compatible alpha, let alone his destined mate. He's fulfilled by his career, his poetry, his cat, and his friends. When Jason Sabel, a much younger alpha, imprints on Vale in a shocking and public way, longings are ignited that can't be ignored. Fighting their strong sexual urges, Jason and Vale must agree to contract with each other before they can consummate their passion. But for Vale, being with Jason means giving up his independence and placing his future in the hands of an untested alpha--as well as facing the scars of his own tumultuous past. He isn't sure it's worth it. But Jason isn't giving up his destined mate without a fight. This is a stand alone gay romance novel, 118,000 words, with a strong HFN ending, as well as a well-crafted, non-shifter omegaverse, with alphas, betas, omegas, male pregnancy, heat, and knotting. Content warning for pregnancy loss and aftermath.

He was a drug I couldn't kick. I'd overdosed on him before. It didn't turn out well. I was stupid enough to let him crack my heart, in hopes we would fall off the same cliff together. No matter how much my idiotic heart wanted to love him, my head knew better. He didn't choose me. He chose her. That's where the problem started. Maybe that's how it should end.
