How did menopause change from being a natural (and often welcome) end to a woman's childbearing years to a deficiency disease in need of medical and pharmacological intervention? By examining the history of menopause over the course of the twentieth century, Houck shows how the experience and representation of menopause has been profoundly influenced by biomedical developments and by changing roles for women and the changing definition of womanhood.

Savannah, Georgia: city of history, mystery, and more than a few ghosts, as well as four best friends who have never fit in anywhere except with each other. But everything is about to change as an unsolved murder from decades ago draws them close--and closer still--to four sexy bachelors with secrets of their own. . . Savannah When It Sizzles In the "new" old south, pedigree and money still mean plenty. . . especially when you have neither. P.I. Charlotte deShawn and her friends Prissy, BrieAnna, and Bebe know all too well what it's like to be on the outside looking in, having grown up with more questions than answers about the parents they each lost at an early age. For Charlotte, enduring condescending looks and whispers only made her more determined to ignore social standing. So why should it be a problem when wealthy hotel owner Griff Parish wants to hire her to find the missing heir to his family fortune? Just because their chemistry is hotter than Georgia in August doesn't mean she can't be a pro about this. After all, they travel in completely different circles--or they did until now. . . Griff's

Maddy is a hot single momma with attitude. She's only interested in a fake relationship, but I want her forever. I met Maddy when I pulled her out of a burning building. One minute I'm doing my job, the next there's a naked woman in my arms. Look, I'm a professional. I don't cross lines, but she's giving me every reason to. She's gorgeous and single. Jackpot. Except she wants nothing to do with me. All she wants is a fake boyfriend for a few weeks. Someone who'll go on dates with her, dote on her toddler, and treat her like the hottie she is. She's crazy if she thinks I'm pretending. I spend more time fantasizing about her curvy body than doing my damn job. I'm not going anywhere without her. She's mine-the only flame I will never extinguish.

Mary Beth Bonacci speaks to nearly 100,000 people every year. She speaks to Catholics across the country and around the world - about friendship, about relationships, about marriage, about God's plan for sexuality, and about finding real, honest love. And people speak back to her. They ask her questions - about sex, about dating, about healing after a shattered relationship, about marriage, about their struggles to live love. Their questions are real, specific and often very poignant. Now, for the first time, Mary Beth has published those questions - and her answers - in a comprehensive, readable guide which addresses the details of the very real struggle that people face in trying to live real love in a world gone mad. Through these questions and her answers, Mary Beth offers a comprehensive catechesis of the Church's teaching in the areas of marriage and human sexuality. She tackles the toughest issues - premarital sex, contraception, divorce, homosexuality, pornography and others. She gives practical advice on living the Church's teachings. She offers compassionate support for those who have stumbled. And throughout it all, she demonstrates that a living respect for God's gift of sexuality is the way - the only way - to find real, honest love.
