It is a method for effective self-expression because not all kids have mastered the power of words just yet. So pay close attention to how your child colors. BALTICA is ethnographic cahier of textile designs from the Baltic's. Knitting and needlepoint traditions are cherished and passed on for generations. Designs rich with ancient symbolism and blessings. In the old days - old ways, these would be passed on by watch and learn or the maker would have notebooks filled with them. Nowadays this beautiful ancestral knowledge and craftsmanship fades away. With that, it was just common sense to archive and preserve cultural heritage. There are six BALTICA's in folk art series. It is my hope that these cahiers or "notebooks" will serve their initial purpose for us as it did for our ancestors. BALTICA - Practical, beautiful and spiritual. Tune out from everyday noise and tune into more creative and peaceful you! Enjoy Baltic heritage through detail and color while relaxing. It's known that creative activities like coloring and crafting reduce stress, boost mental clarity and helps center oneself. Color & Make it! "Take it offline," "Let's get the ball rolling," "Ping me," and of course, "synergy." These are just some of the worst clichs that have come out of corporate America. It's a known fact that prolonged exposure to these office sayings can lead to increased eye-rolling, annoyance and strain of the facial muscles from too much fake smiling when hearing these from your manager. To combat this, we've created this corporate clichs adult coloring book as much needed stress therapy; a fun, passive-aggressive way to take out your angst against these ridiculous office sayings that have taken over your meetings, memos and emails from your company's higher ups. We've taken 19 of the most annoying corporate clichs and translated them into hilarious, literal translations that you can color and poke fun at. Most are even workplace friendly

so you can hang them on your wall without your manager giving you the stink eye (well, depending on where you work ... hmmm time for the disclaimer: we make no promises on whether you'll get the stink eye if you pin pages of this book to your office / cubicle wall, so you assume the risk on that!). \*\*\*Benefits\*\*\* -We've taken 19 of the most ridiculous corporate clichés that have ended up on top business publications' "must stop using list" and translated them into hilarious, literal representations. -5.5" x 8.5" (13.97 x 21.59 cm) similar to A5 padfolio size; perfect for purses, briefcases, backpacks. -The perfect birthday, stocking stuffer, white elephant, secret Santa, gift for a co-worker, friend or loved one who has to suffer thru these clichés on a daily basis. -Studies have shown that adult coloring books are perfect stress therapy. We even consulted with a few therapists who confirmed this. And let's face it, hearing corporate clichés over and over is not fun! But what is fun is poking fun at them in a passive-aggressive way that can relieve stress! -Unlike most coloring books, each illustration is a carefully crafted theme, tied to a specific cliché and not simply random patterns. -Coloring book images are only on one side of the page (we didn't double dip!). -But not to waste the space, we put some fun stuff on the reverse side of each page: a corporate-speak definition, fun trivia and a hashtag on so you can post pictures of your artwork on social media. -We even included a fun all-occasion gift checklist inside the cover so you don't have to buy a separate gift card. You can be cheap and environmentally friendly at the same time!

positivity and art into her everyday her life. What started as a personal practice turned into an incredible community of fans and followers. She describes her motivation for launching Art to Self: "I've always had two sides to me: if you asked me right now to describe myself, I'd say a lot of good things: I'm positive, caring, curious and joyful. But ask me in a not-so-good moment? I feel like an over-analytical, self-critical perfectionist. Every day I deal with that duality: one side of me that believes I can do anything versus the other side that's scared to do anything. Which is why my room is covered in sticky notes with quotes and doodles to remind me of my 'awesomeness.' I started Art to Self as a place where I could create what I loved every day, remind myself that I'm doing a good job in life and share my thoughts and art with the world." "I absolutely LOVE getting the Art to Self emails in my inbox every day and I was so excited to find out it'll be a book! This book is inspiring and helps start every day off perfectly. The messages are real and a wonderful daily reminder to be true to yourself. I can't wait for my hard copy to arrive so I can display it on my coffee table and have everyone that comes over see it!" - Elina L. "I signed up for the Art to Self daily emails as soon as they started and it has been the best gift I could give myself. Each day, I wake up with a sense of inspiration and joy thanks to Stephanie's beautiful art and moving words. I love the art so much that I took my favorite emails and turned them into an inspiration board that hangs over my desk. This book gives me the same sense of inspiration and joy as the emails but thankfully I get to see them in one place." - Shannon M.
