Part 2) Zim also provides a detailed daily nutrition guide you can choose to follow, telling you what to eat and when. There is also a 54-page recipe guide that covers healthy breakfast, lunch, dinner and dessert options. Would life be better without alcohol? It's the nagging question more and more of us are finding harder to ignore, whether we have a "problem" with alcohol or not. After all, we yoga. We green juice. We meditate. We self-care. And yet, come the

end of a long work day, the start of a weekend, an awkward social situation, we drink. One glass of wine turns into two turns into a bottle. In the face of how we care for ourselves otherwise, it's hard to avoid how alcohol really makes us feel... terrible. How different would our lives be if we stopped drinking on autopilot? If we stopped drinking altogether? Really different, it turns out. Really better. Frank, funny, and always judgment free, *Sober Curious* is a bold guide to choosing to live hangover-free, from Ruby Warrington, one of the leading voices of the new sobriety movement. Drawing on research, expert interviews, and personal narrative, *Sober Curious* is a radical take down of the myths that keep so many of us drinking. Inspiring, timely, and blame free, *Sober Curious* is both conversation starter and handbook—essential reading that empowers readers to transform their relationship with alcohol, so we can lead our most fulfilling lives.

Following the success of the bestselling *Clean Gut* and *Wheat Belly* comes this essential guide to improving digestive health from an expert in functional medicine—who reveals why everything that ails us, from fatigue to weight gain to bloating and bad skin, can be traced back to the gut, and shares his cleansing plan to help us reclaim our health. Dr. Vincent Pedre understands gut problems firsthand. He suffered from IBS for years before becoming an expert in functional medicine and learning how to heal his body from the inside. Dr. Pedre used his

own experience to develop The Gut C.A.R.E. Program—an approach that draws from both Western and Eastern methodologies, combining integrative and functional medicine—that has a proven success record in his private practice in New York. Now, for the first time, Dr. Pedre makes his revolutionary plan for health and wellness available to everyone. Happy Gut takes readers step-by-step through Gut C.A.R.E.—Cleanse, Activate, Restore, and Enhance—which eliminates food triggers, clears the gut of unfriendly pathogens, and replaces them with healthy probiotics and nutrients that repair and heal the gut. Rather than masking symptoms with medication, he shows us how to address the problem at its core to restore the gastrointestinal system to its proper functioning state. By fixing problems in the gut, followers of Dr. Pedre’s program have found that their other health woes are also cured and have lost weight, gained energy, and improved seemingly unrelated issues, such as seasonal allergies, in addition to eliminating their chronic muscle and abdominal pain. Complete with recipes and meal plans including gluten-free, low-fat, and vegetarian options, a 28-day gut cleanse, yoga postures to help digestion, and testimonials from many of his patients, Happy Gut will help you feel better and eliminate gut issues for life. The HELP Vegetarian Guide contains Kayla Itsines' 107 page clean eating plan including a full 14 day meal plan with recipes. Suitable for Vegetarians, Vegans

Showcasing three decades of Glamour's Women of the Year, this book is a record of the ceiling-shattering achievements that have reshaped our world, and a manual for success for the women of today—and tomorrow. For over 80 years, Glamour has been the preeminent female empowerment title in America. From Glamour's origin as the magazine "for the girl with a job" to today, strong, ambitious women have always taken center stage, and no place more so than at Glamour's annual Women of the Year Awards. Launched in 1990, the annual awards have become a 30-year living, breathing history, mapping out the evolution of women's power across the worlds of film, politics, sports, activism, and more. Many of the names are familiar. We've grown up with Billie Jean King, Madonna, Nora Ephron, and Ruth Bader Ginsburg. Titans of change like Michelle Obama and Malala Yousafzai have rocked our world in lasting ways. Stars such as Reese Witherspoon, Ava DuVernay, Julianne Moore, Lupita Nyong'o, and Ashley Graham have used their global influence to shift the needle in filmmaking, reproductive rights, criminal justice, and representation. Other names you may not know so well include women who have transformed the futures of school children in local communities, and teens who organized millions to fight against gun violence. *Glamour: 30 Years of Women Who Have Reshaped the World* touches on some of the most culturally important moments of our recent history. Additionally, it includes original content from Shonda Rhimes, Diane von Furstenberg, Arianna Huffington, and more to inspire future generations. Most importantly, the book offers inspiration and service,

reminding today's women and girls that, in the words of 2015 Women of the Year honoree Reese Witherspoon, ambition is not a dirty word.
