Willow Haven's content. Okay, that's a lie, but she has been trying her damndest. Trouble is, it never sticks. Second oldest in a family her town was named after, she's always felt the pressure. From the townspeople, from her sisters, but most of all from her daddy--the original Good Old Boy and Havenbrook's reigning mayor. The only time she didn't feel that stress had been those blissful months spent in the arms of the resident bad boy. The same one who broke her heart beyond repair when he left without a word. Life hasn't come easy for Finn Thomas. He's had to claw and fight for everything he's ever had--and truth be told, it hasn't been much. He spent the first eighteen years of his life living so far from the wrong side of the tracks, he couldn't even see them through his trailer window. The only thing that ever came easy for him and made his sorry ass happy was the one girl he loved with all his heart. And the one thing he had no choice but to leave behind. When an opportunity arises to return to his tiny, southern hometown and open the first bar in a formerly dry county, he jumps at the chance. That won't win him points with the mayor, who's hell bent on making Finn's life a nightmare for sullyng his namesake. But too bad for Mayor Haven, Finn's got his sights set on more than just the town, and this time he won't be scared off quite so easily.

GRACE: 1. Things I never thought would happen: 2. Meeting my boyfriend's secret

wife. 3. Finding out I'm pregnant with his baby. Having my best friend tell my family he's the father. FINN: Things I never thought would happen: 1. Becoming best friends with a woman the total opposite of me. 2. Pretending to be her baby daddy. 3. Falling in love with her. The more we fake it, the more we forget it's only temporary. If only we had known it would change everything.

A skill-building workbook designed to help youngsters improve their abilities with such elementary tools as scissors and glue provides incrementally challenging spreads that include instructions for pasting cut paper onto designated background sections.

Original.

A new standalone in the Twisted Fox Series! Lincoln: I went from a penthouse to sleeping in a prison cell. From the VP of a million-dollar empire to a felon. All for a crime I didn't commit. Now that I'm free, I vow to stay out of trouble. The only problem? She's trouble wrapped in a bow. Cassidy: My type? Bad boys. Until my bad boy boyfriend got me arrested. I've moved to a new town and sworn off relationships. Until I meet him ... my Prince Charming ... fresh out of prison. Trouble and bad boys never felt so good ... until it all falls apart.

The Fifth Edition of *A History of the Roman People* continues to provide a comprehensive analytical survey of Roman history from its prehistoric roots in Italy and the wider Mediterranean world to the dissolution of the Roman Empire in Late Antiquity in A.D. 600. Clearly organized and highly readable, the text's narrative of major political

and military events provides a chronological and conceptual framework for the social, economic, and cultural developments of the periods covered. Major topics are treated separately so that students can easily grasp key concepts and ideas.

A one-night stand with a single, widowed dad can change everything. “What the f*ck have I done?” aren’t the first words you want to hear after a one-night stand. Yet that’s what he gave me. Dallas Barnes is tall, dark, and handsome. He’s also scarred, rough, and broken down by burdens. A single dad. A widower. A lost soul. We found each other in the back of a dark pub. He brought the whiskey. I brought the bad decisions. He called it a mistake. I vowed never to speak to him again. That vow is broken with one test. Two pink lines have turned my life upside down. One night can change everything.

Someone should have warned me about falling in love with my best friend. Carolina Little did I know when Rex came to my locker attempting to bribe me, that he'd turn into my everything. We'd become best friends. I'd steal his heart. He'd steal mine. Nothing has changed in the years of our friendship. Not our connection, not our feelings, or that we still hold each other's hearts. But his heart isn't the only thing I've kept. The secret I'm hiding could shatter the only man I've ever loved. Rex I've loved Carolina since the day she called my bluff. Our friendship always came first. She believed in me when no one else did. I tucked away my feelings because I couldn't survive a life without her. We crossed the line once, and I swore it'd never happen again. As time passes, the harder it becomes to live up to that promise. Until finally, there's no holding back.

Mendoza the Jew combines a graphic history with primary documentation and contextual information to explore issues of nationalism, identity, culture, and historical methodology

through the life story of Daniel Mendoza. Mendoza was a poor Sephardic Jew from East London who became the boxing champion of Britain in 1789. As a Jew with limited means and a foreign-sounding name, Mendoza was an unlikely symbol of what many Britons considered to be their very own "national" sport.

What's the best way to get back at your cheating ex? Give every guy who hits on you his number. That's what I did when I met Silas. Little did I know, we'd see each other again. One run-in leads to another. One fake date leads to a friendship. That friendship leads to feelings. But everyone knows feelings and friendship doesn't mix. We're too much the same. It'd never work out. That changes when one of us asks for more. Everything falls apart. There's no going back. Can our friendship survive ... or will love destroy us?

A see yourself out note isn't how you want to celebrate the morning after your first one-night stand. The first time I meet Archer Callahan is when I block him in a parking spot. The second is a fender bender. The third is at a bar, drinking away our problems, and finding our way to his bed. I never expected to see him again. That changes when a month later, he's introduced as my brother's new business partner. In need of a job, I'm hired at their bar, much to Archer's dismay. We hate each other. We're off-limits. But every time we're together, flashbacks of that night shake through us. We push, we pull, until one of us breaks.

Every day, my neighbor tells me to have a good morning. Every day, I tell him to f*ck off. Kyle Lane is the town's hottest cop. He's also the man I've despised since high school. He's made it his life's mission to get under my skin. Each morning, he stands on his porch with an annoying smirk on his perfect face. Until one day, he's no longer on his porch, but on mine. He claims he wants to redeem himself for ruining my life. My instincts tell me to stay away, but with each

morning he shows up, it becomes harder and harder to resist his charm. He thinks he has me right where he wants me, but there's just one problem: you're not supposed to fall in love with your enemy. (An enemies to lover romance.)

The step-by-step format of this text quickly demystifies UNIX and gives users the skills needed to put UNIX to work immediately. Includes an overview of the system, basic system administration tasks, basic UNIX programming, and more.

"OMG!! I have never laughed so hard one second and been on the edge of my seat the next, with any other book!" - Fun Under The Covers Jane West's life is perfectly average. Perfectly boring. Until Ty Strickland—Grade-A, smoking hot firefighter—moves in down the street. Then things get a little exciting, and not in the good, panty-melting sort of way. Not only does someone want her dead (seriously), she has to wrangle her out-of-control desires where the new neighbor is concerned, and convince her boss at the small town's only adult toy store—who meddles in Jane's love life—to leave the new hose-wielding hottie off her matchmaking radar. But it's not all chaos and pancakes. There's Ty. And his smoking hot body. Smoking hot kisses. He's burning the walls around her heart to nothing but ash. And she just might be falling in love...if she can stay alive long enough. The first book in Vanessa Vale's new Small Town Romance series, where the men in Montana aren't just hot, they set things on fire. This book was previously published.

Four haunting images by one of the 20th century's most original artists, adapted as tattoo art: Self-Portrait with Monkeys, Diego and I, The Little Deer, and Self-Portrait with Collar of Thorns. Mona Lisa, a Monere woman, is drawn to Dante, the warrior son of a healer, who had been

cursed by a high priestess to endure a never-ending cycle of life and death and who wants nothing more than to die at Mona Lisa's hands.

Math 1 B

Written with the cooperation of Liam Howlett, this biography of The Prodigy charts their rise from Essex ravers to festival headliners and international stars.

A Hollywood princess mixing business and pleasure with her hot new bodyguard is a headline I'll gladly live up to. Stella The only thing worse than a messy breakup, is a very public messy breakup. After the fallout I made myself a promise— no more dating. The moment my new bodyguard walks through the door, I know I'm going to break that vow. Hudson is nothing like the men in the industry. He's rugged and real. Too bad he doesn't want to spend a second longer with me than he has to. I'm just a job to him. But he could be my everything. Hudson I want nothing to do with the Hollywood limelight. I've survived enough without having my face plastered on gossip magazines. It's no way to live. But as long as I'm standing beside her, it's my life. For now. This job is temporary, a favor to my brother. But longer we're forced to be together, the harder it becomes to fight my feelings for Stella. The real her. Not the person the rest of the world sees. When she makes me an offer to be with her— no strings, how can I say no? **NOTE: Just Her Bodyguard was previously titled as Make Me Yours.

I don't want him. I can't do this. That's what my ex said after our son was born, leaving me a single dad. These days, my world consists of two things: Noah and my bar. Until her—the woman I want —but can never have. My ex's sister wasn't supposed to be stirred into the mix. Even though I try to push her away, my son falls in love with her. As much as I want to keep my distance, I can't break his heart. Lines become blurred, and fighting our attraction

becomes nearly impossible. Even though we know it's wrong, desire doesn't always fade away. As soon as we cross that line, nothing will be the same and everything will fall apart. And it does.

Interviews describe ghetto life

Presenting more than two hundred of the greatest haiku ever written about the game. There are moments in every baseball game that make fans catch their breath: the pause while a pitcher looks in for the sign, the moment a cocksure rookie gets picked off first, or the instant a batter lashes a game-winning homer into the night sky, just before the sell-out crowd explodes onto its feet. Haiku captures these moments like no other poetic form, and *Baseball Haiku* captures the sights, the sounds, the smells, and the emotions of the game like no previous collection. Some of the most important haiku poets of both America and Japan are featured in this anthology; including Jack Kerouac, a longtime baseball fan who pioneered English-language haiku; Alan Pizzarelli, one of the top American haiku and senryu poets of the last thirty years; and Masaoka Shiki, one of the four great pillars of Japanese haiku—a towering figure—who was instrumental in popularizing baseball in Japan during the 1890s. With over two hundred poems spanning more than a century of ball playing, *Baseball Haiku* reveals the intricate ways in which this enduring and indelible sport—which is played on a field, under an open sky—has always been linked to nature and the seasons. And just as a haiku happens in a timeless now, so too does *Baseball Haiku* evoke those unforgettable images that capture the actions and atmospheres of the national pastime: each poem resonates like the lonely sound of cleats echoing in the tunnel as a grizzled veteran leaves his final game. The largest collection of haiku and senryu on baseball ever assembled, *Baseball Haiku* is an extraordinary

treasure for any true baseball fan.

The first time I meet Maliki Bridges, I'm eighteen, and he kicks me out of his bar. Two years later, he does it again. He's the town's hottest bartender. He thinks I'm a spoiled rich girl. I think he has a stick up his ass. Once I'm old enough to drink, we become friends. Nothing more... Until we become roommates. It's a bad idea, moving in with him, but any opportunity I get to be around him I'll take. Consequences be damned.

“Wonderfully, in Akashic’s Oakland Noir, the stereotypes about the city suffer the fate of your average noir character—they die brutally.” —San Francisco Chronicle In the wake of San Francisco Noir, Los Angeles Noir, and Orange County Noir—all popular volumes in the Akashic Noir Series—comes the latest California installment, Oakland Noir. Masterfully curated by Jerry Thompson and Eddie Muller (the “Czar of Noir”), this volume will shock, titillate, provoke, and entertain. The diverse cast of talented contributors will not disappoint. Oakland Noir offers stories by Nick Petrolakis, Kim Addonizio, Keenan Norris, Keri Miki-Lani Schroeder, Katie Gilmartin, Dorothy Lazard, Harry Louis Williams II, Carolyn Alexander, Phil Canalin, Judy Juanita, Jamie DeWolf, Nayomi Munaweera, Mahmud Rahman, Tom McElravey, Joe Loya, and Eddie Muller. “From the Oakland hills to the heart of downtown, each story brings Oakland to life.” —San Jose Mercury News “Oakland is a natural for the series, with its shadowy crimes and disgruntled cops.” —Zoom Street Magazine “San Francisco’s grittier next-door neighbor gets her day in the sun in 16 new stories in this tightly curated entry in Akashic’s Noir series. The hardscrabble streets of Oakland offer crime aplenty . . . Thompson and Muller have taken such pains to choose stories highlighting Oakland’s diversity and history that the result is a volume rich in local culture as well as crime.” —Kirkus Reviews

Trees Up Close offers an intimate, revealing look at the beauty of leaves, flowers, cones, fruits, seeds, buds, bark, and twigs of the most common trees. With more than 200 dazzling photos, you will be amazed by the otherworldly beauty of the acorns from a sawtooth oak, enchanted by the immature fruits of a red maple, and dazzled by the delicate emerging flowers of the American elm.
