Home-management experts and authors Emilie Barnes and Sheri Torelli spruce up this classic by adding newly updated material and an eye-catching cover. For more than 25 years, Emilie and Sheri have conducted time-management seminars and taken the opportunity to listen to the thousands of attending women express their hearts' desires—to find more hours each day for what really matters most: family, home, and quality of life. This book is their response. Here's a thorough collection of those time-tested answers to every woman's dilemma... Establish simple systems that save time and money and gain peace of mind Organize the home's problem areas—kitchen cupboards, crowded closets, home offices, and more Reclaim precious time for family and friends Filled with inspiration, encouragement, and tried-and-true tips, this book is a must-have for every woman!

Mama of ten Abbie Halberstadt helps women humbly and gracefully rise to the high calling of motherhood without settling for mediocrity or losing their minds in the process. Motherhood is a challenge. Unfortunately, our worldly culture offers moms little in the way of real help. Moms only connect to celebrate surviving another day and to share in their misery rather than rejoice in what God has done and to build each other up in hard times. There has to be a better way, a biblical way, for moms to grow and thrive. As a daughter of Christ, you have been called to be more than an average mom. Attaining excellence doesn't have to be unsettling but it will take committed focus and a desire to parent well according to God's grace and for His glory. M is for Mama offers advice, encouragement, and scripturally sound strategies seasoned with a little bit of humor to help you embrace the challenge of biblical motherhood and raise your children with love and wisdom. Mama, you are worthy of the awesome responsibility God has given you. Now it's time to start believing you can live up to it.

Why buy it when you can make it? From smoked bacon and dill pickles to your own home-brewed ale, trust the test kitchen experts to guide you through more than 100 foolproof kitchen projects. Pantry Staples For the freshest, best results, make your own ketchup, hot sauce, and vanilla extract. For the adventurous, there's sriracha, harissa, and wine vinegar. Jams and Jellies Preserve the seasons with orange marmalade, strawberry jam, and apple butter, while wine jelly and bacon jam are great year-round options. Pickled Favorites Get your pickle fix with classics like bread-and-butters and sour dills, plus test kitchen favorites like dilly beans, giardiniera, and kimchi. The Dairy Best Making fresh cheeses like ricotta and goat cheese, churning butter, preparing yogurt, and even making soy milk (for tofu) are simpler than you think. Charcuterie at home From artisanal pancetta, prosciutto, pâtés, and terrines to everyday favorites like bacon, chorizo, and beef jerky, our recipes have the carnivore covered. Snacks and Sweets Make store-bought favorites like rich buttery crackers, marshmallows, and graham crackers fresher and better. Or take the fancier route with lavash crackers, grissini, salted caramels, and chocolate-hazelnut spread. Beverages Stock your fridge with root beer, ginger beer, and cold-brew coffee. Stock your bar with sweet vermouth, cocktail bitters, and tonic water. Plus, our IPA beer recipe is ideal for first-time home brewers.

Declutter Your Home, Declutter Your Life Organize your life: Do you dream of getting organized, but have no idea where to start? Cluttered Mess to Organized Success: A Real Life Approach to Decluttering and Tidying-up your Home and Life offers you everything you need to organize your home, family and your time. This book not only provides helpful tips and advice, but it is jam packed with over 100 worksheets, forms, labels, schedules and everything else you need to organize your life. Declutter your way to happiness: Cassandra Aarssen is a Professional Organizer and creator of the successful blog and YouTube channel, ClutterBug. After struggling for years with chaos and clutter, Cassandra transformed her home and her life through organization. She now shares her favorite organizing tips, tricks and secrets in order to help others declutter their way to happiness. Cassandra's debut book, Real Life Organizing has been inspiring families from all over the world to get control of their clutter and fall in love with their home all over again. Chronicles the ripples caused by a former GI Dawson's decision, from when he made it in 1942 to the present day and the story of an 18-year-old's discovery of Nietzsche. From the author of the ground-breaking and landmark books e-shock 2000, Strategy in Crisis and Streamlining, comes this breakthrough new work looking at the future of the digital age. It examines how the rapidly developing technology revolution is changing the way business must operate in this unfolding 21st century. It also considers the impact on people and how our daily lives and life styles will change...for ever. In particular there's a blueprint and roadmap showing how companies can navigate their way through the rapidly changing environment and still emerge as winners. Everything we are used to is changing. Our computer world of point and click is morphing into Think, Talk and Move, where just thought, voice and simple remote gestures will control 3D holographic displays of data, content and video. Companies will need to reinvent themselves as MCEs, "multi-channel enterprises", in which there is seamless cross-channel interaction with customers and they will also need to change the way their operating systems and processes are organized. The shift of consumer spend to online will see traditional retailing under threat as high street bricks 'n mortar economics are undermined. Expect massive changes among retailers and also the commercial property companies as they restructure their portfolios. New advances in the Cloud will cut costs and time to market and challenge decades of IT infrastructure. Technology generally is now becoming the key source of enablement and competitive advantage.

Shares hundreds of strategies, fast fixes, and trouble-shooting tips for organizing living spaces and controlling clutter, in a guide that counsels readers on how to identify objects that are truly loved and needed while preventing vulnerable areas from becoming problems. In Sink Reflections, Marla Cilley -- the FlyLady -- helped hundreds of thousands of her fans combat overwhelming household C.H.A.O.S. (Can't Have Anyone Over Syndrome). Taking a "baby-steps" approach, she offered little chores to do every day, to wipe out clutter and feelings of inadequacy. Now, in Body Clutter, the FlyLady and Leanne Ely, the Dinner Diva and creator of the Saving Dinner series, team up to teach readers how to handle and erase the clutter they carry on their bodies and minds when it comes to body image. The FlyLady and Leanne say that it's not about finding the perfect diet, it's about the way you feel about food and your body and understanding sound nutrition. With warm voices, unique lingo, and no preaching, they apply a step-by-step technique, coaching the readers from beginning to end and sharing their own success stories along the way. Do you want to jump start your connection with joy in a mindful and meaningful way? Living in a turbulent and stressful time has left many of us feeling unhinged and overwhelmed. The pandemic and events of 2020 have changed nearly every aspect of our lives, and we are living in a time that feels vastly different than where we were at the end of 2019. This is truly a "Messy Middle," and it has left many of us feeling frazzled and detached from our purpose and our joy. Enter: A mindful approach to building joy, connection, and fulfillment into your life, starting right now. This tiny book is chock full of the inspiration, intention, and actionable steps that you can take to bring more joy into your every day. Inspired by the podcast of the same name, you'll learn how to navigate the messy middle of difficult situations and hard times. Life lessons on how to reconnect with your joy are gleaned from conversations with both rock stars and candlestick makers; all curated by one rebellious podcaster with a big heart. "Joy is not something that simply happens to us. Joy is a choice and we must keep choosing it." - Henri Nouwen

kira-kira (kee' ra kee' ra): glittering; shining Glittering. That's how Katie Takeshima's sister, Lynn, makes everything seem. The sky is kira-kira because its color is deep but see-through at the same time. The sea is kira-kira for the same reason. And so are people's eyes. When Katie and her family move from a Japanese community in Iowa to the Deep South of Georgia, it's Lynn who explains to her why people stop them on the street to stare. And it's Lynn who, with her special way of viewing the world, teaches Katie to look beyond tomorrow. But when Lynn becomes desperately ill, and the whole family begins to fall apart, it is up to Katie to find a way to remind them all that there is always something glittering -- kira-kira -- in the future. Luminous in its persistence of love and hope, Kira-Kira is Cynthia Kadohata's stunning debut in middle-grade fiction.

Want more time to work on important goals? Need to build a specific habit? Struggling to change your life? Imagine what life would be like if you started every morning with small actions that created a chain reaction of positive benefits throughout your life. You eat a healthy breakfast, have a great conversation with your loved ones, and then begin your workday focusing on the important tasks. Then, throughout the day, you complete other habits that positively impact your top goals. I guarantee you'd feel more fulfilled, get more accomplished, and have a better direction for your career. All of this is possible when you add DOZENS of small changes to your daily routine. These habits don't require much effort. In fact... Most of These Habits ONLY Take Five Minutes or Less to Complete And all this can be done when you follow a strategy known as "Habit Stacking (tm)." One Routine + Multiple Habits = Habit Stacking We all know it's not easy to add multiple new habits to your day. But what you might not realize is it's fairly easy to build a single new routine. The essence of habit stacking is to take a series of small changes and create a ritual that you follow on a daily basis. Habit stacking works because you eliminate the stress of trying to change too many things at once. Your goal is to simply focus on a single routine that only takes about 15 to 30 minutes to complete. Within this routine is a series of actions (or small changes). All you have to do is to create a checklist and follow it every single day. DOWNLOAD: Habit Stacking - 127 Small Changes to Improve Your Health, Wealth, and Happiness In this completely updated version of Habit Stacking you will discover: A list of 127 small actions, with specific instructions (and resources) on how to make these changes. How to build habits around important goal areas like your career, health, finances, and relationships. 13 steps to turn small, positive habits into a simple-to-complete sequence. The three types of habits you need to build (and why each is important). 9 example routines that can skyrocket your success with productivity, weight loss, physical fitness, and energy in the morning. 6 challenges people experience when building habits -- and how to overcome them! PLUS, You'll Also Get Free Instant Access to a Free Companion Website Full of Bonus Downloads, Checklists, and Videos to Help with Your Habit Stacking Efforts. It is possible to add multiple changes to your life all at once. All you need to do is to add a habit stacking routine to your day. New York Times bestselling author, Big Sister Emeritus, and Chief BFF Jen Hatmaker returns with another round of hilarious tales, shameless honesty, and hope for the woman who has forgotten her moxie. In this highly anticipated new book, beloved author Jen Hatmaker parlays her own triumphs and tragedies into a sigh of relief for all normal, fierce women everywhere. Whether it's the time she drove to the wrong city for a fourth-grade field trip ("Why are we in San Antonio?") or the way she learned to forgive (God was super clear: Pray for this person every day, which was the meanest thing He ever said to me. I was furious.), she offers a reminder to those of us who sometimes hide in the car eating crackers that we do have the moxie to get back up and get back out. We can choose to live undaunted "in the moment" no matter what the moments hold, and lead vibrant, courageous, grace-filled lives.

Helps busy women manage their lives and priorities, from keeping the household in order to keeping the in-box clear, by combining an practical planner with a how-to organizing system providing daily, weekly, monthly and seasonal to-do lists. Original.

DISCOVER:: How to Add DOZENS of Positive Changes to Your Daily Routine Want to improve your life, but don't have enough time? Right now you could easily think of a dozen

ways to instantly improve your life. Odds are, these ideas will only take a few minutes apiece to complete. The problem? You might feel like there's not enough time to do all of them. One solution can be found using the power of "habit stacking." One Routine + Multiple Habits = Habit Stacking We all know it's not easy to add dozens of new habits to your day. But what you might not realize is it's fairly easy to build a single new routine. The essence of habit stacking is to take a series of small changes (like eating a piece of fruit or sending a loving text message to your significant other) and build a ritual that you follow on a daily basis. Habit stacking works because you eliminate the stress of trying to change too many things at once. Your goal is to simply focus on a single routine that only takes about 15 to 30 minutes to complete. Within this routine is a series of actions (or small changes). All you have to do is to create a checklist and follow it every single day. That's the essence of habit stacking. LEARN: 97 Small Habits that Can Change Your Life In the book "Habit Stacking: 97 Small Life Changes That Take Five Minutes Or Less," you will discover 97 quick habits that can instantly improve your life. Plus you'll discover how to create a simple routine (managed by a checklist) that you repeat on a daily basis. Even better, you'll discover a few tools that will keep you motivated and consistent. So even if you're completely stressed out, you'll still find the time and energy to complete these actions on a consistent basis. By completing dozens of small habits on a daily basis, you'll be able to make giant leaps forward in your business, strengthen your personal relationships, stay on top of your finances, get organized and improve your health. Weight Loss Mastery provides five actionable habits you can use to lose a drastic amount of weight and keep it off. What you will learn in this book is how to focus on building small habits into your life that have a positive and compounding effect. These tiny, "one percent" changes might seem like nothing at first, but over time they have a powerful snowball effect.

Prioritizing your time and your life, you'll be able to manage a bustling home in a way that honors God and builds up family relationships. By following the clear model of Proverbs 31:10, and adapting the characteristics that make up a faithful homekeeper, you too can become an "Excellent Wife."

A houseful of clutter may not be the only reason people pack on extra pounds, but research proves that it plays a big role. A recent study showed that people with supercluttered homes were 77 percent more likely to be overweight or obese! Why? Author Peter Walsh thinks it's because people can't make their best choices--their healthiest choices--in a cluttered, messy, disorganized home. In Lose the Clutter, Lose the Weight, organizing guru Walsh comes to the rescue with a simple 6-week plan to help readers: • Clear their homes of excess "stuff" as they discover their vision for their personal space • Clear their bodies of excess pounds as they follow a healthy, supersimple eating and exercise plan • Clear their minds and spirits of the excess weight of too many possessions All the pieces are connected--and Walsh weaves them together for a 6-week program that leads readers step-by-step through decluttering their homes, their bodies, and their lives. Rodale took the program for a testdrive with two dozen volunteers who followed his plan. All reported great results--from significant weight loss to calmer minds and more organized, happier, and more efficient lives. With a room-by room organizing guide, plus supersimple recipes and an easy exercise plan, Lose the Clutter, Lose the Weight is the only book to help readers clear the clutter while they zap the pounds all at the same time. Why is it that even the most disorganised person never seems to lose their toothbrush? How can this simple fact solve all our clutter problems? The Toothbrush Principle is a simple yet inspired approach to de-cluttering your home. Whether you live in a mansion or a bedsit, this book will show you how to: organise according to the unconscious blueprint that naturally tidy people have, so that getting and staying organised is easy; know what to throw away with confidence; set up your wardrobe so you get much more use out of the clothes you have; work from home productively in a clear, designated space; tame your inbox! Step-by-step, room-by-room, you'll soon find that you hardly ever lose things, massive clear outs become a thing of the past and you never spend more than 10 minutes a day tidying up. So stop drowning in piles of clutter, learn how to be organised and start creating space to live out the life of your dreams!

Provides a sensible approach to regular home maintenance. It's a small commitment with a big payoff: spending a few minutes each week helps you avoid long-term preventable problems such as water damage, pests, and air infiltration that can cost you money now and even more money in the future. You'll learn the latest energy saving products, tips, and techniques to put money in your pocket right now. And you'll be able to spend the money you save on that coveted man cave, kitchen remodel, or a brand new home. -- Adapted from Page [4] cover.

When their five-year-old son fought for his life, business leaders Erica and Mike Schultz learned a new way to live, work, and succeed—discovering how to achieve extreme productivity with heart and purpose. Ari Schultz was an extraordinary baby, beginning life in a pitched battle against heart disease. The same year, his parents launched their business, and they had to keep it going strong, even while living full-time at the hospital for months on end. For the next five years, Erica and Mike Schultz learned how to balance the demands of their jobs, commuting to the hospital, and spending time with their growing family—along the way, noting the tricks and techniques that allowed them to

get work done, even while living in the cardiac ICU and later through heartbreaking loss. After reflection and recovery, Mike and Erica codified their method of coping and working, and set out to study the work habits of extremely productive people. They discovered what extremely productive people do differently than everyone else, and went on to create The Productivity Code—a new approach to productivity that has helped tens of thousands of people manage their time for greatest effectiveness, fulfillment, and happiness. Now, Erica and Mike reveal the 9 Habits of Extreme Productivity along with easy-to-apply techniques, including: • How to stay focused—and positive—even in difficult times • Clearly defining your motivations through written goals and four-three-four planning • Helpful hacks to stop procrastinating • How to disrupt unproductive thought cycles and break bad habits for good • Changing your mindset to prioritize time doing things you love • Setting boundaries and saying no to tasks that don't serve you • Tricks to become impossible to distract • Working in powerful planned "sprints" to get in the zone • Finding ways to refuel your mental and physical energy • Resetting and correcting when you've gone off course Interweaving their son's poignant story with effective productivity and happiness strategies, Not Today shows how anyone can better manage their time—while living a more energetic and meaningful life.

A complete yearlong course in clearing yourself of excess stress and stuff, this book features short contemplations, personal stories, tools, tips, one-minute practices, guided meditations, and wonderful questions to help readers create spaciousness in their lives. Stephanie Bennett Vogt will teach you how to unplug, detach, and clear to create more space and serenity in your life, what she describes as "the sacred process of removing clutter from both your house and your mind." Included are 365 daily lessons organized into 52 weekly segments, with each lesson building on the others to develop one's clearing

muscle and grow new habits that will last a lifetime. The week usually begins with a personal story to introduce the theme and ends on the 7th day with a “Check In” to review and integrate the experience. Sprinkled throughout are meditations, Q&As, and testimonials. At the end of each lesson the author gives the reader an opportunity to “explore” a topic with several open-ended statements designed to bypass the thinking mind and open the channels to one’s highest wisdom. Weekly themes covered include: Moving Stuck EnergyConnecting with HomeBeing EnoughShining Light on Invisible ClutterLiving ImperfectlyWaiting It OutCultivating StillnessForgivingFlourishing
