

## Keystone Crossbreed Series Book 1

After a long time of neglect, Artificial Intelligence is once again at the center of most of our political, economic, and socio-cultural debates. Recent advances in the field of Artificial Neural Networks have led to a renaissance of dystopian and utopian speculations on an AI-rendered future. Algorithmic technologies are deployed for identifying potential terrorists through vast surveillance networks, for producing sentencing guidelines and recidivism risk profiles in criminal justice systems, for demographic and psychographic targeting of bodies for advertising or propaganda, and more generally for automating the analysis of language, text, and images. Against this background, the aim of this book is to discuss the heterogeneous conditions, implications, and effects of modern AI and Internet technologies in terms of their political dimension: What does it mean to critically investigate efforts of net politics in the age of machine learning algorithms?

The epic Vampire Empire trilogy rushes to a heart-wrenching conclusion of honor and love, hatred and vengeance, sacrifice and loss. A war to the death. Empress Adele has launched a grand crusade against the vampire clans of the north. Prince Gareth, the vampire lord of Scotland, serves the Equatorian cause, fighting in the bloody trenches of France in his guise as the dashing Greyfriar. But the human armies are pinned down, battered by harsh weather and merciless attacks from vampire packs. To even the odds, Adele unleashes the power of her geomancy, a fearsome weapon capable of slaughtering vampires in vast numbers. However, the power she expends threatens her own life even as she questions the morality of such a weapon. As the war turns ever bloodier and Adele is threatened by betrayal, Gareth faces a terrible choice. Their only hope is a desperate strike against the lord of the vampire clans--Gareth's brother, Cesare. It is a gamble that could win the war or signal the final days of the Greyfriar. From the Trade Paperback edition.

A thrilling new paranormal romance series by USA Today Bestselling author Dannika Dark! Sometimes a wolf has to stand alone to find out what he's made of. Blood prophet Meg Corbyn, who can see the future when her skin is cut, escapes enslavement by her Controller and teams up with shape-shifter Simon Wolfgang, who employs her as a Human Liaison.

The vegetarian diet is praised for being sustainable and animal-friendly, but after 20 years of being a vegan, Lierre Keith has changed her opinion. Contravening popular opinion, she bravely argues that agriculture is a relentless assault against the planet. In service to annual grains, humans have devastated prairies and forests, driven countless species extinct, altered the climate, and destroyed the topsoil - the basis of growth and life itself.

"For you, I'll wait an eternity." Despite the spoils of a solid relationship and an idyllic life at Keystone, Raven is itching for the thrill of another big case. Things begin to heat up when a dangerous assignment falls in her lap. Searching for the mastermind behind an illegal fighting ring is no easy feat, but as the weeks roll by, Raven's undercover job begins to take an unexpected emotional toll. It's a deadly mission, and if she's not careful, she could lose everything. The stakes are high in this powerful new installment of the USA Today bestselling Crossbreed series.

Evil forces are at play in this spellbinding continuation of the USA Today bestselling Crossbreed series. Transporting goods is part of the job, but when Keystone accepts the daunting task of moving precious cargo, the team splits up. Raven has orders to follow, but Christian's seductive ways draw out her violent soul. Their journey is dangerous, their enemies ruthless, and one misstep could prove fatal. When one team member mysteriously vanishes, the rest must choose between cutting their losses in the face of chaos or seeing it through to the bitter end. Will Keystone have the fortitude to complete the mission, or will they fall like dominoes? United they stand, divided they fall. Begin the series with KEYSTONE. Another addicting installment of the USA Today bestselling Crossbreed series. Book 10. Only a week after solving their last case, Raven is itching for a new assignment. In her downtime, she's focusing on the two most important men in her life: her father and Christian. But there's no rest for the wicked. When an old friend seeks Raven's expertise on a delicate matter, Viktor reluctantly accepts the case. But without evidence of a crime, they might have no choice but to walk away, even if that means countless bodies filling the graveyard. Dark secrets, evil forces, and an unexpected visitor will keep you on the edge of your seat. If only the dead could talk.

Raven Black hunts evildoers for fun, but her vigilante justice isn't the only reason she's hiding from the law. Half Vampire, half Mage, she's spent years living as a rogue to stay alive. When a Russian Shifter offers her a job in his covert organization hunting outlaws, dignity and a respectable career are finally within her grasp. The catch? Her new partner is Christian Poe-- a smug, handsome Vampire whom she'd rather stake than go on a stakeout with.

A "fun, funny, steamy, and unputdownable" (Entertainment Weekly) new novel from bestselling author Amy Sohn, in which an ambitious young actress discovers that every marriage is a mystery and that sometimes the greatest performances don't take place on screen. When Hollywood heartthrob Steven Weller pulls Maddy Freed out of obscurity for a starring role in his newest Oscar-worthy film, she feels her career roaring onto the express track. Steven's professional attention soon turns personal, and Maddy falls headlong into a fairytale romance with the world's most eligible bachelor. She's sure there's no truth to the gay rumors that have followed him for years, but soon realizes she cannot afford to ask too many questions about his complicated past... A "sexy and engaging" (Emma Straub) page-turner set in a tantalizing world of glamour and scandal, of red carpets and ruthless competition, of scheming agents and the prying eye of the press, *The Actress* sits "perfectly between Joan Didion's *Play It as It Lays* and Jackie Collins's *Hollywood Wives*.... A valuable contribution to the canon of Hollywood fiction" (Slate). Booklist calls it "addictive... This may well be Sohn's breakout book."

A USA TODAY BESTSELLER A Publishers Weekly Best Book of the Year In this latest novel from Stephen Graham Jones comes a “heartbreakingly beautiful story” (Library Journal, starred review) of revenge, cultural identity, and the cost of breaking from tradition. Seamlessly blending classic horror and a dramatic narrative with sharp social commentary, The Only Good Indians is “a masterpiece. Intimate, devastating, brutal, terrifying, warm, and heartbreaking in the best way” (Paul Tremblay, author of A Head Full of Ghosts). This novel follows four American Indian men after a disturbing event from their youth puts them in a desperate struggle for their lives. Tracked by an entity bent on revenge, these childhood friends are helpless as the culture and traditions they left behind catch up to them in violent, vengeful ways. Labeled “one of 2020’s buzziest horror novels” (Entertainment Weekly), this is a remarkable horror story “will give you nightmares—the good kind of course” (BuzzFeed).

But the harder she runs away from her past, the more it threatens to destroy her. When three strangers enter her life, April is forced to face her demons and it's a battle she may not win. Private investigators in the Breed world are men who take risks, and Reno Cole is no exception. As a Shifter, he's expected to control his inner animal. But lately his wolf has been venturing dangerously close to the city, and he's about to discover why. When Reno is reintroduced to a family friend, the attraction is immediate. April captivates him with her secretive eyes and resilient spirit. She's also in trouble, and despite the fact she's a human, Reno can't turn his back on her. April is caught between two worlds: One that threatens to bury her dreams and another that could fulfill them. Can she trust the wolf at her door and find the courage to overcome her demons? + Cliffhanger-free + HEA SEVEN SERIES READING ORDER: Book 1 - Seven Years (Seven Series #1) Book 2 - Six Months (Seven Series #2) Book 3 - Five Weeks (Seven Series #3) Book 4 - Four Days (Seven Series #4) Book 5 - Three Hours (Seven Series #5) Book 6 - Two Minutes (Seven Series #6) USA TODAY BESTSELLER Book 7 - One Second (Seven Series #7) USA TODAY BESTSELLER Book 8 - Winter Moon (Bonus Novella) SEVEN WORLD Charming Keywords: shapeshifter, forbidden, interracial, happily ever after, alpha male, hero, paranormal romance, romantic comedy, urban fantasy, wolf, wolves, werewolf, shifter, pack, supernatural, alpha, biker, rocker, rock star, native american, love story, steamy, sensual, prisoner, stripper, sweethearts, best friends, hea, no cliffhanger, series, family, brothers, romance, heroine, action, adventure, vampire, mage, fantasy, novel, series, mageri, sexy, steamy, brilliant, southern, texas, bestseller, lad, bloke, naughty, mage, vampire, realistic love story, tattoos, tatted, hot cars, fairy tale, thriller, new adult, interracial, coming of age, suspense, comedy, humor, bad boy, motorcycle, rock star, tattoos, protagonist, heroine, family, dangerous, action, unrequited, love hate relationships, stripper, pole dancer, prince, billionaire, bbw, magic, hot, handsome, hero, pack, demons, angels, panther, jaguar, mortal enemies

With the rise of science, we moderns believe, the world changed irrevocably, separating us forever from our primitive, premodern ancestors. But if we were to let go of this fond conviction, Bruno Latour asks, what would the world look like? His book, an anthropology of science, shows us how much of modernity is actually a matter of faith. What does it mean to be modern? What difference does the scientific method make? The difference, Latour explains, is in our careful distinctions between nature and society, between human and thing, distinctions that our benighted ancestors, in their world of alchemy, astrology, and phrenology, never made. But alongside this purifying practice that defines modernity, there exists another seemingly contrary one: the construction of systems that mix politics, science,

technology, and nature. The ozone debate is such a hybrid, in Latour's analysis, as are global warming, deforestation, even the idea of black holes. As these hybrids proliferate, the prospect of keeping nature and culture in their separate mental chambers becomes overwhelming—and rather than try, Latour suggests, we should rethink our distinctions, rethink the definition and constitution of modernity itself. His book offers a new explanation of science that finally recognizes the connections between nature and culture—and so, between our culture and others, past and present. Nothing short of a reworking of our mental landscape. *We Have Never Been Modern* blurs the boundaries among science, the humanities, and the social sciences to enhance understanding on all sides. A summation of the work of one of the most influential and provocative interpreters of science, it aims at saving what is good and valuable in modernity and replacing the rest with a broader, fairer, and finer sense of possibility.

*Farming for Us All* gives us the opportunity to explore the possibilities for social, environmental, and economic change that practical, dialogic agriculture presents.

"For you, I'll wait an eternity." Despite the spoils of a solid relationship and an idyllic life at Keystone, Raven is itching for the thrill of another big case. Things begin to heat up when a dangerous assignment falls in her lap. Searching for the mastermind behind an illegal fighting ring is no easy feat, but as the weeks roll by, Raven's undercover job begins to take an unexpected emotional toll. It's a deadly mission, and if she's not careful, she could lose everything. The stakes are high in this powerful new installment of the USA Today bestselling Crossbreed series. Now Brooks turns to the building blocks of human flourishing in a multilayered, profoundly illuminating work grounded in everyday life. This is the story of how success happens, told through the lives of one composite American couple, Harold and Erica. Drawing on a wealth of current research from numerous disciplines, Brooks takes Harold and Erica from infancy to old age, illustrating a fundamental new understanding of human nature along the way: The unconscious mind, it turns out, is not a dark, vestigial place, but a creative one, where most of the brain's work gets done. This is the realm where character is formed and where our most important life decisions are made—the natural habitat of *The Social Animal*. Brooks reveals the deeply social aspect of our minds and exposes the bias in modern culture that overemphasizes rationalism, individualism, and IQ. He demolishes conventional definitions of success and looks toward a culture based on trust and humility. *The Social Animal* is a moving intellectual adventure, a story of achievement and a defense of progress. It is an essential book for our time—one that will have broad social impact and will change the way we see ourselves and the world.
