Barcelona -- exquisite architecture, masterful artists, and just down the coast, an ancient fortress where an old and powerful vampire lives...and rules all of Spain. Tall, dark, and deadly, vampire Xavier Prospero Flores waded through blood to destroy his enemies and reach the pinnacle of vampire society--Vampire Lord. He has only one regret in his long life, and that's the day he rejected the advances of Layla Casales. She'd been too innocent, too naïve, and far too young. But she'd also been his. Layla Casales was only nineteen when she left Spain, brokenhearted and humiliated by Xavier's rejection. But now, ten years later, the ties of family are pulling her back, not only to Spain, but to Xavier's fortress. Her father, the vampire lord's military commander, is critically ill. Layla has spent years fighting on battlefields around the world, so when her father asks her to come home, she can't say no. Though Xavier's rule began on the ashes of his enemies, it's not vampires trying to kill him now--it's humans. He needs to eliminate his enemy before more of his people die. Layla arrives just in time to help, but while she came for her father, the minute she and Xavier see each other, desire burns as hotly as if they'd never been apart. Xavier isn't going to let her go this time. But before they can rediscover the love they walked away from, they must first keep each other alive. Scotland--sweeping forests, tumbling waterfalls. . .and towering highlands where vampire warriors have ruled for centuries. Lethal and charismatic, vampire Lachlan McRae woke on his first night to death and devastation--his clan slaughtered, his fortress destroyed. One hundred and fifty years later, driven to avenge the murder of everyone he loved, he's ready to hunt down and kill the one vampire who was behind it all--Erskine Ross, the Vampire Lord of Scotland. Beautiful, smart, and cool under pressure, Julia Harper is determined to prove she's more than a child of wealth and privilege. When a lifelong friend is murdered by vampires, she steps out of her role as an analyst for the CIA, and sets out to take down one of the most powerful men in Scotland--the deadly Erskine Ross. Recruited by a friend to arrange contact between Lachlan and her best friend Cyn's mate, the powerful Vampire Lord Raphael, Julia soon discovers that she and Lachlan want the same thing . . . Erskine's death. But when Erskine sets out to kill Julia instead, she and Lachlan find themselves fighting for her life, and for a love that neither one of them can trust. Certain her father will defy the king's orders and wed her to the knight if she refuses the Highlander's hand, Marion agrees to marry the strangely compelling but obstinate laird of the MacLeod clan. A Highlander After the death of his beloved wife, Iain MacLeod has no desire to marry ever again. Yet when he finds himself obliged to do so to secure the freedom of his childhood friend and king, he reluctantly travels across England to collect his unwanted bride, expecting to find a cold Englishwoman. Ensnared Following a hasty marriage and perilous journey to Scotland, Marion harbors no illusions that her new husband loves her. Still, her heart cannot resist the noble, brave warrior, and she cannot suppress the hope that she has finally found where she belongs. That is, until enemies near and far threaten to take Marion from him. Now the demons that haunt him can only be conquered by surrendering body and soul to Marion, if only it's not too late... "WHEN A LAIRD LOVES A LADY by Julie Johnstone is the first book in the Highlander Vows: Entangled Hearts series, and I cannot wait for the second instalment. With beautiful imagery, the author transports the reader to a whole new world. Both Marion and Iain are meaningful and emotional characters, who I became deeply invested in. I could not put this book down. With plenty of danger, excitement and passionate encounters, WHEN A LAIRD LOVES A LADY by Julie Johnstone has got it all, and I now have a new favourite author." ~ Fresh Fiction

He would defy the boundaries of time for one night in her arms . . . He was a mighty Scottish warrior who lived in a world bound by ancient laws and timeless magic. But no immortal powers could prepare the laird of Castle Brodie for the lovely accursed lass who stood before him. A terrible trick of fate had sent her 700 years back in time and into his private chamber to tempt him with her beauty—and seduce him with a desire he could never fulfill. For this woman he burned to possess was also the woman he had foresworn to destroy. When Lisa felt the earth move under her feet, the fiercely independent 21st-century woman never dreamed she was falling . . . into another century. But the powerful, naked warrior who stood glaring down at her was only too real . . . and too dangerously arousing. Irresistibly handsome he might be, but Lisa had no intention of remaining in this savage land torn by treachery and war. How could she know that her seductive captor had other plans for her . . . plans that would save her from a tragic fate? Or that this man who had long ago forsaken love would defy time itself to claim her for his own. . . .
