Finding material for your French immersion can be a nightmare, but not anymore! French students regularly have to go through the toughest experiences to find proper reading material that isn't too tough for them - as teachers; we know this. This is why we've created French Short Stories for Beginners to ensure that young and old students at the Beginner level can have yet another chance to immerse themselves into fun and interactive stories designer for you, the student. Twenty easy-to-read, entertaining and interesting stories await inside, along with the best tools to help you practice once you're done reading each tale. Our book will ensure you not only can read something that will expand your knowledge on French but that you will understand and be able to pick it apart piece by piece in your quest for learning. How French Short Stories for Beginners works: Each story is designed to keep you engaged and interested as well as using vocabulary that you will actually use. The summaries follow a synopsis in French and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in French, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any - we will provide them immediately after, but no cheating! Do you think you can handle it? If the answer is yes, then you're definitely on your way to becoming a French speaker, and we'll certainly make that dream come true! We recommend this book for French learners at A2 level and above as it is designed for students with a basic understanding of French. So look no further! Pick up your copy of French Short Stories for Beginners Vol.2 and start learning French right now!

Learn French in 30 Days An Essential Survival Guide

"Méthode d'apprentissage du français pour anglophones.

Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.

This book is designed in such a way that everyone can learn FRENCH through ENGLISH in easy way, in 30 days. In just minutes a day, you'll pick up FRENCH language through ENGLISH for everyday situations – from basic to intermediary level. This book covers learnings starting from French Grammar to sentence formation, greeting people, time, family, weather, business communication, commonly used vocabulary, conversations – in Hotel, on the road, at the station, over phone, etc and includes proverbs and commonly used phrases.

The essence of this book is making learning FRENCH easy through ENGLISH in a easy way, and in convenient time of daily schedule.

As regular writer in Newspaper & blogger on national and international portals, Rinkal Sharma has over 18 years of rich experience in English & French Language.

As French Scholar, she is committed to make Language Learning in EASY, PRACTICAL & FUN way. Love for French, English & Hindi language prompted her to conceptualize a new & scientific way to make Language learning easy. As dispeller of all confusion towards language learning, this book make Language learning journey a complete fun with minimum time & efforts, but in calibrated manner.

In love of French Language, Rinkal also has deep interest & vast experience in creative field of Theatre – Famous plays (“Tajmahal ka Tender”, “Bade Aadmi”, “All Idiots”, “Jai Hind” etc) in various roles (Direction, Script-writing & Acting), Over 10 short films & web-series (“Darkness of Color”, “Godhuli”, “Aadi & Friends” etc). She has worked with Doordarshan, TV18 & Sudharshan Channel. Her two books have already published and received acclaim.

**NATIONAL BESTSELLER** • For anyone who wants to learn a foreign language, this is the method that will finally make the words stick. “A brilliant and thoroughly modern guide to learning new languages.”—Gary Marcus, cognitive psychologist and author of the New York Times bestseller *Grammar* Zero At thirty years old, Gabriel Wyner speaks six languages fluently. He didn't learn them in school—who does? Rather, he learned them in the past few years, working on his own and practicing on the subway, using simple techniques and free online resources—and here he wants to show others what he's discovered. Starting with pronunciation, you'll learn how to rewire your ears and turn foreign sounds into familiar sounds. You'll retrain your tongue to produce those sounds accurately, using tricks from opera singers and actors. Next, you'll begin to tackle words, and connect sounds and spellings to imagery rather than translations, which will enable you to think in a foreign language. And with the help of sophisticated spaced-repetition techniques, you'll be able to memorize hundreds of words a month in minutes every day. This is brain hacking at its most exciting, taking what we know about neuroscience and linguistics and using it to create the most efficient and enjoyable way to learn a foreign language in the spare minutes of your day.

Learning French A language is more than a bunch of words and rules for how to put those words together; it is another world. Speaking French gives you access to the world of over 75 million native speakers in France, Belgium and Luxembourg, and 263 million people around the rest of the world who speak it as a second language - most of them in West Africa. French is considered one of the easiest languages for a native English speaker to learn. The grammar and sentence structure are different from English, but simpler. Because both languages have Latin roots, they also share thousands of cognates - words that sound the same and have the same meanings. For more information click on BUY BUTTON.

The Way of The Linguist, A language learning odyssey. It is now a cliché that the world is a smaller place. We think nothing of jumping on a plane to travel to another country or continent. The most exotic locations are now destinations for mass tourism. Small business people are dealing across frontiers and language barriers like never before. The Internet brings different languages and cultures to our fingertips. English, the hybrid language of an island at the western extremity of Europe seems to have an unrivalled position as an international medium of communication. But historically periods of cultural and economic domination have never lasted forever. Do we not lose something by relying on the wide spread use of English rather than discovering other languages and cultures? As citizens of this shrunken world, would we not be better off if we were able to speak a few languages other than our own? The answer is obviously yes. Certainly Steve Kaufmann thinks so, and in his busy life as a diplomat and businessman he managed to learn to speak nine languages fluently and observe first hand some of the dominant cultures of Europe and Asia. Why do not more people do the same? In his book *The Way of The Linguist, A language learning odyssey*, Steve offers some answers. Steve feels anyone can learn a language if they want to. He points out some of the obstacles that hold people back. Drawing on his adventures in Europe and Asia, as a student and businessman, he describes the rewards that come from knowing languages. He relates his evolution as a language learner, abroad and back in his native Canada and explains the kind of attitude that will enable others to achieve second language fluency. Many people have taken on the challenge of language learning but have been frustrated by their lack of success. This book offers detailed advice on the kind of study practices that will achieve language breakthroughs. Steve has developed a language learning system available online at: [www.thelinguist.com](http://www.thelinguist.com).

The classic manifesto of the liberated woman, this book explores every facet of a woman's life.

Contains material adapted and abridged from *The Everything Learning French Book* by Bruce Sallee and David Hebert.

*Collins Easy Learning French Verbs* offers beginners a clear and easy-to-understand guide to French verbs.

This practical grammar book is the result of 16 years of teaching online to adults and young students located all over the world. I believe that French grammar should not been a stumbling block to learning the language and should not discourage learners of French to embrace the beautiful journey of becoming fluent. Hence, I felt that it was important to explain the grammar rules in English and in the simplest way possible without including too much grammar jargon, so that a beginner could grasp the essential elements of grammar to build sentences. Every grammar point is followed with exercises to practice what has been taught. Whenever possible, the answers are included in the back of the book (some answers are open ended questions and therefore have no right or wrong answers). This grammar book is aimed to teach A1 levels (total beginners) to the B1 level (intermediate level). Perfect for self-study, but also ideal for supplementary grammar activities in the classroom. Step by step with a teacher or on their own, French learners can learn to construct their sentences and gain plenty of practice.

Make Learning a Language Fun with this Book! Help Your Child Learn French Through Captivating Exercises & Activities. Would you like your child to: - Learn how to speak another language? - Develop interest in the French language and culture? - Quickly master French vocabulary for beginners and commonly used phrases? But you: - Don't know how to structure your child's French lessons? - Can't think of any language exercises that would be interesting? You have come to the right place! This book is just what you need to help your child start learning French. And, even if you've never learned French before, the two of you can practice together. The lessons and activities inside this book were developed by language and education experts. Every page of the book was adapted for children who are not familiar with the language at all. This book helps kids learn French through easy-to-follow instructions for lessons on various topics such as the alphabet, common expressions, culture and community, and more! Each lesson is followed by a

short review section to ensure that the child has mastered what they learned. Here is what this book can offer your child: - Step-by-step guide for learning French: Follow easy step-by-step directions and learn how to speak French like a native. - Promotes working together: The book is designed for parents and children to work together and learn a new language the fun way. - Explore the French culture: All activities in this book are designed to teach a child more about the French language but French culture as well. - Created for different learning styles: Whether your child is a visual or auditory learner, the book offers both picture cues and pronunciation guides. - Develop critical language skills: The book complements any school or homeschool curriculum and teaches children essential language skills, not only vocabulary. It's true that some people spend years studying French before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of French, #LanguageHacking shows you how to learn and speak French through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in French from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

This book, the first in a series, should be the first novel you read in French! Reading a book in French can be difficult, even for advanced students. French novels are usually full of idiomatic expressions. They use complicated tenses, complex sentence structures, and often slang. This book is in simple French. It's about the joys and the frustrations of an adult learning French. It includes a good dose of humor, a few exercises, and illustrations. Note: this book contains adult language. A school edition of the book without adult language entitled Oh Là Là, It's Not Easy Learning French is also available on Amazon. The book has two sections, allowing more levels of French students to enjoy it. Section 1 has the story written completely in French, and includes grammar exercises. Section 2 contains a list of the more difficult vocabulary translated into English and the complete text in English so students can check their comprehension.

With over 40% of our worlds population only knowing 1 language, making yourself stick out from the crowd by knowing 2 - or even 3 languages - has never been so simple. If you are someone who has always wanted to learn the basics to French in one sitting, then keep reading... Jessica really wanted to learn French but thought she just couldn't find the time to do so.
