If you are serious about earning £1,000 - £3,000 per week ... or more - I'll show you EXACTLY how I went from ZERO experience, £50.00 start-up capital and no website to earning £83,575.00 in my first year and how you can literally copy my step-by-step instructions and set yourself up with your own online internet business."In fact, using this very same system I went on to earn £212,000 in my second year!"I promise I won't waffle or pad out this page with nonsense ... I'll simply explain what is involved and why I'm willing to share this business system that earns me £1,000 - £3,000 per week with you.Let's get a couple of things out the way first ...1. Forget what others have to say about making money online using ... magical methods ... long-forgotten strategies ... Google manipulation software ... bulk email marketing, AdSense, SEO ... and all the other crazy ideas that I seen over the years.I'm sorry to say (if you believed any of the above) ... but, hand-on-heart there are no special secrets, no magic formulas etc ... to making money online. In fact ... there really are only a very small number of ways to make money online.FIRSTLY ... The important - and obvious - point:You need to receive regular payments from customers or other businesses ... plain and simple - MONEY!And to receive payments or income from customers and businesses, you need to:1. Sell your own products or services2. Sell other peoples products or services as an affiliate3. Receive payments from adverts that appear on your websiteAnd that's more or less it!In the past - I admit - I fell for loads of product launches from all those so-called 'internet gurus' and spent £1,000's on products ... secrets ... software - that frankly never earned me a penny!What I had to do was learn the hard way ...This meant spending hours trying different methods, testing everything, researching product niches, website design ... in fact, I tried and tested every method to making money online ... phew!That was 4 years ago - (I can't believe how time has flown by) - and now I genuinely earn over £3,000 per week from my online businesses!And it is this 4 years experience and knowledge that - if you allow me - I'll be sharing with YOU.So ... if you are sick of the daily grind ... the boring job ... those early morning starts ... the lack of cash to spend on luxuries ... the constant worry of bills ... There is an escape. In fact you'll love what I'm going to show you. From my 4 active years online, I NOW KNOW exactly how to make money online, and with my help and advise, I can take you to a £3,000 per week lifestyle!I promise you'll not be disappointed, you'll be shown in a fully illustrated step-by-step format how to make £1,000 - £3,000 per week - exactly how I do it week in week out.And to put your mind at rest, what you are about to read is NOT some made up nonsense, NOT a stupid get-rich quick scheme, NOT MLM, NOT stocks and shares, NOT buy-to-let ... and NOT gambling.I started out with zero internet

experience, couldn't build a website, didn't have a list, no product ... and only £50.00 start-up capital. I eventually turned this into a business that earns me over 6 FIGURES every year! Now, I won't mislead you (as others usually do) by saying that there is no effort involved, no long hours, no capital required ... because there is - how's that for honesty! However ... because you'll be following my tried and tested methods - from 4 years online trading, a lot of the mistakes that newbie's make will be eliminated, leaving you to just concentrate on the methods that actually work. Project 26 - The Secrets To Online Riches is easily worth a few hundred pounds, considering how much information you'll get ... but ... don't worry, I'm not charging anything like that.... It's not even going to be £100, or £80, or even £70. In fact, you can get access to this life-changing information for just £67.00.

NO PRIOR EXPERIENCE REQUIRED. ALL INSTRUCTIONS ARE FULLY DETAILED AND STEP-BY-STEP SO ANYONE CAN FOLLOW THEM EASILY. Online passive income is the ultimate dream. Making money while you sleep. Everybody wants it. But is it really possible? The short answer is "YES" The longer answer is "yes, but it isn't easy to accomplish." If it was, wouldn't everyone be doing it? In my ebook, I give you a step-by-step plan on how to develop a passive income online business and show you how making money online actually works (with links to supporting lessons for extra clarity). The specific plan I teach is designed to make you \$5,000+ per month in passive income earnings, based on Blogging, Affiliate Marketing, Freelancing and Selling of Digital Products. Once you understand the process though, you can decide to work with any of them or with all. When you stop is up to you (and yes, there are people making tens of thousands of dollars per month on the Internet based on these concepts-they just love the work and don't ever stop. What's great about the business plan that I teach you is not only the income level you will accomplish if you follow through, but all that you will learn in the process. gone through this whole process. Generating an online passive income won't happen overnight and takes a lot of hard work, but going through the process is completely worth it and having an exact plan of action is the ONLY way to ensure success. Let me put it this way: if you were offered no pay for six months for 40+ hours of work per week, but after those six months, you got \$5,000+ per month for the rest of your life, would that be worth it to you? If that idea isn't unbelievably exciting to you, then this isn't the business for you. This isn't a get rich quick scheme. This is a business. Except with this business, instead of trading your time for money (like most jobs), you are investing your time. You work hard now and continue to reap the benefits indefinitely. Building an online business takes a lot of work and a lot of patience, but the rewards can be amazing. That's the kind of business that I teach you in this ebook. Here's what you will learn 1. The Truth Behind the Internet and making money online 2. The only ways you can truly make money online 3. Blogging - What is blogging? 4. Affiliate Marketing – What is Affiliate Marketing? 5. "HOW TO MAKE MONEY ONLINE" EBOOK CREATION FOR ENTREPRENEURS DO IT LIKE THE BIG DOGS!! When you hire for a writer for your ebook, what you are doing is enlisting the services of a ghostwriter. A ghostwriter is a writer who publishes under someone else's name, with the consent of both parties. (It's legal and writers are available to provide the service). The straightest route to ebook profits is in the nonfiction ebook market. Fiction is making a story; journalism is finding one. That's the big difference. When I am writing a book, I am usually dealing with events or ideas that have already arranged themselves in memory. With nonfiction, you need to find your prospective before time has arranged it. The trick is to write about something as if you've been thinking about it for 10 years. Larry Bussey resides in Las Vegas, Nevada. He's an expert on Internet Marketing and Ghostwriting. He has successfully penned numerous books as a ghostwriter.
