

Master Of The Dark Side A Novella Mountain Masters Dark Haven Book 4

-The only way to bring down the Sith's most dangerous warrior may be to join forces with the dark side---Page 4 of cover.

The battle against the evil Empire rages on as heroic men, women, and aliens of the Rebel Alliance continue their struggle to end the era of darkness. But by rescuing an Imperial prisoner, have the Rebels brought disaster upon themselves? While on a perilous quest in the mushroom forests of Arzid, Luke and Ken are captured by Kadann, Supreme Imperial Prophet. Having tempted the young Jedi Prince into revealing the location of the Lost City of the Jedi, the Supreme Prophet plans to steal the ancient knowledge of the Jedi Knights. Now Kadann will rule over a new tyrannical empire, as foretold by the... Prophets Of The Dark Side "Three women, three Doms. One extraordinary night. Welcome to Dark Haven, and may all of your darkest wishes come true..."

MET HER MATCH (A HAWKEYE STORY) by Sierra Cartwright Highly trained Mira Araceli can hold her own in the toughest parts of the world, but not, it seems, against her secret crush, Torin Carter. She'd fallen for her Hawkeye instructor years before, and to him, she'd been just another recruit; fresh, green, idealistic. Torin, with his dark Irish good looks and fierce temper, doesn't want a partner, any partner, and especially not Mira. But assignments are assignments, and he takes his responsibilities seriously. So when the beautifully submissive Mira crawls into his bedroom, a leather belt between her teeth, he calls on all his resolve to send her away. Unsatisfied, Mira ups the stakes and finds another dom to play with at Dark Haven. Beyond furious, Torin storms into Master Xavier's club and claims his rights to dominate Mira. For the first time in her life, she's met her match. EDUCATING EVANGELINE by Belinda McBride "This isn't what she came here for!" Pursued by a group of mysterious hunters, Evangeline Jones was desperate for sanctuary when she ducked into the doorway of Dark Haven. Instead of safety, she discovers a decadent, sensual world that challenges her very outlook on life. Harte Sommers is charmed by the little wolf with the pink streak in her ebony hair. As alpha of the Napa pack, he sometimes feels that he's alone at the top. When he meets Eva, he knows he might not be able to keep his wild little wolf at his side, but his heart tells him that his lonely days might be at an end. SIMON SAYS: MINE by Cherise Sinclair With an empty nest and divorce in hand, Rona decides it's time to explore the fantasies that nourished her through a long, tedious marriage to a man whose idea of outrageous sex was leaving the lights on. At the top of her fantasy list is touring Dark Haven, the BDSM club, but she isn't prepared for the effect of a powerful Dom. When Master Simon takes control and introduces her to toys and sensations she's never felt before, she realizes he could fulfil every fantasy on her list all by himself. But she's vowed to never get trapped in a relationship again. One of the most popular Doms in Dark Haven, Master Simon has had his fill of eager, shallow, young subs. Rona is older, intelligent, independent...and sweetly submissive. After an evening of intense pleasure and despite her obvious attraction, she refuses to see him again. He needs a way to change her mind. She's not the first sub he's taken on a journey of exploration, but he's beginning to think she might be the last. "Publisher's Note: This book contains explicit sexual content, graphic language, and situations that some readers may find objectionable: Anal play/intercourse, strong BDSM theme and elements to include exhibitionism and voyeurism."

The Dark Side of Dharma explores some of the possible undesirable side effects - also known as 'adverse effects' - of meditation and mindfulness. Researcher Anna Lutkajtis investigates why these effects, which are well-known in spiritual and religious traditions, have been ignored in contemporary secular contexts, such as Western psychology. Lutkajtis' research reveals that while meditation is commonly portrayed as a practice that is overwhelmingly positive, a growing number of research studies and anecdotal reports suggest that meditation can also have negative effects. Some meditators believe that these adverse effects are a normal part of the contemplative path and a welcome sign of progress. For others, such effects are completely unexpected and can be psychologically harmful. In religious traditions like Buddhism, difficulties associated with meditation are acknowledged and are usually viewed as milestones on the path to enlightenment or the result of an unbalanced practice. In such traditional contexts, meditation teachers are equipped to deal with adverse effects if and when they arise. However, in the modern West, meditation adverse effects have been overlooked, under-researched, and generally misunderstood. Given the current popularity of meditation, Lutkajtis argues that it is important to understand why meditation adverse effects have been ignored in contemporary secular settings.

Details how to confront and release darker, selfish impulses and feelings in order to live more fully and authentically, and move closer to others.

In his quest for total domination, Darth Sidious compiled six legendary dark side texts detailing Sith history and philosophy by Sorzus Syn, Darth Malgus, Darth Bane, Mother Talzin, Darth Plagueis, and himself. Together these documents form the Book of Sith. Over the centuries, the texts were passed among Force users who left handwritten notes and annotations in the margins, including Darth Vader, Yoda, Mace Windu, and Luke Skywalker, among others. Collected by acclaimed Star Wars writer Daniel Wallace and embellished by numerous esteemed Star Wars illustrators, this volume introduces new characters and history, and delves deeper into understanding the philosophies and methods behind the dark side of the Force.

Now appearing for the first time together, three of Sidney Sheldon's number one bestselling novels—The Other Side of Midnight, Rage of Angels, and Bloodline—are featured in this celebratory collection. The Other Side of Midnight is Sidney Sheldon at his best. This page-turner is full of tortured romantic entanglements, reverses of fortune, thrilling suspense, and ultimate justice. In Paris, Washington, and a fabulous villa in Greece, an innocent American becomes a bewildered, horror-stricken pawn in a game of vengeance and betrayal. She is Catherine Douglas, a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star . . . and as Constantin Demeris, a legendary Greek tycoon, tightens the strands that control them all. Rage of Angels features the memorable, mesmerizing heroine Jennifer Parker, a razor-sharp but beautiful attorney on her way up the New York political ladder until the Mafia's schemes win her the hatred of an implacable enemy—and a love more destructive than hate. She journeys into the dangerous, dramatic, and dark world of organized crime and flashbulb-lit courtrooms, where ambitious and ruthless prosecutors begin their climb to power, and she travels to her own personal hell and back again. Bloodline is one of the best of Sheldon's blockbuster thrillers. Roffe and Sons is a family firm, an international empire filled with desperate, cash-hungry family members. At its head was one of the wealthiest men in the world—a man who has just died in a mysterious accident and left his daughter, Elizabeth, in control of the company. Now as this intelligent, tough, and gorgeous woman dares to save—not sell—Roffe and Sons, she will have to outwit those who secretly want her power . . . and the unknown assassin who wants her life. Bloodline is a sweeping novel of high financial intrigue on three continents, love, murder, danger, and suspense.

Unveils the man behind one of the greatest deceptions in history! Extensively documented and powerfully compelling, these letters and records reveal a disturbing and unpleasant course in trying to prove his pre-existing conclusions. Look beyond the public facade to the deeply troubling man within.

Seminar paper from the year 2007 in the subject English Language and Literature Studies - Linguistics, grade: 1,7, University of Leipzig (Institut für Anglistik), course: Psycholinguistics, language: English, abstract: "Clear your mind must be, if you are to discover the real villains behind this plot." If Star Wars is an important step in the history of film, Master Yoda's way of speaking is one in the establishment of linguistic awareness beyond linguistic circles. His way of speaking has become a cult over the years and his quotations are widely known, not only among Star Wars fans. Even somebody who has not seen any of the six episodes (so did the author of this paper) is very likely to know to whom sentences like the above-mentioned quotation refer. This is due to the fact that Master Yoda, to whom the sentence can be attributed, has a very unique way of speaking; the syntactic structure underlying his utterances is of a high recognition value.

What fuels capitalism and what stops it from collapsing? Does marketing communications support and sustain the economic and political status quo? This book is not about describing the ways in which businesses can optimize the messages they put across or about adding to the marketing communicator's toolkit. This book argues that marketing communications plays an increasingly important role in bolstering contemporary capitalism. Drawing on conceptualizations of the 'market' from political economy and sociology, it focusses on five logics that underpin and sustain the form of capitalism in which we live: the logic of competition, the logic of sustainability, the logic of individualism, the logic of objectivity, and the logic of distraction. It does this by exploring those arenas which are increasingly dominated by the communicative activities of business: sport, CSR, social media, statistics, and entertainment. Bringing theories from marketing and consumer research, sociology, cultural studies, technology and media studies to bear on marketing communications, this book is necessary reading for undergraduate and postgraduate students and academics who wish to understand the broader role of marketing communications in the reproduction of contemporary capitalism. Their fun summer together ended and Jay went abroad to study. Eighteen-year-old Rebecca believed Jay when he told her they'd get married when he returned home in a year. But when she sent a letter informing him of her pregnancy and asking for his help, she was heartlessly accused of lying in an attempt to blackmail his distinguished family. Ten years later, she finds a notice in the newspaper looking for her because her mother has fallen ill. She returns to her hometown, and Jay, a man she never thought she would see again, appears in front of her. He looks at her with the same passionate gaze he had in the past, and he's acting as though he never hurt her!

Delve into the history of the sinister Count Dooku in the original script to the thrilling Star Wars audio production! Darth Tyrannus. Count of Serenno. Leader of the Separatists. A red saber, unsheathed in the dark. But who was he before he became the right hand of the Sith? As Dooku courts a new apprentice, the hidden truth of the Sith Lord's past begins to come to light. Dooku's life began as one of privilege—born within the stony walls of his family's estate, orbited by the Funeral Moon where the bones of his ancestors lie interred. But soon, his Jedi abilities are recognized, and he is taken from his home to be trained in the ways of the Force by the legendary Master Yoda. As he hones his power, Dooku rises through the ranks, befriending fellow Jedi Sifo-Dyas and taking a Padawan of his own, the promising Qui-Gon Jinn—and tries to forget the life that he once led. But he finds himself drawn by a strange fascination with the Jedi Master Lene Kostana, and the mission she undertakes for the Order: finding and studying ancient relics of the Sith, in preparation for the eventual return of the deadliest enemies the Jedi have ever faced. Caught between the world of the Jedi, the ancient responsibilities of his lost home, and the alluring power of the relics, Dooku struggles to stay in the light—even as the darkness begins to fall.

'My favourite book' Tinchy Stryder BA Business Life Book of the Month The ultimate hustle is to move freely between the street and corporate worlds, to find your flow and never stay locked in the same position. This is a manifesto for how to operate in the twenty-first century, where everything has been turned on its head. Building on the runaway success of Robert Greene's *The 48 Laws of Power* (almost five million copies sold), the 'modern Machiavelli' teams up with rapper 50 Cent to show how the power game of success can be played to your advantage. Drawing on the lore of gangsters, hustlers, and hip-hop artists, as well as 50 Cent's business and artistic dealings, the authors present the 'Laws of 50', revealing how to become a master strategist and supreme realist. Success comes from seeking an advantage in each and every encounter, and *The 50th Law* offers indispensable advice on how to win in business - and in life.

Master of the Dark Side

Following a shocking political assassination, young Jedi Master Qui-Gon Jinn is dispatched to prevent the outbreak of a civil war on the homeworld of his Padawan Xanatos--whose father is king. For the headstrong Xanatos, this return to his home has dredged up hidden resentments and passionate emotions. It is a mission that will lead Qui-Gon into close contact with the dark side and start him on a quest that will have a major impact on the future of the Jedi Order! * Danger and the dark side! * With the release of Episode I in 3-D, rediscover the great Jedi Qui-Gon Jinn!

'Sin' is an old-fashioned word for some startlingly contemporary problems. Far from being about trivial naughtiness or seedy self-indulgence, it's about the financial scandals that have rocked our world, and most of the ills that beset us today. In *The Dark Side of the Soul*, the author explains and illustrates the 'Seven Deadly Sins' with contemporary examples. In clear and accessible language, he shows that the traditional Christian concept of sin is a vital tool in understanding what is wrong with human beings. Far from leading people into a guilt-trap, 'sin' is a healthy and truthful word that can help to set us free. Human beings are neither intrinsically evil nor congenitally inclined to virtue, but many of

the problems and predicaments that trouble us today can be better understood, and more effectively resolved, if their deeper roots are taken into account. In this fresh interpretation, the author shows that, for example, our economic problems, and our fixation on financial criteria in decision-making, can be understood through the twin lenses of avarice and lust. Our obsessive busyness is a manifestation of sloth; and our desire to control, and our perfectionism, are outworkings of spiritual pride. Crucially, although sin is an important and necessary word for people to understand and come to terms with, it is never, in the Christian worldview, the last word.

The highly anticipated sequel to Jessica's Guide to Dating on the Dark Side It's one thing to find out you're a vampire princess. It's a whole other thing to actually rule. Newly married Jessica Packwood is having a hard enough time feeling regal with her husband, Lucius, at her side. But when evidence in the murder of a powerful elder points to Lucius, sending him into solitary confinement, Jessica is suddenly on her own. Determined to clear her husband's name, Jessica launches into a full-scale investigation, but hallucinations and nightmares of betrayal keep getting in her way. Jessica knows that with no blood to drink, Lucius's time is running out. Can she figure out who the real killer is—and whom she can trust—before it's too late? Exclusive e-book content includes twenty-one additional chapters that tell all the details of the beautiful and romantic wedding of Jessica and Lucius that takes place in the time between Jessica's Guide to Dating on the Dark Side and Jessica Rules the Dark Side.

Dark Side of the Mood illustrates how the support of a community, as well as daily meditation and reflection, can lead to a strengthening of self and faith. Author Sheri Medford takes us on a brave and powerful journey as she recounts, in a series of evocative vignettes, her experiences with bipolar disorder. Inviting the reader into her internal landscape, Medford looks beyond the physical needs to the deeper spiritual needs of someone encompassed by a chronic invisible disability in today's society. As her journey progresses, she comes to see her illness as a gift that led her to her true self, her soul, which, she comes to understand, is not ill. It is hoped that those who suffer from bipolar disorder, or have loved ones struggling with it, will find Medford's journey to be helpful and inspiring.

The bestselling, beloved classic on how to go into the dark side of yourself to bring out the light -- now with new material. Debbie Ford believes that we each hold within us a trace of every human characteristic that exists, the capacity for every human emotion. We are born with the ability to express this entire spectrum of characteristics. But, Ford points out, our families and our society send us strong messages about which ones are good and bad. So when certain impulses arise, we deny them instead of confronting them, giving them a healthy voice, then letting them go. It is to these feelings that Ford turns our attention, these parts of our selves that don't fit the personae we have created for the rest of the world. She shows us the effects of living in the dark, of keeping all our supposedly unsavory impulses under wraps. We find ourselves disproportionately frustrated and angry at the selfishness of friends, the laziness of colleagues, the arrogance of siblings. When we are unable to reconcile similar impulses in ourselves, Ford explains, we waste our own energy judging others instead of empathizing. But most important, we deny ourselves the power and freedom of living authentically. Through the stories and exercises in *The Dark Side of the Light Chasers*, Debbie Ford shows us not only how to recognize our hidden emotions, but also how to find the gifts they offer us. This is for fans of Marianne Williamson, Neale Donald Walsch, and Deepak Chopra. The very impulses we most fear may be the key to what is lacking in our lives.

Ferus Olin is trying to save the surviving Jedi, but his old rival Anakin Skywalker stands in his way.

Acclaimed, New York Times best-selling author Tom Angleberger delivers a captivating retelling of *Star Wars: Return of the Jedi* like you've never experienced before, infusing the iconic, classic tale of good versus evil with a unique perspective and narrative style that will speak directly to today's young readers while enhancing the *Star Wars* experience for core fans of the saga.

When a career-ending injury left elite athlete and professional football player Lewis Howes out of work and living on his sister's couch, he decided he needed to make a change for the better. He started by reaching out to people he admired, searching for mentors, and applying his past coaches' advice from sports to life off the field. Lewis did more than bounce back: He built a multimillion-dollar online business and is now a sought-after business coach, speaker, and podcast host. In *The School of Greatness*, Howes shares the essential tips and habits he gathered in interviewing "the greats" on his wildly popular podcast of the same name. In discussion with people like Olympic gold medalist Shawn Johnson and Pencils of Promise CEO Adam Braun, Howes figured out that greatness is unearthed and cultivated from within. The masters of greatness are not successful because they got lucky or are innately more talented, but because they applied specific habits and tools to embrace and overcome adversity in their lives. A framework for personal development, *The School of Greatness* gives you the tools, knowledge, and actionable resources you need to reach your potential. Howes anchors each chapter with a specific lesson he culled from his greatness "professors" and his own experiences to teach you how to create a vision, develop hustle, and use dedication, mindfulness, joy, and love to reach goals. His lessons and practical exercises prove that anyone is capable of achieving success and that we can all strive for greatness in our everyday lives.

Shows readers how to confront and direct their negative emotions to use them in a positive way to achieve a more satisfying, fulfilling life.

This is a critical study of the great British man of letters G.K. Chesterton, devoted to the novels, stories and essays that explore the darker fringes of his wild imagination. "Everything is different in the dark," wrote Chesterton; "perhaps you don't know how terrible a truth that is." Chesterton's use of the theme of "gargoyles" provides the thematic structure of the book. It covers the detective stories of Father Brown and others, the locked rooms and miracle crimes in his writing, his status as a science fiction writer, and the riddles and paradoxes of three works--*Job*, *The Man Who Was Thursday*, and the play *The Surprise*. This volume also includes an interlude about Chesterton and Jorge Luis Borges and a robust appendix including interviews about the formation of Ignatius Press's *Collected Chesterton*.

Text and photographs from the movies describe the evil characters in the *Star Wars* films.

After finding a tin can without a label on it, curious twelve-year-old Fergal Bamfield opens it to discover a desperate message for help that inspires Fergal and his friend, Charlotte, to venture out on a strange adventure that ends up being zanier than either could have ever imagined.

A top duelist attempts to use Darkness cards against Shobu, who must remember the lessons he learned from his Kaijudo Master father to save himself.

A former WWII intelligence agent searches for redemption in this thriller by the New York Times–bestselling author of *The Midnight Bell*. It's been nearly twenty years since Hugh Lomax set foot on the Greek island of Kyros. During World War II, British Intelligence sent him there on a mission to take out a high-tech German radar station. Aided by the local resistance, he succeeded—but was also captured and spent the rest of the war imprisoned. Now, he's returned. But he is far from welcome. When he reunites with someone he thought an old friend, the man threatens to kill him. The local authorities make it clear that he should leave and never come back. Because although he thought he had helped save Kyros, Lomax soon learns that his former comrades believe he turned traitor in captivity—a betrayal that cost many lives.

Unwilling to live with the betrayal, Lomax must delve into the violent past and dig into the unfamiliar present to find the man who stained his name with the blood of his friends. But this secret enemy is still watching his every move, waiting to silence him forever . . . Written before his novel *The Eagle Has Landed* took the world by storm, Jack Higgins's adventure of war and treachery showcases his absolute mastery of combining plot, action, and vividly drawn characters into the perfect thriller.

Dark Side of the Spoon: The Rock Cookbook features thirty recipes inspired by some of the most renowned rock acts of today and yesteryear. The dishes are accompanied by exclusive artworks from thirty top illustrators. Catering for cooks of all abilities and tastes, this book will help you master a wide range of appetizers, entrées, and desserts—including Smashing Pumpkin Pie, Fleetwood Mac and Cheese,

and Primal Bream. Dark Side of the Spoon celebrates the many humorous parallels between food and rock, and is a must-have for anyone with a love for cooking, music, or illustration, or indeed all three.

"Master of the Mountain is, quite simply, a beautiful book. Cherise Sinclair swept me away with her perfect blending of tenderness, healing, erotic discovery, and romance." ~Joyfully Reviewed BOOK DESCRIPTION: Rebecca thinks she is overweight and boring. Logan disagrees. When Rebecca's lover talks her into a mountain lodge vacation with his swing club, she soon learns she's not cut out for playing musical beds. But with her boyfriend "entertaining" in their cabin, she has nowhere to sleep. Logan, the lodge owner, finds her freezing on the porch. After hauling her inside, he warms her in his own bed, and there the experienced Dominant discovers that Rebecca might not be a swinger...but she is definitely a submissive. Rebecca believes that no one can love her plump, scarred body. Logan disagrees. He loves her curves, and under his skilled hands, Rebecca loses not only her inhibitions, but also her heart. Logan knows they have no future. Damaged from the war, he considers himself too dangerous to be in any relationship. Once the weekend is over, he'll have to send the city-girl subbie back to her own world. But will driving her away protect Rebecca or scar them both? "Readers can't help but fall under this author's spell as she creates magic with another deliciously scandalous book to delight in. Ms. Sinclair's plots are always fresh, intelligent, sensual, and emotionally moving." ~The Romance Studio THE MOUNTAIN MASTERS & DARK HAVEN series Mountain Masters: High in the Sierra mountains, Jake and Logan Hunt run a wilderness lodge that caters to alternative lifestyles—especially BDSM. Dark Haven: Set in a BDSM club in San Francisco, the Doms of Dark Haven are experienced, powerfull—and edgy. Although each book is stand-alone, they're fun to read in order, because of the recurring characters. Book 1: Master of the Mountain Book 2: Simon Says: Mine (novella) Book 3: Master of the Abyss Book 4: Master of the Dark Side (novella) Book 5: My Liege of Dark Haven Book 6: Edge of the Enforcer Book 7: Master of Freedom Keywords: BDSM, erotic romance, dominance, male Dom, dominant hero, submission, alpha male, bondage, spanking, Audible Best Seller of 2017 Inc. 11 Great Business Books New York Magazine Best Psychology Books LinkedIn's 12 Books on Leadership to Read Two mavericks in the field of positive psychology deliver a timely message Happiness experts have long told us to tune out our negative emotions and focus instead on mindfulness, positivity, and optimism. Researchers Todd Kashdan, Ph.D., and Robert Biswas-Diener, Dr. Philos., disagree. Positive emotions alone are not enough. Anger makes us creative, selfishness makes us brave, and guilt is a powerful motivator. The real key to success lies in emotional agility. Drawing upon extensive scientific research and a wide array of real-life examples, The Upside of Your Dark Side will be embraced by business leaders, parents, and everyone else who's ready to put their entire psychological tool kit to work.

This is the definitive life story of Alfred Hitchcock, the enigmatic and intensely private director of Psycho, Vertigo, Rear Window, The Birds, and more than forty other films. While setting forth every stage of Hitchcock's long life and brilliant career, Donald Spoto also explores the roots of the director's obsessions with blondes, food, murder, and idealized love—and he traces the incomparable, bizarre genius from Hitchcock's English childhood through the golden years of his career in America as one of the greatest directors in the history of filmmaking.

As the Clone Wars rage, Jedi Master Yoda must once again face one of his greatest adversaries: Count Dooku. . . . The savage Clone Wars have forced the Republic to the edge of collapse. During the height of the battle, one Jedi Knight escapes the carnage to deliver a message to Yoda on Coruscant. It appears that Dooku wants peace and demands a rendezvous. Chances are slim that the treacherous Count is sincere but, with a million lives at stake, Yoda has no choice. The meeting will take place on Djun, a planet steeped in evil. The challenge could not be more difficult. Can Yoda win back his once promising pupil from the dark side or will Count Dooku unleash his sinister forces against his former mentor? Either way, Yoda is sure of one thing: this battle will be one of the fiercest he'll ever face.

The exciting follow-up to 2020 IBPA award winner Star Wars: The Secrets of the Jedi. If you only knew the power of the dark side! Discover the ways of the Sith in this thrilling, informative, and fully illustrated children's book. Join Emperor Palpatine, otherwise known as Darth Sidious, in this exploration of the Sith and the evil allies of the dark side. Star Wars: The Secrets of the Sith will thrill young fans with dark-side knowledge, incredible artwork, and interactive features, such as pop-ups, booklets, and lift-the-flap inserts. • Experience the power of the dark side: Narrated by Emperor Palpatine, this book will give young readers insight into the might of the dark side. • Learn about some of the greatest Star Wars dark-side villains: Spanning films, television shows, books, comics, and video games, Star Wars: The Secrets of the Sith chronicles some of the dark side's most infamous practitioners, including Darth Maul, Count Dooku, Asajj Ventress, Darth Vader, the Grand Inquisitor, and Kylo Ren. • Amazing original illustrations: Star Wars: The Secrets of the Sith is a beautifully illustrated children's book that readers will want to revisit time and again. Real Doms terrify her, so Summer plays with lightweights only. And only in the safety of her club, Dark Haven. But on Western Night, the tough cop who wins her in a sub-roping game is as powerful as they come. Virgil's first taste of BDSM was disturbingly enticing. Hoping to burn out his interest, he visits an infamous San Francisco club, where he wins himself the prettiest little submissive he's ever seen. He's in a quandary. A man shouldn't render a woman helpless, let alone spank her ass. But the nervous little submissive clearly loves being in his ropes. Her need to be controlled is as powerful as his need to control. So he indulges himself, and her. That one night could be the beginning, but instead it's the end. She won't play outside the club and he lives too far to visit often. He'll just have to find a way to forget her...or get her in his ropes to stay.

The Christian world has been rocked by the number of prominent leaders, in both church and parachurch organizations, who have been compromised by moral, ethical, and theological failures. This pace-setting volume addresses this alarming problem and offers Christian leaders valuable guidance in dealing with the inherent risks of their work. Using biblical and current examples, the authors describe the characteristics of five types of leaders and the problems that are most likely to develop if their particular dysfunctions develop unrestrained. McIntosh and Rima offer a series of steps for

leaders to consider so they can take control of their dark side and learn to harness its creative powers. This edition includes a new introduction, updated information throughout, a self-assessment tool, and other additional material.

Includes endorsements from John Maxwell, Leighton Ford, Leith Anderson, and Rob Angel.

Follows Anakin Skywalker as he struggles with his duty as a Jedi Knight and his role as the secret husband of Senator Padme Amidala, and chronicles the creation of Darth Vader and the birth of Luke Skywalker and Princess Leia Organa.
