Early on the morning of May 6, 1840, the elderly Lord William Russell was found in his London house with his throat so deeply cut that his head was nearly severed. The crime soon had everyone, including Queen Victoria, feverishly speculating about motives and methods. But when the prime suspect claimed to have been inspired by a sensational crime novel, it sent shock waves through literary London and drew both Dickens and Thackeray into the fray. Could a novel really lead someone to kill? In *Murder by the Book*, Claire Harman blends a riveting true-crime whodunit with a fascinating account of the rise of the popular novel and the early battle for its soul among the most famous writers of the day.

True crime database explore crime in a multitude of aspects: the dark motives that spur it, the shock of its impact on society, the effort to make sense of the violent extremes of human behavior. The following true crime stories are so horrific, it's difficult to believe they actually happened, or that human beings could be capable of committing such atrocities. Sometimes, real life is a lot grimmer than fiction. Sometimes, real life involved murder, abduction, betrayal, torture, and death."--Page [4] of cover.

Bizarre! Shocking! Horrific! Depraved! 18 Shocking True Crime Murder Cases From Around The World, including; If You Love Me You'll Kill Her: Diane was prepared to accept her fiancée's infidelity, but only if he murdered the "other woman." A Japanese Cannibal In Paris: A brilliant Japanese student develops a taste for western women while studying in France. An Unparalleled Evil: Two ten-year-olds abduct a toddler from a mall. What happens next is barely believable. Executed At Fourteen: A double homicide, a juvenile killer, a one-way ticket to the electric chair. Australia's Hannibal Lecter Was A Woman: She learned her butchering skills working in an abattoir, and used them on her errant lover. An Officer And A Psychopath: Who could have known that the colonel was a cross-dressing serial killer? Buried Alive: A beautiful nine-year-old girl disappears from her bed during the night, taken by a depraved pedophile. Chicago's Sausage Vat Murder: Did Chicago's self-proclaimed "Sausage King" turn his missing wife into bratwurst? Plus 10 more riveting true crime cases. Get your copy now.

At the time, the 8th Day Era of America was seen as enlightened. It stood as a testament to scientific advancement and of man's triumph over nature and instinct. Violent crime was relegated to the history books. Viewed as nothing but a barbaric scourge of the past. Murder went extinct, it had been cured. Mickey Moore grew up in this sanitized version of America. He was a drifter and a small-time cheat. As Mickey matured, he sharpened his con-game, and got by on the misfortunes of others. But trickery and dumb-luck eventually betrayed Mickey, and he found himself broke and homeless as he approached middle age. Destitute and desperate, Mickey was hitching a ride across the New Mexico desert when fate shoved a new path before him. Under the bright rays of a dying sun, Mickey saw the impossible, he witnessed a murder. Shocked still in disbelief, he marveled at this primal display of man's feral past. The violence before him came at Mickey like a revelation. He was frightened, terrified in fact, but the con-man in him saw an opportunity. The sensation that Mickey felt was so strong, he felt as it awakened areas of his mind that the 8th Day Era's medicine had put to sleep. To package and sell such an experience was a million-dollar idea, and for the first time, Mickey actually believed in something. He would erect CrimeSpree, an amusement park, an interactive museum of man at his worst. Mickey's venture offered the American public the chance to participate in violence once again. At CrimeSpree, customers paid to play the parts of the victims of violent crime. It was all scary and lecherous fun, as a bored and uninspired public lined up to take part in the charade. But the fun and the games eventually put out the proverbial eye. The monster that Mickey created came to life and it dug human instinct out of the grave. The past was coming back around again. It was coming for America, and it was coming for Mickey.

Someone is sending a message to Congressman Grant Copeland and bodies are turning up with striking similarities. A single shot to the head. A single word written on a piece of fabric left in the victims' mouths. The BAU team at FBI's Washington Field Office is asked to consult. Special Agent Kate Reid and Agent Vasquez work under SSA Jameson now that Nick Scarborough has been transferred to Quantico. With Kate in the process of applying for a transfer to join him, this investigation is crucial as she is assessed by her potential new supervisor, SSA Noah Quinn. The case, however, is thrown into disarray when Detective Anthony Phelps, an unwitting participant in this joint investigation, attempts to shut out Kate and her team. Determined to get to the bottom of Phelps' motivation, Kate begins to lose focus on the victims and instead shifts her resources to discovering what the detective is hiding and why he seems hell-bent on protecting the congressman. With leads running dry, Agent Jameson issues Kate an ultimatum. Back off the detective and return her attention to finding the killer, or risk denial for the highly-coveted position at Quantico. Will Kate listen to her head or her heart? Robin Mahle continues the action-packed and thrilling Kate Reid series with this latest installment. Book 7 promises to bring greater challenges for our heroine and a choice that could alter her future once again. For more information, visit Robin's website: www.robinmahle.com

Bullets, car bombs, brutal murder and more explode from the pages of this fast-paced mystery of lust, love, fraud and desperation. Private detective Charlie Komensky, in true murder mystery form, never fires a shot as he investigates an apparent double homicide. The ex-Chicago cop is hired by a rich, seductive client from Iowa, who insists that the murder of her lover, Danny

Flatwood, can be solved by pinning it on the widow. As a train fanatic extraordinaire, Charlie also manages to get in as much railroading as possible as he heads off to Iowa City.

Hello, I'm Huey P. Cobb and the author of the book titled "GET IT HOW YOU LIVE." I started writing this story on December 26, 2011. As you can see all my hard work has now become a reality. The majority of the story was inspired by true events out of East Palo Alto. I'm explaining a real life street story about a town that became the Murder Capital of the world. The main characters are Madlock, DP, KK and Money T. The four men grew up together and remained loyal to each other over the years. They formed their own roguish living B.M.B street name which involved drugs, guns, murders, crime, cars, fights, parties, pretty women and a record label. This is my story and this is The B.M.B Creed. ..It's always a blessing when making it through the threshold. It's like walking through a portal stepping into the unknown, knowing all the things you've done in the past places a tattoo scar upon your life. Something like an emotional shadow that lingers overhead. A dark cloud waiting for the moment to rain down on you with no remorse. How many of us really last in the game before Lucifer is resurrected in the spirit of someone that's scorned. Then it's not about the money, it's about the redemption of your soul. It becomes your turn to beg and plead for your life, asking for forgiveness speaking to deaf ears of no understanding. Pain, blame, loss and disgrace is replaced by the taste of sweetness knowing that you will be found face down in bad weather..." These men never disregarded the fact this would someday happen to them. This was the life they chose to live. Roguish living BLACK MONEY BUSINESS. East Palo Alto was dubbed the Murder Capital of the world by U.S. media in 1992. Eye survived the street war.

With his dying breath, Bobby Lowell begs Ellison Russell, "Tell her I love her." Unable to refuse, Ellison struggles to find the girl the murdered boy loved. Too bad an epically bad blind date, a vindictive graffiti artist, and multiple trips to the emergency room keep getting in the way. Worse, a killer has Ellison in his sights, her newly rebellious daughter is missing, and there's yet another body in her hostas. Mother won't be pleased. Now Ellison must track down not one but two runaway teenagers, keep her promise to Bobby, and elude the killer-all before her next charity gala committee meeting.

Get Inside the Mind of a Vicious Serial Killer Serial killers are a different breed of killer. They're people you know. People with families. They're often polite and cordial in public settings. They're often educated. And most times, they're just the guy-or girl-next door. But deep beneath the polite and innocent looking exterior, lays a deranged sociopath that kills habitually-and without a shred of mercy or remorse. Now, inside this book you'll gain a firsthand understanding of why serial killers do what they do. You'll discover the thought patterns, motives, and behavioral traits that set serial killers apart. You'll know the inner working of a serial killer's mind, and what REALLY drives them to commit their horrendous acts. This is unlike any other book you've read on criminal psychology, as the content can get quite detailed and graphic. We're not here to make you feel good, only to share the real facts and theories associated with serial killer behavior. When you're finished reading this book you should understand a serial killer's world, the thought process of a serial killer, and the background of a serial killer. Real life serial killers will be used as examples throughout this book as well. Download this book today and also discover The definition of a serial killer What separates serial killers from other kinds of killers The four subcategories of serial killers Elaborate tactics serial killers use to ensnare their victims How serial killers are NEVER what you'd expect A list of serial killers along with their crimes, motives, and personal lives detailed Belle Gunness, the famous man killer who was never found The theory of organized and disorganized serial killers The category of missionary killers Children who are serial killers!?! The surefire sign that reveals if one will grow up to be a serial killer Jeffery Dahmer's thought processes The kinds of living conditions that breed serial killers How head trauma at an early age could lead to serial killing How moving around a lot at an early age can lead one to become a serial killer An inside look at the notorious Ted Bundy The psychology of Son of Sam and how he would choose his victims Much, much more So whether you work in healthcare, law, or would just like to be an informed citizen-this book will help you grasp and identify serial killer behavior at a deeper level. Download This Book Today and Discover the Inner workings of a Serial Killer's Twisted Mind

When a mad scientist and his twin android girls kill the king of Forland in an attempted coup, Princess Alita accidentally swaps spirits with a female bounty hunter, and the two girls must struggle to keep the kingdom together.

Murder by the Book? is a thorough - and thoroughly enjoyable - look at the blossoming genre of the feminist crime novel in Britain and the United States. Sally Munt asks why the form has proved so attractive as a vehicle for oppositional politics; whether the pleasures of detective fiction can be truly transgressive; and when exactly it was that the dyke detective appeared as the new super-hero for today. Along the way Munt poses some critical questions about the relations between fiction and activism, politics and representations, the writer and the reader. This will be an enticing book both for addicts of the genre and for teachers and their students.

A humorous graphic investigation of the author's obsession with true crime, the murders that have most captivated her throughout her life, and a love letter to her fellow true-crime fanatics. Why is it so much fun to read about death and dismemberment? In Murder Book, lifelong true-crime obsessive and New Yorker cartoonist Hilary Fitzgerald Campbell tries to puzzle out the answer. An unconventional graphic exploration of a lifetime of Ann Rule super-fandom, amateur armchair sleuthing, and a deep dive into the high-profile murders that have fascinated the author for decades, this is a funny, thoughtful, and highly personal blend of memoir, cultural criticism, and true crime with a focus on the often-overlooked victims of notorious killers.

After top school officials decide that it's more important to protect the institution they work for than to look out for the best interests of teens who have been sexually abused by a teacher, a parent plans to find justice for the girls by killing three officials with prescription medicine. Reporter Nick Steele gets a call to write an obituary for one of the dead men. Steele, considered washed up by his newsroom colleagues, overcomes his own demons and unravels the murder plot as this question looms: Who dies next?

Tim Euston was willing to risk his life for his nation's independence and his opportunity came when a murder led him into a dangerous involvement with smugglers and spies. It was 1777, the end of the second year of the American Revolution, and the town of Yonkers was on the Neutral Ground - the no man's land that separated the British on Manhattan Island from the Americans to the north. On a cold January night, Tim Euston was thrown in jail - accused of robbery by the man who had his hands on Tim's fourteen-year-old sister, Sadie. Two days later the only adult who could testify to Tim's innocence was found dead. Testimonies of friends were enough to get Tim out of jail but the father of one of these boys was wrongfully convicted. Who was the real killer? Those with motives had alibis, and many just did not care. Both the man killed and the man punished were poor and powerless. But Tim Euston cared. They were his friends. Tim wanted justice and he would keep looking until the real killer was identified.

An equal parts haunting and hilarious deep-dive review of history's most notorious and cold-blooded serial killers, from the

creators of the award-winning Last Podcast on the Left Since its first show in 2010, The Last Podcast on the Left has barreled headlong into all things horror, as hosts Henry Zebrowski, Ben Kissel, and Marcus Parks cover subjects spanning Jeffrey Dahmer, werewolves, Jonestown, and supernatural phenomena. Deeply researched but with a morbidly humorous bent, the podcast has earned a dedicated and aptly cultlike following for its unique take on all things macabre. In their first book, the guys take a deep dive into history's most infamous serial killers, from Ted Bundy to John Wayne Gacy, exploring their origin stories, haunting habits, and perverse predilections. Featuring newly developed content alongside updated fan favorites, each profile is an exhaustive examination of the darker side of human existence. With appropriately creepy four-color illustrations throughout and a gift-worthy paper over board format, The Last Book on the Left will satisfy the bloodlust of readers everywhere.

The world can be a very strange place in general and when you open the pages of this true crime anthology you will quickly learn that the criminal world specifically can be as bizarre as it is dangerous. In the following book, you will be captivated by mysterious missing person cases that defy all logic and a couple cases of murderous mistaken identity. Follow along as detectives conduct criminal investigations in order to solve cases that were once believed to be unsolvable. Every one of the crime cases chronicled in the pages of this book are as strange and disturbing as the next. The twelve true crime stories in this book will keep you riveted as you turn the pages, but they will probably also leave you with more questions than answers. For instance, you will be left pondering how two brothers from the same family could disappear with no trace in similar circumstances over ten years apart. You will also wonder how two women with the same first and last names, but with no personal connections, could be murdered within the same week in the same city. The examination of a number of true crime murder cases that went cold, but were later solved through scientific advances, will also keep you intrigued and reading. Open the pages of this book, if you dare, to read some of the most bizarre cases of disappearances, mistaken identity, and true murder. Some of the cases will disturb and anger you, but make no mistake, you will want to keep reading!

Former Baltimore City homicide detective Kelvin Sewell has seen it all. Gang members burned alive; a baby unceremoniously stuffed into the ground by its own mother; a sex offender who killed a child in a delusional jealous rage. The constant grind of bearing witness to violent death has given Sewell an unprecedented perspective into the minds of killers. He sat in the Baltimore Police Department's interview room with 14-year-old Devon Richardson as the teen tried to explain why he shot a woman he didn't know in the back of the head. He watched the father of 17-year-old Nicole Edmonds cry over the corpse of his dead daughter, murdered for a cellphone. But now for the first time Sewell has decided to share the insights and the pain, the dehumanizing effects of crime and waves of psychic despair and social dysfunction in his groundbreaking book, *Why Do We Kill?* "I think people deserve to know the truth," said Sewell, a 20-year veteran of Baltimore City's police department. "They need to get a sense of why people kill in Baltimore. I want people to see what we see as detectives," he explained. "I think there are misconceptions about crime in Baltimore, and I hope this book will clear them up." The book recounts some of the most notorious homicide cases in Baltimore in the past decade, all told from the perspective of the cop who worked them. Joining forces with Sewell is award-winning investigative reporter Stephen Janis, who covered City Hall for the now-defunct Baltimore Examiner and is founder of the award-winning news website Investigative Voice. "What makes this book different is the collaborative voice," said Janis. "Kelvin would discuss his thoughts on the cases and I then tried to tell the story by adding the context that comes naturally with being a reporter." Janis's colleague at Investigative Voice, reporter and political scientist Alan Z. Forman, served as editor for the project. Janis is no stranger to the Baltimore crime scene, winning a string of prestigious awards for his crime reporting, including two consecutive Maryland-Delaware-DC Press Association awards in Category A for his series on the murders of sex workers and his investigation into the high number of unsolved killings in Baltimore.

The discovery of the mutilated corpse of a legal secretary in the garden of her employer's house presents an intriguing problem for the west Yorkshire police force. The absence of any motive or credible suspects make it seem that they are heading for a dead end. Unknown to the police, this murder was an act of revenge, carried out by an unsuspecting man, manipulated by a malevolent controller who has infiltrated his mind. For the controller, this act was retribution, but he soon escalates it to another level, regarding it as a game. He presents the police with yet another murder and as suspects line up, confusion reigns. He cares little about who suffers in this bizarre game. The outcome is uncertain and the reader is challenged to identify the real perpetrator. The first part of a trilogy, this book merely whets the appetite. For more information, contact www.winemanauthor.com

How To Get Away With Murder: Evil Masterminds Who Evaded Capture "There appear to be two types of situations in which one can be said to literally get away with murder. The first, and most common, is that the killer remained unknown until his criminal activity stopped. The second is that the killer was apprehended and tried, but was found innocent due to lack of evidence, loopholes in the justice system, or some other type of underhanded tactic. The cases which follow are all instances in which a perpetrator of a horrific crime evaded capture and continued to live their lives without repercussion. For each case, the actual truth is entirely unknown, and there exists the very real possibility that the killer (or killers) were imprisoned, died or suffered a similar deserved fate once their crimes ceased." Contains shocking true stories of evil murderers who got off scot-free, including serial killers who still remain at large. *How To Get Away With Murder* paints the true stories of some of the most horrific criminals to escape true justice.

The pleasant atmosphere at a dude ranch darkens with the unwelcome appearance of an ex-Hollywood western star who enjoys causing trouble. Money issues, secrets from the past, and a star-struck young woman provide plenty of motives for the Sheriff when a murder occurs. "The dude ranch was well-run-the scenery was magnificent-but suggestions of tragedy were in the clear mountain air. The appearance of Spike Nolan, "Lothario of the Lariat" and ex-Hollywood actor, brought to light secrets hidden for many years. An old murder charge in which the ranch owner had been involved draws guests and friends into the circle of events, as Nolan lives up to his reputation as a 'bad' performer. A smoothly written mystery, its plot is completely developed and its characters are neither bizarre nor trite." (F.A.P., Rochester, NY, Democrat and Chronicle, 1955) *Murder in Jackson Hole* was first published in 1955. For additional classic crime fiction, visit CoachwhipBooks.com.

An ideal family is targeted for death by the least likely enemy, who plotted their demise from behind bars.... A sexual predator hides behind multiple fake identities, eluding police for years while his past victims live in fear that he will hunt them down.... A modest preacher's wife confesses to shooting her husband after an argument -- but there's more to her shattering story than meets the eye. These and other true cases are analyzed with stunning clarity in a page-turning collection you won't be able to put down. Included in this volume are stories of a victim burned beyond recognition - spontaneous human combustion? - impossible - and yet no one else seemed to enter or exit; a man who was a woman who was a man, whose con games in a small community led to murder; a "counterfeit priest" who wasn't a priest at all; a lifetime rapist; and the strangest case ever to hit Montana.

A psychologist looking for closure after her horrific kidnapping. An untested detective desperately seeking to prove himself. And a killer who could be anyone... Raine Walsh has escaped the Warden, but the ghosts of her wrongful incarceration still haunt her. While she has her

freedom, many of the innocent people she was captive with do not, and as time passes, Raine becomes more and more concerned the Warden will never be found and brought to justice. Detective Jonah Heely's first case is a chilling echo of the Kitty Genovese murder from 1964. Despite the victim being killed near plenty of witnesses, Jonah has no leads. Worse, it's soon clear he's tracking a serial killer, and time is running out for the killer's next victims. Noticing similarities between this string of new murders and Raine's unsolved kidnapping case, and with his job on the line, Jonah turns to Raine for help. Raine seizes the opportunity to help in order to keep the hunt for the Warden alive. Together, she and Jonah must find the killer before he strikes again. But it's hard to catch a killer who uses the bystander effect to their advantage... and who may be closer to both of them than either could imagine... The Bystander Effect is the second book in the Mastermind Murderers series. If you like haunting, heart-pounding, edge-of-your-seat thrillers, then you'll love this psychological thrill ride from Kristin Helling.

In the same vein as the first book in the series, True Crime, Volume 2, includes more than two dozen gripping tales of murder, kidnapping, robbery, and much more from the Reader's Digest archives. For more than 90 years, Reader's Digest has been telling the amazing true stories of real-life thrillers, unsolved mysteries, and tales of cold-blooded murder—and of the regular folks caught up in these harrowing situations. Now we've pulled together a collection of more than two dozen of these gripping narratives, including: The tale of the bank heist pulled off by a gang of old geezers The bizarre story of Robert Durst, a real-estate heir accused of three grisly murders The case of the 1849 murder at Harvard involving a professor The harrowing account of parents who saved their daughter from a serial killer The history of the original Ponzi scheme The stories in True Crime, Volume 2, are for crime aficionados and novices alike, tantalizing enough to hold your attention yet brisk enough to be your best beach or book club read. Enjoy the ride with a carjacker, a wife killer, and modern-day pirates living on borrowed time. (Enjoy even more how they get their just deserts.)

The cold-blooded killers of today are the same as they were one hundred years ago. The style of their clothes, their music, and even their means of transportation are completely different, but murder then is the same as murder now. They had their own serial killers—including one who had a side-hobby burning down buildings, contract killers on a motorcycle, roadside bombers, child molesters turned killers, charming psychopaths, a spoiled teenager, a dangerous killer with an albino complexion, a former police chief turned robber and killer, and a minister who did the unthinkable.

Retired federal agent Joe Nicoletti is ready for a change. He dreams of moving far from Washington, D.C. and living a quiet life. Moving to Missoula seems to be a dream come true. He never dreamed he'd become the suspect in a high profile murder case, forcing him to undertake the most important investigation of his life. But dreams can turn into nightmares when there is Murder in Missoula. A suspense novel of love and attraction, both natural and perverse, friendship and sacrifice, of innocence protected only by the premonition of evil, telepathy, dreams as harbingers of events yet to come, fate and destiny. All wrapped in this fast paced novel of murder and suspense. Lucid Death is the first work by Paloma Cabadas and is an international reference for people who seek their own transcendence. As the author reveals, Lucid Death is the natural consequence of having lived with lucidity, the discovery of the meaning of life and death as well as the loss of all one's fears and transforming beliefs into direct knowledge. In her book, Lucid Death, based on the experience of over twenty years of research, Paloma Cabadas explores fascinating topics such as: The interpretation and discovery of our dreams, premonitions and awareness experiences. To lose our fear of the unknown, fear of changes and the fear of losing our identity. To successfully achieve and evolutionarily benefit from out-of-body experiences and subtle consciousness experiences. To use knowledge of oneself as a self-healing method. To explore the knowledge of what life after death is like.

Playboy stockbroker, Alvin Benson, is found in his brownstone mansion with a bullet through his head. First on the scene is Philo Vance, amateur detective, who is at once intrigued by the absence of Alvin's toupee and his false teeth. With a jigsaw of odd clues he sets off in pursuit of an elusive murderer, making obvious his disdain for the professional crime-solvers of the police and the DA's office. To him, they seem to be hopelessly addicted to the pernicious practice of looking for physical clues and circumstantial evidence. His own theory is that psychology is the key. The first in the Philo Vance series, The Benson Murder Case, originally published in 1926, has all the hallmarks of a ripping, puzzle-solving crime.

In this true crime anthology you'll learn about some of the most shocking true crime cases that have happened in the last forty years. You will find yourself thrust into a world that is often depraved but always intriguing and fascinating, leaving you wanting to read more. These twelve cases, which span the globe, are a true testament to the idea that crime comes in all shapes and sizes. There are a number of themes in this volume, including missing persons, road trips gone wrong, and family annihilations. You will read about a case in New Zealand where two young people celebrating the New Year vanished without a trace never to be seen again, yet a man was still put on trial for their murders. The tragic case of Denise Pikka Thiem--a woman who went on a world trip to find spiritual meaning but ended up murdered--is also profiled in this book. The unfortunate phenomenon of mass murder, particularly family annihilation, is covered in two uniquely bizarre cases in this book. In one case, a man claimed a voodoo demon drove him to murder his family, while in another a man dressed as Santa Claus attempted to murder an entire family during the holiday season. Along with those cases are several others that highlight the strange and dangerous world of the modern criminal. After reading all of the murder mysteries in this volume you will be left wanting to read more. So sit back, relax, and open the pages of this engaging true crime book to learn the secrets of some of the worst criminals to walk the earth over the last forty years! When the Lord of Tarsis finds himself with a politically volatile murder on his hands, he turns to the three most expendable inhabitants of the city for a solution.

There is little more terrifying than those who hunt, stalk and snatch their prey under the cloak of darkness. These hunters search not for animals, but for the touch, taste, and empowerment of human flesh. They are cannibals, vampires and monsters, and they walk among us.

These serial killers are not mythical beasts with horns and shaggy hair. They are people living among society, going about their day to day activities until nightfall. They are the Dennis Rader's, the fathers, husbands, church going members of the community. This A-Z encyclopedia of 150 serial killers is the ideal reference book. Included are the most famous true crime serial killers, like Jeffrey Dahmer, John Wayne Gacy, and Richard Ramirez, and not to mention the women who kill, such as Aileen Wuornos and Martha Rendell. There are also lesser known serial killers, covering many countries around the world, so the range is broad. Each of the serial killer files includes information on when and how they killed the victims, the background of each killer, or the suspects in some cases such as the Zodiac killer, their trials and punishments. For some there are chilling quotes by the killers themselves. The Big Book of Serial Killers is an easy to follow collection of information on the world's most heinous murderers.

Generational Affliction. Molested. Abortion. Raped. Abandoned Lover. EMOTIONAL MURDER: VOLUME 1 begins on a hot, summer day, a day a plot unfolds for Rhonda Jones' death. But it was not a traditional death from an illness or natural cause; it was emotional murder. A heinous crime results in Rhonda's downward spiral, incapacitating her to feel basic emotions and no longer experience happiness or pleasure from her own existence. Follow her story as the evidence is gathered and the suspects are introduced. Veronica Tucker died to religion, resurrected from each adversity with an assurance she is a daughter of Royalty, a daughter of the Kings of Kings. "Rhonda Jones" is Veronica's pseudonym. All other names in the memoir have also been changed to protect identities.

Can't get enough of gruesome True Crime stories and endless turn of events? Then this book is for you. In the following pages of this true crime anthology, you will be introduced to some of the most tragic crime cases in modern history. The twelve crimes profiled in this volume will keep your eyes glued to the pages, although sometimes due to the shocking nature you will undoubtedly want to turn away. The primary theme of this volume is youth violence and some of the factors that have driven kids to kill. Some of the reasons were as shocking as the crimes themselves, such as the case of the two thirteen-year-old boys who killed one of the boy's grandmother so they could buy some marijuana and have a pizza party. You will also read about teens who killed just for fun, such as Don Collins, while the motives for other teen murderers remain a mystery. The tragic case of the murder of the Doss family highlights that sometimes people, even teenagers, don't need a reason to kill. Along with the profiles of teen killers are other chapters that examine cold case murder mysteries and other cases that can only be described as strange or bizarre. No matter the content, each of the twelve chapters are riveting and will keep you wanting to read more. So come along for a journey into the depraved criminal mind. The world you are about to enter may frighten and shock you, but you will also be intrigued as you learn what makes some of the worst killers tick...

"It is always a treat to read a Nero Wolfe mystery. The man has entered our folklore."—The New York Times Book Review Introduction by David Handler It wasn't Leonard Dykes's writing style that offended. But something in his unpublished tome seemed to lead everyone who read it to a very unhappy ending. Now four people are dead, including the unfortunate author himself, and the police think Nero Wolfe is the only man who can close the book on this novel killer. So the genius sleuth directs his sidekick to set a trap . . . and discovers that the truth is far stranger—and far bloodier—than fiction. A grand master of the form, Rex Stout is one of America's greatest mystery writers, and his literary creation Nero Wolfe is one of the greatest fictional detectives of all time. Together, Stout and Wolfe have entertained—and puzzled—millions of mystery fans around the world. Now, with his perambulatory man-about-town, Archie Goodwin, the arrogant, gourmandizing, sedentary sleuth is back in the original seventy-three cases of crime and detection written by the inimitable master himself, Rex Stout.

Provides a collection of comic strip versions of murders in Great Britain during the Victorian era.

"All True Stories-from Police and Court Records Inside: Killer wanted to marry the corpse! - Pot smoker was a knife freak-Killed his own mother with a pickaxe-Preyed on young black women-Rosemary's rosaries-Mad murderess slept in victim's blood-And much more!" A ringing endorsement from one of America's Top True Crime Editors: Krist Boardman is "one of the very best detective writers. He does a lot of detective-like work himself for an article... He's got the formula down and he really knows the knack of adding a measure of suspense to the story." Art Crockett, late editor-in-chief of The Official Detective Group of magazines, HarfordCountySun.

A divorcee estranged from her father resorts to extreme measures; A newly-wed woman is brutally raped by her father-in-law and seeks justice; A charming young man plans to seduce a beautiful, blonde tourist; An orthodox Muslim man struggles to adjust to life in the United States. These are some of the tales in this book of captivating short stories.

Murder Most Vile Volume 118 Shocking True Crime Murder Cases

She knows what you did...you will be exposed. Eva St. Claire, along with her siblings, carry a heavy burden. Each, in their own way, see the nightmare of evil hidden beneath the surface. Serial killer Mason Smith rots in prison for the murder of a young woman. However, the secret of another killing, still resides within him. Through Eva's unique family ability, she knows Mason is guilty of yet another murder, and she is determined to see him put to justice. When FBI Agent Adam Frasier's father reveals a blindsiding secret, he's forced to delve deeper into his investigation of the Angel of Death, and Eva holds the key. Dogged by secrets and hounded by a mysterious killer bound and determined to end Eva, Adam and Eva will have to find the truth, before becoming victims themselves. Together or apart, they fight to expose the darkness no matter what the cost.

R. Barri Flowers, award-winning criminologist and bestselling author of Serial Killers & Prostitutes and The Sex Slave Murders, brings together six of his best previously published true crime stories in this captivating third volume of Murder and Menace:

Riveting True Crime Tales. Murder of the Banker's Daughter: The Killing of Marion Parker tells the tragic story of a child's abduction in Los Angeles in 1927, her brutal murder, and the intense manhunt for and capture of a young and elusive killer.

Murder in Calaveras County: The Horrific Tale of Serial Killers Leonard Lake and Charles Ng recounts the vicious crimes of the deadly pair in in Calaveras County, California, during the mid-1980s, including kidnapping, rape, torture, and videotaping their murdered victims. The Xerox Repairman Mass Killer: The Story of Byran Koji Uyesugi is the disturbing tale of Honolulu, Hawaii's worst mass murder as a disgruntled employee opened fire on coworkers in a tragic case of workplace violence that reverberated around the country. The "Sinful" and "Folsom Wolf" Killers: The Tale of James Marlow and Cynthia Coffman relives the cross-country rape, robbery, and killing spree of a career criminal and white supremacist and a troubled woman before their terror came to an end. Murder in Mission Hill: The Tale of Carol Stuart and Charles Stuart is the heartbreaking story of a pregnant Boston lawyer's untimely death, uxoricide, use of the race card to mislead authorities, and the unraveling of the murder mystery to a shocking conclusion. The Boney and Claude Murders: The Serial Crimes of Alvin Neelley and Judith Ann Neelley tells the twisted story of a serial killer couple who likened themselves to Bonnie and Clyde in the modern era as they tortured and murdered their victims till justice was served. Included is a bonus excerpt from the historical true crime reference book, Murders in the United States: Crimes, Killers and Victims of the Twentieth Century, by R. Barri and H. Loraine Flowers.
