There, she meets Gannon, a darkly seductive and oh-so-dangerous businessman who knows exactly how to handle her. Nash Lee has it all—he's the star running back of Lawton's football team, being scouted by division one colleges, and on track to have a carefree senior year. But when an accident leaves him with a permanent limp, all of Nash's present and future plans are destroyed, leaving him bitter, angry, and unrecognizable from the person he used to be. Facing a new school year with her new body, Tallulah is out to seek revenge on Nash's cruelty. All does not go according to plan, though, and Tallulah and Nash unexpectedly find themselves falling for each other. But with all the pain resting in each of their hearts, can their love survive?

As I Lay Dying is Faulkner's harrowing account of the Bundren family's odyssey across the Mississippi countryside to bury Addie, their wife and mother. As they carry Addie in a homemade coffin, pulled along by a team of mules, the Bundrens are haunted by greed and fear—their journey both mocks and confirms our humanity. Their story is told in turn by each of the family members—including Addie herself—as well as those they encounter on their way. This fractured viewpoint epitomizes Faulkner's visceral modernist style, as the varied voices reveal secrets, expose desires, and bring back the dead. A benchmark achievement and one of the most influential novels in American fiction, As I Lay Dying not only endures but prevails.
