

Pure Covenant 2 Jennifer L Armentrout Abcxyzore

HALF-BLOOD is the unputdownable first book in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. This special paperback edition also includes the prequel novella DAIMON. The Hematoi descend from the unions of gods and mortals, and the children of two Hematoi - pure-bloods - have godlike powers. Children of Hematoi and mortals - well, not so much. Half-bloods only have two options: become trained Sentinels who hunt and kill daimons or become servants in the homes of the pures. Seventeen-year-old Alexandria would rather risk her life fighting than waste it scrubbing toilets, but she may end up slumming it anyway. There are several rules that students at the Covenant must follow. Alex has problems with them all, but especially rule #1: Relationships between pures and halves are forbidden. Unfortunately, she's crushing hard on the totally hot pure-blood Aiden. But falling for Aiden isn't her biggest problem - staying alive long enough to graduate the Covenant and become a Sentinel is. If she fails in her duty, she faces a future worse than death or slavery: being turned into a daimon, and being hunted by Aiden. And that would kind of suck.

Dez Cross has problems. She's almost eighteen and on the verge of losing her mind thanks to the drug the Denazen corporation used to enhance her abilities. People close to her have turned their backs on the underground and are now fighting for the wrong side. And then there's Kale... Things couldn't get any worse. Until, of course, they do. Denazen is about to start a new trial—this one called Domination—and it works. But that means out with the old and in with the new. The order has been given to terminate all remnants of the second trial—including Dez. The good news is that there's a survivor from the original trial. A woman whose blood may hold the cure for the second generation of Supremacy kids' defects. But the underground Sixes aren't the only ones who know about her. Dez's father is willing to throw away everything he has to keep Dez from getting the cure—including the one thing that might tear her apart from the inside out. The Denazen series is best enjoyed in order. Reading Order: Book #1: Touch Book #1.5: Untouched (novella) Book #2: Toxic Book# 2.5: Faceless (novella) Book #3: Tremble Book #4 Transcendent

Turns out he has a galaxy of enemies wanting to steal his abilities and the only way I'm getting out of this alive is by sticking close to him until my alien mojo fades. If I don't kill him first, that is. Onyx Daemon's determined to prove what he feels for me is more than a product of our bizarro connection. So I've sworn him off, even though he's running more hot than cold these days. But we've got bigger problems. I've seen someone who shouldn't be alive. The unforgettable second novel in the acclaimed Covenant series from #1 New York Times bestselling Jennifer L. Armentrout. Includes a special bonus scene from Seth's point of view. Enter the world of Covenant... For Alexandria, being destined to become some kind of

supernatural electrical outlet isn't exactly awesome - especially when her 'other half' is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom - so not cool. Their connection does have some benefits, like staving off her memories of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. When daimons infiltrate the Covenants and attack students, the gods send furies - creatures determined to eradicate any threat to the Covenants and to the gods... and that includes Alex. If that and hordes of aether-sucking monsters weren't bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her.

Jennifer L. Armentrout (also known as J. Lynn), New York Times bestselling author of the Wait for You saga, delivers a new novel of first love, second chances, and scorching chemistry. Eleven months ago, bartender and weird-shirt-wearing extraordinaire Roxy and Officer Reece Anders had a one night stand. Well, kind of. She's been in love with him since she was fifteen, and he wishes that night they shared never happened. She's sworn him off forever, but the past and future collide, forcing her to rely on the one man who broke her heart not once, but twice. Her best friend since birth has been in a long-term care facility since he became a victim of a hate crime years ago, and the person who put him in there is out of prison and wanting to make amends with him and Roxy. She's not sure she has room for forgiveness in her and when she begins to receive frightening messages and is on the receiving end of escalating violence, she thinks she knows who is to blame. The man who already destroyed one life already. But Reece isn't convinced. The threats are too personal, and even if Roxy doesn't believe him, he's not willing to let anyone hurt her. Including himself. He's already messed up more than once when it comes to Roxy and he's not going to let history repeat itself.

From #1 New York Times bestselling author Jennifer L. Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may already be too late.

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. And as the shadow of those cursed draws closer, the line between what is forbidden and what is right becomes blurred. Poppy is not only on the verge of losing her heart and being found unworthy by the gods, but also her life when every blood-soaked thread that holds her world together begins to unravel. Originally published February 2016 With any great change, there is always strife, and the Covenant University has become the frontline between pure-bloods who want the Breed Order reinstated and the half-bloods who want the right to control their own destinies. Fate has other plans. The violence is escalating and war between the races seems inevitable, and it couldn't come at a worse time. Hyperion may be out of commission, but Josie and Seth know they have only earned a reprieve. Seth must get Josie fully prepared, which means controlling her newfound abilities, and they need to find the other demigods before the Titans do. But the gods are sensing a greater threat. Only one thing is more dangerous than a bunch of starved Titans, and that's an out-of-control Apollyon. The aether in Josie is drawing Seth in

deeper, and when lust mixes with love and gives way to power, he knows being close to her is not only dangerous to her, but to everyone around them, but letting her go requires a level of selflessness that just isn't Seth's style. The paths taken in the past are becoming the roads of the future. Just as chaos breaks out, familiar faces from the past return, complicating the already strained bond between Josie and Seth, and when the danger from the Titans erupts with devastating consequences, the dark allure of power calls to Seth again, but this time Josie might not be able to pull him back. And when the struggle between power and love becomes the deadliest battleground, there may be no salvation. "Torn between duty and survival, nothing can be the same." Everything Ivy Morgan thought she knew has been turned on its head. After being betrayed and then nearly killed by the Prince of the Fae, she's left bruised and devastated-and with an earth-shattering secret that she must keep at all costs. Their chemistry is smoking hot, but Ivy knows that Ren has always valued his duty to the Order above all else-he could never touch her if he knew the truth. That is, if he let her live at all. Yet how can she live with herself if she lies to him? But as the Fae Prince begins to close in, intent on permanently opening the gates to the Otherworld, Ivy is running out of options. If she doesn't figure out who she can trust-and fast-it's not only her heart that will be torn apart, but civilization itself.

Discover the New York Times bestselling Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Her duty to the Order is her life. After all, four years ago, she lost everything at the hands of the creatures she'd sworn to hunt, tearing her world and her heart apart. Ren Owens is the last person Ivy expected to enter her rigidly controlled life. He's six feet and three inches of temptation and swoon-inducing charm. With forest-green eyes and a smile that's surely left a stream of broken hearts in its wake, he has an uncanny, almost unnatural ability to make her yearn for everything he has to offer.

But letting him in is as dangerous as hunting the cold-blooded killers stalking the streets. Losing the boy she loved once before had nearly destroyed her, but the sparking tension that grows between them becomes impossible for Ivy to deny. Deep down, she wants... she needs more than what her duty demands of her, what her past has shaped for her. But as Ivy grows closer to Ren, she realizes she's not the only one carrying secrets that could shatter the frail bond between them. There's something he's not telling her, and one thing is for certain. She's no longer sure what is more dangerous to her-the ancient beings threatening to take over the town or the man demanding to lay claim to her heart and her soul. Originally published November 2013 For twenty-one-year-old Sydney, being in love with Kyler isn't anything new. Kyler puts the 'man' in man-whore. Kyler has always put Syd on a pedestal that was too high for him to reach. To him, she's perfect and she's everything. But the feelings he has for her, he's always hidden away or focused on any other female. After all, Kyler will always be the poor boy from the wrong side of tracks, and Syd will always be the one girl he can never have. But when they're stranded together at a posh ski resort due to a massive Nor'easter, there's nothing stopping their red-hot feelings for each other from coming to the surface. Can their friendship survive the attraction? Better yet, can they survive at all? Because as the snow falls, someone is stalking them, and this ski trip may be a life-changer in more ways than one.

Josie's life is turned upside-down by the appearance of Seth, a sexy man who has made a deal with the gods and been assigned to protect her.

A compelling novel from Jennifer L. Armentrout, the New York Times bestselling author of the Covenant and Lux series. Dying sucks - and high school senior Ember McWilliams knows firsthand. After a fatal car accident, her gifted little sister brought her back. Now anything Ember touches dies. And that, well, really blows. Ember operates on a no-touch policy with all living things - including boys. When Hayden Cromwell shows up, quoting Oscar Wilde and claiming her curse is a gift, she thinks he's a crazed cutie. But when he tells her he can help control it, she's more than interested. There's just one catch: Ember has to trust Hayden's adopted father, a man she's sure has sinister reasons for collecting children with abilities even weirder than hers. But when Ember learns the accident that turned her into a freak may not have been an accident at all, she's not sure who to trust. Someone wanted her dead, and the closer she gets to the truth, the closer she is to losing not only her heart, but her life. For real this time.

Originally published April 2012 There is need. And then there is Fate... Being destined to become some kind of

supernatural electrical outlet isn't exactly awesome-especially when Alexandria's "other half" is everywhere she goes. Seth's in her training room, outside her classes, and keeps showing up in her bedroom-so not cool. Their connection does have some benefits, like staving off her nightmares of the tragic showdown with her mother, but it has no effect on what Alex feels for the forbidden, pure-blooded Aiden. Or what he will do-and sacrifice-for her. When daimons infiltrate the Covenants and attack students, the gods send furies-lesser gods determined to eradicate any threat to the Covenants and to the gods, and that includes the Apollyon... and Alex. And if that and hordes of aether-sucking monsters didn't blow bad enough, a mysterious threat seems willing to do anything to neutralize Seth, even if that means forcing Alex into servitude... or killing her. When the gods are involved, some decisions can never, ever be undone. From the New York Times bestselling author of the Covenant and Lux series comes the second novel in the pulse-pounding, electric Titan series. In *The Return*, Seth and Josie's story ended on the ultimate cliffhanger. Now, things are about to get even more dangerous...
