It is a fact, that in 1991 it was unheard of in Florida for a father to win custody of his child or children, especially a five-year-old daughter, but that is exactly what happened in my family. God had blessed us during the trial by providing a judge who in his opening remarks told my mom and dad that he would do, to the best of his abilities, whatever was in the child's best interest. This statement was our first glimmer of hope for my dad as prior to these remarks by the judge daddy had been told by everyone including his first attorney that in a custody battle it

was going to be impossible for a father to win. This custody victory has served to remind daddy and me that God is in control, we must remain faithful, determined and persistent in our struggles. Although this book does contain some poetry and prose, it is not a book of poetry. Instead, it is about the healthy, loving relationship of a divorced father who was blessed in winning custody of his young daughter and some of our life lessons.

What does that do to the spirit of individuals and community? Drawing on his decades of experience, Alex Kotlowitz set out to chronicle one summer in the city, writing about individuals who have emerged from the violence and whose stories capture the capacity--and the breaking point--of the human heart and soul. The result is a spellbinding collection of deeply intimate profiles that upend what we think we know about gun violence in America. and the prognosis wasn't good. But she survived. Burned and scarred, the impact stayed with her and became an obstacle she was determined to overcome. Feeling like a misfit led to her love of horror. While her sisters played with Barbie dolls, Cassandra built model kits of Frankenstein and Dracula, and idolized Vincent Price. Due to a complicated relationship with her mother, Cassandra left home at 14, and by age 17 she was performing at the famed Dunes Hotel in Las Vegas. Then a chance encounter with her idol Elvis Presley, changed the course of her life forever, and led her to Europe where she worked in film and traveled Italy as lead singer of an Italian pop band. She eventually made her way to Los Angeles, where she joined the famed comedy improv group, The Groundlings, and worked alongside Phil Hartman and Paul "Pee-wee" Reubens, honing her comedic skills. Nearing age 30, a struggling actress considered past her prime, she auditioned at local LA channel KHJ as hostess for the late night vintage horror movies. Cassandra improvised, made the role her own, and got the job on the spot. Yours Cruelly, Elvira is an unforgettably wild memoir. In the heart of the calumet region, hardworking Hammond helped build America. Originally known as State Line Slaughterhouse, the city began as no more than a meatpacking plant for nearby Chicago. In time, the city grew, and at its industrial height, trains, chains, cigars, shirts, candy, nuts, player pianos, commercial wallpaper, concrete roof slabs, gutters, boilers, potato digging devices, screws and steel products poured from its many factories. Meanwhile, its many racetracks and casinos earned it the title of "Atlantic City on the Lake." The city also nurtured Jean Shepherd of A Christmas Story fame and was even home to an early NFL team. Hammond-born journalist Joseph S. Pete explores bygone landmarks like Phil Smidt's, Madura's Danceland, the State Theatre, the Woodmar Mall and the W.B. Conkey factory, all of which now live only in legend.

Progressives have been too silent about their faith, too hesitant to reach out to communities of faith, and too uneasy about revealing the faith-based foundations that support many of the policies they promote. William Garard Godwin seeks to reconnect the power of faith and the hope of progressive politics among a new generation of Americans that he calls "faithful progressives." A combination of political and biblical analysis, social criticism, and spiritual memoir, Blue America's God helps progressives think and talk about some of our nation's most

controversial issues through the lens and language of faith. In this book, Godwin offers a powerful plan of action to illustrate how a progressive Democratic vision for the United States is not at odds with our country's diverse faiths, our Judeo-Christian moral tradition, or the Bible's core ethical teachings. This book vividly shows that progressive politics, when approached prayerfully, carefully, and open-mindedly, are aligned with the overarching themes of our major faith traditions: Love, Justice, Mercy, and Humility.

Thank You, God! is a Christian book for children and families. The book is intended for parents to read to their children or children can read on their own about what God has done. The words rhyme and repeat to make reading fun. Rhyming and repetition of books are great ways for children to recognize sounds of language as well as remember the words of the books. The visuals are colorful and relatable to children, in addition to being easily identifiable. The photographs match the words beautifully and make the words come to life. My goal is to encourage families to read the bible, which is why most pages reference a scripture that correlates to the words. Thank You God! opens the door to show children what God has done, but the bible goes deeper and shows us why we are thankful for all he has given us. This book can be a bridge to reading the bible as a family. My prayer is that this book can help families who may not be as familiar with God's word, but want God's word to be an integral part of their day. As you read Thank You, God! refer to your bible and learn so much more of what God has done.
