Volume 4 - Rated "R" edition | ??? 4 - ??????? ? ?????????? «16+» A great book for learning everyday Russian conversational language. The caricature dialog in Daily Humor in Russian Life is the best Russian learning book for everyday Russian conversations, common phrases, and words with dual meanings. You will not find most of this material in traditional Russian language educational books that teach proper Russian. In this book, you'll encounter: ? Perfect holiday gift for all your friends, Russian or not ? Hilarious Russian Jokes for grown-ups, Russian adult jokes, Russian sex jokes ? Funny and relatable illustrations depicting Russian Life ? Colorful caricatures of Russian characters in twisted yet hilarious scenarios ? Captions and dialogue to help you learn conversational Russian ? Impeccable English translations Looking for a book represented by caricatures Russian humor?Laughter is indeed, the best medicine. Humor makes you human. We all have it,and everyone enjoys it when the right material tickles their funny bone. The meaning of a caricature according to Wikipedia is a rendered image showing the features of its subject in a simplified or exaggerated way through sketching, pencil strokes, or through other artistic drawings. The meaning of Russian caricature is a caricature on steroids. Humor largely depends on the context. What might make an American crack a smile or a couple of chuckles might be different from those born and raised in another country. Care to know what Russian humor looks

like? Read and discover the tragic, yet comical aspects of life in Russia with Daily Humor in Russian Life! Russian Jokes for grown-ups! Russian adult jokes! Russian sex jokes! If books had ratings, this book would get an “R” rating, meaning it contains adult material . There is nothing distasteful in this book, even though occasionally you can find a picture of a woman’s breast or a man’s butt. Of course, caricatures remind us that in serious topics such as sex and relationships, there is always enough room for humor. Russian humor is an important aspect of Russian culture. Some sources claim that the Russian word “????” (laughter) takes its meaning from the verb “?????” (to dare). The one who dares, laughs the Russian way; it is a brave person that finds Russian jokes or especially Russian grown up jokes as part of Russian Culture and has the ability to laugh in the most difficult times. Daily Humor in Russian Life is the fourth of fourteen in a series the author holds very dear to their heart. The most popular form of the Russian humor is the anecdotes – short funny stories. You can view each caricature as an illustrated anecdote. Most of the time it is hard to say what is funnier, the picture itself or the dialog. Discover another culture and more reasons to laugh and smile. Add Daily Humor in Russian Life to your cart TODAY! «????? ????!!!» “Go for IT!”

Presents fifteen illustrated scenes that portray common types of people, animals, places, and things along with the corresponding words for them in Russian, as well as a list of the Russian words and their English translations.

Fast, Easy Way to Learn a Language is essential reading for anyone studying a language at school, for business, travel or just for pleasure. Well-known inspirational teacher Bill Handley speaks 15 languages at various degrees of fluency. He is passionate about learning languages and believes language learning should be an adventure. In this book he explains: how to have fun building your vocabulary in record time the easy way to get to grips with grammar why you should use more than one textbook how to use your 'lost time' to learn faster what to do when you feel like giving up how to write your own 'survival skills' course. Fast Easy Way to Learn a Language will have you speaking your new language in no time. The book explores all the important topics: active and passive learning, mastering a differential alphabet, using recorded material, planning your own immersion program, making effective use of the internet and much more. It includes special advice for school and university students. This is the fun way to learn a language.

The verbal section of the GRE is essentially a vocabulary test. With a few exceptions, if you know the word, you will probably be able to answer the question correctly. Thus, it is crucial that you improve your vocabulary. Even if you have a strong vocabulary, you will still encounter unfamiliar words on the GRE. Many students write off questions, which contain words, they don't recognize. This is a mistake. This book introduces numerous techniques that decode unfamiliar words and prod your memory of words you only half-remember. With these techniques, you will often be able to squeeze out enough meaning from an unfamiliar word to answer a question correctly. Nevertheless, don't rely on just these techniques--you must study word lists. Obviously, you cannot attempt to memorize the dictionary, and you don't need to. The GRE tests a surprisingly limited number of words, and this book has 4000 prime candidates. Granted, memorizing a list of words is rather dry, but it is probably the most effective way of improving your performance on the verbal section. All the words you need for success on the GRE! Features: * 4000 Words Defined * Word Analysis section * 200 Prefixes, Roots, and Suffixes * Concise, practical definitions
