"Alex Douglas always wanted to be a hero. But nothing heroic ever happened to Alex. Nothing, that is, until his eleventh birthday [which fell on September 11, 2001]. Then everything changed"--P. [4] of cover.

Introducing an extraordinary new voice---a magical debut that will make your skin tingle, your eyes glisten . . .and your heart sing. While navigating his first year of high school and awaiting the birth of his new baby brother, Scott loses old friends and gains some unlikely new ones as he hones his skills as a writer.

His feet stink, and he eats everything in the refrigerator--and Ellie is so happy to have him around. Grandpa may not exactly fit in at middle school, but he certainly keeps things interesting. When he and Ellie team up for the county science fair, no one realizes just how groundbreaking their experiment will be. The formula for eternal youth may be within their reach! And when Ellie's cat, Jonas Salk, gets sick, the stakes become even higher. But is the key to eternal life really the key to happiness? Sometimes even the most careful experiments yield unexpected--and wonderful--results.

"Powerful and poetic." —John David Anderson, author of *Posted* and *Ms. Bixby's Last Day* Elise carries a notebook full of tallies, each page marking a day spent at her new public school, each stroke of her pencil marking a word spoken. A word that can't be taken back. Five tally marks isn't so bad. Two is pretty good. But zero? Zero is perfect. Zero means no wrong answers called out in class, no secrets accidentally spilled, no conversations to agonize over at night when sleep is far away. But now months have passed, and Elise isn't sure she could speak even if she wanted to—not to keep her only friend, Mel, from drifting further away—or to ask if anyone else has seen her English teacher's stuffed raven come to life. Then, the discovery of a shocking family secret helps Elise realize that her silence might just be the key to unlocking everything she's ever hoped for... Praise for *After Zero*: "This tender and truthful book stays with you long after the words have gone." —Patricia Forde, author of *The List* "A must read. *After Zero* reminds us of so many loved ones of those suffering from anxiety or depressive disorders. It is a story that will hopefully foster empathy and maybe even communication with our 'quiet' peers." —Wesley King, author of *OCDaniel*

The new novel by Natalie Babbitt, author of *Tuck Everlasting* Joe Casimir needed help with the choice he had to make. But how do you choose the person who will help you choose? Mr. Boulderwall, the millionaire, knew exactly what he wanted Joe to choose. And millionaires are experts at making choices. Well, aren't they? But Vinnie, the number-two man down at Sope Electric, didn't much approve of millionaires. He said to Joe, "Listen, kid, all of 'em act like they're the only ones with a ticket to the show!" But he didn't have any real advice to offer. Joe's Gran didn't either, as it turned out, and neither did Aunt Myra. The good advice was there, though. Right across the street. Just waiting right across the street. There are a lot of good things just waiting. You'll see.

Benjie can stop using heroin anytime he wants to. He just doesn't want to yet. Why would he want to give up something that makes him feel so good, so relaxed, so tuned-out? As Benjie sees it, there's nothing much to tune in for. School is a waste of time, and home life isn't much better. All Benjie wants is for someone to believe in him, for someone to believe that he's more than a thirteen-year-old junkie. From Carnegie Medal finalist Jenny Valentine comes a bold new story about the boundlessness of love and second chances, perfect for fans of David Levithan's *Every Day*. Jude doesn't believe in love, or magic. Life is little more than ordinary. That is, until Jude's mother loses her job and moves them to a little town by the sea to live with Henry Lake--an eccentric old man with rooms to rent. Henry is odd, the town is dull, and worst of all, Jude feels out of place and alone. So when Novo turns up in the house across the street, dressed all in black and looking unbearably handsome, Jude's summer takes an immediate turn for the better. But Novo isn't all that he seems to be--or maybe he's more than Jude can possibly understand. Novo is pure magic--someone who can bend and stretch the bounds of time. Someone who wakes up in

different places and at different points in history with utter regularity. He knows that each Now is fleeting, that each moment is only worth the energy it expends on itself, and that each experience he has will be lost to him before long. But Jude and Novo form a bond that shifts reality for both of them. Jude begins to question what forever really means--only to find out that Novo knows that forever isn't real. And when things go horribly wrong, Jude and Novo are faced with an impossible question that may change both of their lives irreparably--what is worth sacrificing for love? A stunningly written, compelling exploration of the universality of love--and what it means to live in the moment--that quite literally defies both logic and time. A love story without borders that reflects the best of our modern world. Praise for Hello Now: * "Babbitt's Tuck Everlasting revisioned as a passionate YA love story, this is an exquisitely told romantic fantasy, golden yet lacerating." --BCCB, STARRED REVIEW

NATIONAL BESTSELLER • The #1 bestselling author of On Fire shows us how to recapture and harness our childlike sense of wonder in order to become more engaged, successful, and fulfilled. “Engaging . . . O’Leary encourages us to see the world through a child’s eyes.”—Mitch Albom, author of Tuesdays with Morrie There once was a time when we joyfully raised our hands to answer questions, connected easily with others, believed that anything was possible, and fearlessly jumped into new experiences. A time when we viewed each day not as something to endure, but as a marvelous gift to explore and savor—when we danced through our lives in awe of the ordinary moments and eager for the promise of tomorrow. Unfortunately, that’s far from our experience today. Instead, we feel disconnected and jaded.

Social media reminds us that we don’t measure up, and the mainstream media barrages us with constant negativity. Many of us find ourselves caught in a life of dogged responsibility and mind-numbing repetition. The daily struggle to earn a living has caused us to lose the sense of wonder with which we once greeted every day. In his new book, bestselling author John O’Leary invites us to consider that it is possible to once again navigate the world as a child does. Identifying five senses children innately possess and that we’ve lost touch with as we age, O’Leary shares emotional, humorous, and inspirational stories intertwined with fascinating new research showing how each of us can reclaim our childlike joy, and why doing so will change how we interact with the world. In Awe reveals how we can regain that ability to see fresh insights, reach for new solutions, and live our best lives.
