Scott and Kelly are a couple of average, every day people, hard working, kind and decent. Then one night they receive a mysterious phone call informing them that they've just won a lottery they didn't know they were playing. It is an offer that no one could refuse, an offer that promises to fulfil all of their worldly dreams. It is only after that they realize nothing comes for free, and what they've won is nothing compared to what they might lose. And by then it might be too late. About the Author: I was born in Regina, Saskatchewan, and currently reside in Lethbridge, Alberta. I have a B.A. in English from the University of Lethbridge. This is my first published work.

Here is a book of workable, sensible solutions to the everyday problems faced by newly observant Jews as they try to explain the parameters of their new lives to the people who love them—but think they've gone around the bend. For the formerly nonobservant Jew who has decided to live an observant life, the most daunting task can be dealing with less-observant loved ones. How can you explain to them what you now feel and believe? How can you continue to be part of the lives of your parents, your siblings and their families, and your in-laws, given how differently you now live your life? In this book, Azriela Jaffe—the observant daughter of less-observant parents—answers these and other pressing questions. Jaffe discusses how to eat kosher and observe the Sabbath and Jewish holidays in the home of a non-observant relative, and how to host nonobservant relatives in your own home; how to explain the laws of modesty and courtship practices; how to attend family life-cycle events—or explain why you sometimes can't; and how to help your relatives understand the decision to put secular education temporarily aside to attend yeshivah and further your knowledge of Jewish law, rituals, and customs. Eminently insightful, helpful, and readable, *What Do You Mean, You Can't Eat in My Home?* will be an invaluable tool in the lives of an ever-increasing number of Jewish families.

Miracles don't just happen on 34th Street. They can happen right in your living room—if you're willing to believe... What grown woman claims to have seen Santa Claus? Mandy Reese, for one—on a very special Christmas Eve when she

was eight years old. These days, Mandy works at a year-round Christmas store in Tall Pine, California, where customers love to hear about her childhood encounter with Saint Nick. But when Jake Wyndham arrives in town—charming, gorgeous, extremely practical—Mandy faces a dilemma. Deny what she saw, or let Jake think she's sugarplum crazy? Jake scouts hotel locations all over the country, but he's never met anyone quite like Mandy before. Her warmth and sparkle are irresistible, but...meeting Santa? Really? Jake's no Scrooge but he's definitely skeptical. Then again, there are all kinds of things Jake never experienced until he came to Tall Pine. Like autumn snow. Mind blowing kisses. And the magic of falling head-over-heels, madly in love...

This is the story of a persistent problem and the child who isn't so sure what to make of it. The longer the problem is avoided, the bigger it seems to get. But when the child finally musters up the courage to face it, the problem turns out to be something quite different than it appeared. *What Do You Do With a Problem?* is a story for anyone, at any age, who has ever had a problem that they wished would go away. It's a story to inspire you to look closely at that problem and to find out why it's here. Because you might discover something amazing about your problem... and yourself.

Available for the first time on its own, this thrilling paranormal romance holiday short story from New York Times bestselling author Heather Graham shouldn't be missed! The powerful Keepers must save their community as a strange, eternal night creeps over the town of Salem. Forced to choose between her time-honored responsibilities or the lover her heart desires, an extraordinary woman must risk her own happiness to save the holiday. But Christmas is a time for miracles, and as a Keeper's greatest longing is met, the Season of Light returns. Originally published in 2013

What if your former girlfriend decides to use her 6-year-old daughter to punish you for breaking up with her? How do you prove that you are innocent of the

worst case of sexual perversion against a child? Is it possible to refute the lies of a beautiful, seemingly innocent, little girl? When Gabe McAllister decorated former Marine and respected Texas State Trooper, walked out of his condo in west Houston on a Tuesday morning to head to a meeting of the newly formed task force of the DEA, Texas State Police, and Border Patrol, he found five Houston cops waiting to collar him for the rape of 6-year-old Annie Bridges. His next several days and weeks are a blur as he realizes belatedly that he has no chance against his diminutive accuser, his implicit trust in the fairness of the justice system shattered, McAllister lands in the Huntsville prison, sentenced to 3 counts of 20 to life sentences. In the sequel to *The Fragrance Shed By A Violet*, Lin Wilder embroils characters in another complex web of dysfunctional family, deceit, revenge and the politics of courtrooms. Pulitzer Prize reporter Kate Townsend's front page story for her newspaper, *The Houston Tribune*, about a juror-the foreman of McAllister's jury-stepping forward to speak about the case and her concern about why McAllister was not granted a retrial galvanizes Houstonians once again: Had a Houston jury convicted another innocent person? Dr. Lindsey McCall, former inmate at Huntsville and now Medical Director at the Prisons and Rich Jansen, Chief Warden at the prisons are faced with the all-too-familiar question of just how involved should they get as Townsend begins to dig into the background of little Annie Bridges and her mother. When Townsend reveals the details of her new investigative series: *A Nation of Law: The Dark Side*, Jansen is more than intrigued. So you've read "The Secret," but your life is pretty much the same. Your thoughts on abundance didn't improve that crummy job; in fact, the amount of tedious work you had to do increased. You thank your coffee every morning, and now you drink more of it rather than need it less. Years after reading Deepak Chopra's "The Seven Spiritual Laws," you can't remember anything about the laws of intent -- only that it's important to bring a flower to the host when attending a dinner party. You tried meditating, but mostly just fell asleep. Oh, and yes, all you learned from Louise Hay's "You Can Heal Your Life" was that your sinus headaches are caused by your irritation with all those crazy people close to you. Humph. Are you ready to "really" understand how those spiritual laws work? Then let's take it to the next level. About the Author May Sinclair earned her doctorate in the philosophy of metaphysics soon after her fiftieth birthday. An award-winning and internationally acclaimed author, she writes extensively about ancient disciplines connected with symbolism and teaches private workshops on dream interpretation and analysis from a Jungian perspective. She also writes under her nom de plume, Mason Clare. All her work draws upon her knowledge of ancient and modern philosophical teachings, fostering a merging of our physical, mental, and spiritual selves.

From bestselling writer David Graeber—"a master of opening up thought and stimulating debate" (Slate)—a powerful argument against the rise of meaningless, unfulfilling jobs...and their consequences. Does your job make a meaningful contribution to the world? In the spring of 2013, David Graeber asked this question in a playful, provocative essay titled "On the Phenomenon of Bullshit Jobs." It went viral. After one million online views in seventeen different languages, people all over the world are still debating the answer. There are hordes of people—HR consultants, communication coordinators, telemarketing researchers, corporate lawyers—whose jobs are useless, and, tragically, they know it. These people are caught in bullshit jobs. Graeber explores one of society's most vexing and deeply felt concerns, indicting among other villains a particular strain of finance capitalism that betrays ideals shared by thinkers ranging

from Keynes to Lincoln. "Clever and charismatic" (The New Yorker), *Bullshit Jobs* gives individuals, corporations, and societies permission to undergo a shift in values, placing creative and caring work at the center of our culture. This book is for everyone who wants to turn their vocation back into an avocation and "a thought-provoking examination of our working lives" (Financial Times).

She was like a goddess with her earth brown eyes and beguiling and bewitching smile. Before Caul could make sense of the mirage before him the images began to change. His children and their mothers stood still, as if frozen in time. Their smiles and out stretched arms disappeared. They all stood there looking at him with what appeared to be begging eyes with tears running down their faces. The death knelling Caul had heard earlier began again. This time it was louder and stronger and instead of a single voice, there were many. A cacophony of howling whiles. Why daddy, why daddy, why daddy? Why did you do this to us? And just above the childrens wailing the voices of two women began to echo in the background. They were crying out in unison for him to take them but not their babies. While trying to shake off the memories, Caul asks of himself what is the worst thing a person can do to his family? Murder, murder, murder, murder, murder, the voices shouted out to him in a cacophony of howling whiles, like the death knelling hed heard so often during battles in Nam.

"When Barbara Jordan talked, we listened." —Former President of the United States, Bill Clinton  
Congresswoman Barbara Jordan had a big, bold, confident voice—and she knew how to use it! Learn all about her amazing career in this illuminating and inspiring picture book biography of the lawyer, educator, politician, and civil rights leader. Even as a child growing up in the Fifth Ward of Houston, Texas, Barbara Jordan stood out for her big, bold, booming, crisp, clear, confident voice. It was a voice that made people sit up, stand up, and take notice. So what do you do with a voice like that? Barbara took her voice to places few African American women had been in the 1960s: first law school, then the Texas state senate, then up to the United States congress. Throughout her career, she persevered through adversity to give voice to the voiceless and to fight for civil rights, equality, and justice. New York Times bestselling author Chris Barton and Caldecott Honoree Ekua Holmes deliver a remarkable picture book biography about a woman whose struggles and mission continue to inspire today.

Ever wonder if you could relive part of your life, to experience again the innocence of childhood or to correct a grievous mistake that has haunted you? Mack McCoy may have done just that unwittingly. Mack is a good man, captain in the Dallas Police Department who would describe his career as "in the weeds," thanks mainly to an incident in which he shot and killed two unarmed teenagers in the act of robbing a pizza restaurant. Though cleared of wrongdoing, he has become a pariah, busted back to captain from deputy chief. Mack is paired with a fire captain for a project they both perceived as dead-end with no potential growth for either of them and more importantly, no redemption for Mack. Just as it seems things couldn't get any worse, they do. A violent traffic accident kills Mack's best friend and leaves Mack fighting for his life. Through recovery, Mack begins to realize there are certain realities in his life that are quite different from the way he remembers them. People begin walking into his life that had passed or played a completely different roll in his life in the past. New people such as a homeless man and other unknowns that come and go in the shadows and call themselves "advocates" also become a part of his new reality. What happened to Mack

while in surgery, and what childhood event could be a gateway that changed everything? No one expects a "Do-Over" in life. Mack didn't expect it. The question is, did he take it?

Have you ever wondered if you are really in control of your life? Or could it be that someone or something has been placed in front of a computer somewhere and is pushing buttons and sending messages to your brain? What really influences our daily decisions: friends, family, God, the government perhaps, or a dog? These are the questions Dr. Anthony Harding begins to ask himself shortly after arriving in San Diego. He's convinced that the only way his two daughters will ever overcome their mother's death and the stigma of her alcoholism and drug addiction and the only way to repair his own status as a dead-beat dad is to jump on a job offer that will move them as far away from Chicago's south side as possible. His expectations doesn't include being attracted to a pint-sized independent neighbor from Louisiana whose best friend seems to be a miniature chocolate poodle that appears to have a talent for making unusual things happen.

Graduate schools churn out tens of thousands of Ph.D.'s and M.A.'s every year. Half of all college courses are taught by adjunct faculty. The chances of an academic landing a tenure-track job seem only to shrink as student loan and credit card debts grow. What's a frustrated would-be scholar to do? Can he really leave academia? Can a non-academic job really be rewarding—and will anyone want to hire a grad-school refugee? With "So What Are You Going to Do with That?" Susan Basalla and Maggie Debelius—Ph.D.'s themselves—answer all those questions with a resounding "Yes!" A witty, accessible guide full of concrete advice for anyone contemplating the jump from scholarship to the outside world, "So What Are You Going to Do with That?" covers topics ranging from career counseling to interview etiquette to translating skills learned in the academy into terms an employer can understand and appreciate. Packed with examples and stories from real people who have successfully made this daunting—but potentially rewarding—transition, and written with a deep understanding of both the joys and difficulties of the academic life, this fully revised and up-to-date edition will be indispensable for any graduate student or professor who has ever glanced at her CV, flipped through the want ads, and wondered, "What if?" "I will absolutely be recommending this book to our graduate students exploring their career options—I'd love to see it on the coffee tables in department

Equips parents to teach their children how to make sexuality a safe, healthy, and sacred part of their lives. How parents address sex—their openness, the context, and their attitudes—will impact how their children view their own sexuality and self-worth. Dr. Chirban helps parents know when, how, and how much, and stresses the vital importance of their role in sex education. He uses humor, compassion, and real-life examples to prepare parents for healthy and ongoing conversations that equips their kids to own their own sexuality and provide an understanding of the larger issues of relationships, love, commitment, and intimacy. In addition, parents discover how helping their children grasp these veiled yet critical keys to a fulfilling life deepens their own connection with their children. With specific helps for children from birth through young adult, Dr. Chirban provides context for what needs to be communicated at each stage of their development as well as tips for the inevitable surprise questions. In addition, he tackles complicated issues such as pornography, relationships and the Internet, sexting, and homosexuality. Most important is the emphasis on strong family values and spirituality as it relates to sexuality. Previously released in 2007 as *What's Love Got to Do With It?*, this revised book adds new insights from today's culture that make it even more relevant to parents and families.

*Why Do You Walk the Way You Do?* By: Jim Cohlmeier All things work together for good for those who love God and are called according to His Purpose. *Why Do You Walk the Way You Do?* was written as a personal memoir. In telling his story, Cohlmeier tells everyone that overcoming obstacles in life is possible, no matter the circumstance. In turn, a rewarding life is attainable.

*Do Angels Smooch?* Do angels smooch? If not, why so much obsession in lyrics, movies and books about angels and kissing? Are there any more surprises that Edward Kapambwe unveils in his book? Well, there is more. For example, Kapambwe takes us into an in-depth angelic journey in order to understand the extent of angelic involvement in human affairs than ever before. He brings out novel elements that have never been unveiled previously. For example, he recounts how angels visit our stores. They buy the stuff they need before meeting people. Haven't you noticed that no angel has ever appeared nude or with wings in real life. They come already dressed just like us; and that is why we have been unable to identify them. We are surrounded by angels both good and evil. Evil angels no longer transform themselves into humans. Only good angels still do. Since there are no shops in heaven, where do they get the stuff they wear? Besides that, what happens to these apparels after being used? The author asserts that angels donate them to Thrift Stores such as, Goodwill, the Salvation Army and others. Donating to Thrift Stores is an ingenious way to make them accessible to both the rich and the poor. Have you wondered why they do that? It is a deliberate move they take so that ordinary people could buy things worn by angels. That begs another question, why do they do that? The answer is amazing. They do that on purpose because they know that to wear stuff worn by holy angels comes with tremendous blessings. This book explains that point persuasively. In addition, the author contends that these angels are highly disciplined entities such that they never steal anything from banks, stores or homes of rich people even though they able to do so without being seen. Angels are invisible (spirits) entities. However, they

have the ability to transform themselves into regular human beings. The author throws in another insight. He argues and states that helping strangers gives a person the best chance to be visited by an angel. The author then explains to us the probabilities of being smooched by an angel. Do angels smooch? That question points us in the direction of social theology than philosophy. It is not a new question but the framing might be. Many theologians have debated extensively the narrative found in Genesis 6 where angels came on earth and married daughters of men. With his masterful insight and knowledge of theology and philosophy, the author gives a different angle of the workings of angels among us. It's not a book to miss. If there is one book you need to read in your lifetime, *Do Angels Smooch* should be on top of your list.

The spunky heroine of *Romancing the Dead* returns in this utterly bewitching series. Witch Garnet Lacey is ready to walk down the aisle with the super sexy vampire Sebastian. Besides the fact that he has no pulse, things couldn't be more perfect. Until plans for the wedding start falling apart, and Sebastian's zombie-slash-vampire-slash witch ex-lover decides that both of them should be six feet under. It's just a matter of time before Garnet—who's already sharing her body with a short-tempered goddess—morphs into *Bridezilla*.

How women can "lean in" to entrepreneurship to create the life they want! Claudia Reuter left a promising corporate career to raise her two young children but realized, when re-entering the workforce, that the gap in her resume looked like a gap in ambition—not a purposeful plan. Instead of leaning into a corporate career and fighting the structures and systems designed by and for men decades ago, or leaning out and giving up income, Claudia took a different path. That decision ultimately led to success in the corporate world and at home. In *Yes, You Can Do This!* Claudia shares her own reasons for starting a business, and makes a call to action for women to consider entrepreneurship so that they can create businesses with the rules they want and change the playing field for others, making a significant impact in the world. More than a "How-to book" on building a business, Claudia provides clear examples and practical resources to help others create the life they want through entrepreneurship. In *Yes, You Can Do This!* you'll learn: How to develop and share your vision How to deal with stereotypes and unconscious bias How to leverage perceived weaknesses and turn them into strengths How to balance life at high speeds and avoid burnout How to cultivate the confidence to move from idea to creating a company with the culture and rules you want In *Yes, You Can Do This!* women are provided with an electrifying third career option: it's not just "lean in" or "lean out," but startup and change the playing field for others in the process. Praise for *Yes,*

You Can Do This! “Combining compelling storytelling with practical, tactical advice, Reuter has created a manifesto for the next generation of female founders. Rooted in the research around gender and work, this is a must read for women looking to launch the next new thing.” -

Jennifer McFadden, Associate Director of Entrepreneurial Programs, Yale School of Management “A must-read for any woman considering taking the leap into entrepreneurship, You Can Do This brings together today's best thinking about women in the workplace with practical advice for creating your dream career and life - by starting a company. Whether you are just curious or ready to take the leap, this book is a great read and a valuable resource.”

-Anna Barber, Managing Director, Techstars “Claudia helps not just the female entrepreneur, but all entrepreneurs, find their footing in what can be an overwhelming whirlwind of starting a business. This book is not only inspiring and uplifting, but positively necessary for any woman looking to find success in the startup space! -Shira Atkins, Co-founder & CMO Wonder Media Network “Stories of entrepreneurial success exist in abundance for men who receive 97.8% of venture funding and hold 95% of CEO roles. What is most inspiring about Claudia's book, making me want to shout from the rooftop, is that it is told from the perspective of an everyday woman who pushed hard through barriers, doubts, and setbacks that any entrepreneur would face. On top of all that, she overcame obstacles that are uniquely ours as women today.

Claudia is now a standout among women, but with her book in hand, women who want to build a business to scale have a blueprint and path to do so. Here's to making dreams come true!”

-Coco Brown, CEO and Founder, The Athena Alliance. “As I read through the book, there were multiple points where I thought, 'Every man in any startup or fast-growing business should read this.' As a man in technology, I took away a number of new ideas, along with examples that were explained in a way that I wouldn't have been able to do prior to reading Claudia's book”
